Doubletree Suites – 2111 Butterfield Road

Chairman Pro Tem Krusenoski stated that the first order of business was an application hearing for AC Hospitality, LLC d/b/a Doubletree Suites located at 2111 Butterfield Road. He stated that the applicant was seeking a Class "O", full alcohol, outdoor liquor license.

Chairman Pro Tem Krusenoski asked that any individual(s) representing the applicant step forward and be seated. He asked that any individual(s) giving testimony, state and spell their name for the record, indicate their affiliation with the establishment and be sworn in by the court reporter.

Mr. Santhosh Pillai and Mr. Fadi Osmano were sworn in by the court reporter. Mr. Pillai introduced himself as the liquor manager of Doubletree Suites. Mr. Osmano introduced himself as the General Manager of the hotel.

Chairman Pro Tem Krusenoski asked the applicant to present its case.

Mr. Pillai stated that the Doubletree is establishing a new concept for the restaurant at the hotel. He stated that they added a patio to the facility and were seeking approval for a full liquor license for the new outdoor café at the Doubletree.

Chairman Pro Tem Krusenoski asked for comments from the Commission.

Mr. Jacobson asked Mr. Pillai if they had any liquor violations. Mr. Pillai replied no.

Ms. Kuchynka advised that they have held a license since June 16, 2016 and have passed three control buy tests in 2017, 2018 and 2019.

Mr. Heafner noted the good job in passing all the control buy tests.

Mr. Heafner asked about the fence enclosure. Mr. Pillai replied that there will be an entrance to, and emergency exit from, the patio. He added that the area will be monitored by a patio attendant. He stated that they plan to bus the tables quicker than the interior of the restaurant.

Mr. Heafner asked if the fencing was sufficient to prevent patrons from passing drinks in and out and if the area was easily monitored. Mr. Pillai replied that the fence is 36" high. He stated that staff will be monitoring the space.

Ms. Kuchynka asked Mr. Pillai to explain how the entrance to the patio will be regulated. Mr. Pillai replied that all seating will be done by the hostess. He stated that patrons who walk into the restaurant will be escorted into the area. Mr. Osmano added that the seating is all assigned.

Mr. Clary said his question was answered about whether access was limited.

Mr. Clary asked how long they have held a license. Mr. Pillai replied since June, 2016.

Mr. Clary asked Mr. Pillai about his liquor handling experience. Mr. Pillai stated that he has experience for the last four years from their other hotel in West Palm Beach. Mr. Clary asked if they have had any violations. Mr. Pillai replied none.

Mr. Johnson asked how many can be seated in the patio. Mr. Osmano replied that it will vary depending on those who are seated for dining or seated in the lounging area.

Mr. Johnson asked how many tables a server is responsible for. Mr. Pillai replied that servers in the restaurant area are assigned three tables, which they plan to implement on the patio.

Chairman Pro Tem Krusenoski asked if they plan on opening the patio this year. Mr. Pillai replied that they plan to open the patio along with the restaurant re-grand opening event which is scheduled for the Saturday following next. He is aware that they are only allowed to operate the patio through November 15th. He stated that it will be utilized weather permitting until then.

Chairman Pro Tem Krusenoski asked if they plan to hold special events on the patio. Mr. Osmano replied that its planned use is the extension of their restaurant.

Chairman Pro Tem Krusenoski asked if the staff attendant is in addition to servers that will be serving the patio. Mr. Osmano replied that the patio attendant will be in addition to the servers.

Chairman Pro Tem Krusenoski asked what the role of the patio attendant is. Mr. Osmano replied bussing of tables and monitoring the area. He stated that their biggest concern in the area is to remove unfinished drinks as soon as patrons leave the tables.

Chairman Pro Tem Krusenoski appreciated their past good record. He stated that they will be tested in the future and recommend that they maintain their diligence and instill the importance of proper liquor service and keep the culture that you take the serving of alcohol seriously.

Chairman Pro Tem Krusenoski asked how often they have staff meetings. Mr. Osmano replied that although this is a new concept they are unveiling, they have strict guidelines for liquor service. He stated that the Fabio Viviani franchise sponsor has higher and stricter standards for servers in which they are expected to operate.

Chairman Pro Tem Krusenoski stated that they should stress the importance of serving liquor day in and day out. Mr. Pillai replied that they hold a daily "stand up" meeting prior to each shift change along with monthly staff meetings.

Ms. Kuchynka stated that Mr. Pillai advised her that new staff is trained upon hire with the new policy and that existing staff went through a re-training with the inclusion of the patio policies.

Chairman Pro Tem Krusenoski asked staff for recommendations or comments pertinent to this application. Ms. Kuchynka replied that issuance of the license is contingent upon installation of the fence, receipt of the Temporary Use permit and receipt of the annual outdoor liquor license fee.

Chairman Pro Tem Krusenoski asked for comments from the public. There were none.

Hearing the testimony given in this case, Chairman Pro Tem Krusenoski asked for a recommendation from the Commission concerning its finding of "qualified" or "not qualified" with respect to the applicant with regard to their Class "O" liquor license application.

MR. CLARY MOVED TO FIND AC HOSPITALITY, LLC D/B/A DOUBLETREE SUITES LOCATED AT 2111 BUTTERFIELD ROAD QUALIFIED FOR A CLASS "O" FULL ALCOHOL, OUTDOOR LIQUOR LICENSE. MR. JACOBSON SECONDED.

V. NEW BUSINESS

Chairman Pro Tem Krusenoski asked if there was any discussion, update from staff or comments from the Commission regarding any new business.

Ms. Kuchynka advised the Commission that she received a request to make available an additional Class R-3 liquor license for on- and off-premise consumption. She stated that the applicant, The Foxtail, who

is set to appear before the Commission at next month's hearing, is seeking this license class. She stated that a part of their operation will be to host dinners and pair them with special wines which they plan to offer for sale after the dining experience for off-premise consumption. She stated that they would like the ability to have both on-premise and off-premise sales.

Ms. Kuchynka advised that the Village recently added the Class R-3 license to accommodate Cooper's Hawk Restaurant & Winery on- and off-premise sales. She stated that when the license was created, it was limited in number. She stated that the owners of The Foxtail are the owners who operate Cadence and who previously operated The Lemon Tree Grocer. She stated that The Lemon Tree Grocer had an on- and off-premise license with the primary business being a grocery store and have liquor handling experience in both regards.

Ms. Kuchynka asked the Commission for a recommendation on increasing the number of Class R-3 licenses from one to two.

Chairman Pro Tem Krusenoski had no objection to allowing another license. Ms. Kuchynka stated the Village typically will issue a limit on newly created license types. She stated that in this instance, the main and principal business will be the operation of a restaurant with incidental wine sales. She stated that restaurant and hotel licenses are unlimited in number.

MR. CLARY MOVED TO INCREASE THE NUMBER OF CLASS R-3 ON- AND OFF-PREMISE CONSUMPTION LIQUOR LICENSES FROM ONE (1) TO TWO (2). MR. JACOBSON SECONDED.

Keys to Success

The Foxtail's objective is to partner high quality products with incredible customer service. As part of the team you will become the face of Foxtail. The following manual will provide you the tools needed to do so:

General Guidelines

- In Illinois customers buying alcohol must be 21.
- Employees pouring beer/wine must be over 21.
- Someone over 21 must make the initial determination if a patron who wishes to be served alcohol is over 21.
- Employees must be at least 19 years old to serve as waiters or waitresses for the purpose of serving alcoholic beverages
- In the case of packaged sales, no employees under the age of 21 may register, by mechanical or electronical means, the sale of any alcoholic liquor.
- Employees under the age of 21 should be carefully watched to ensure that they do not sell or have access to liquor for themselves or their friends.
- If a customer looks under the age of 35, proof-of-age identification must be requested.
- Perpetual calendars are kept at appropriate locations to aid employees in confirming legal age.
- A State identification guide must be kept on premises for employees to check validity of out-of-state licenses/identification cards.
- Hour restrictions and times when alcohol cannot be sold must be strictly enforced.

FOXTAIL

- Employees should be fully aware that they have the legal right to refuse to sell alcoholic beverages to anyone unable to produce proper identification or who they feel is already intoxicated.
- Alcoholic Beverages may be consumed on premise:
    - Mon-Thurs 10am-1am
    - Fri & Sat 9am-2am
    - Sunday 9am-12pm

- The following signs are posted and visible <u>at all times:</u>
    - "Persons buying beer, wine or liquor must be 21 or over"
    - "We will not sell alcoholic beverages to minors or intoxicated individuals"
- Employees know they are subject to fines/termination should they violate provisions of the Ordinance.

Training:

Employees will be required to obtain certified training per Section 3-33.3 of the Downers Grove Municipal Code within four months of date hired.

Employees are trained of store policies and advised of local laws concerning the sale of alcohol upon hire.

- Quarterly "refresher" meetings are conducted concerning the importance of responsible alcohol serving.
- Training certificates will be kept on file at the store.

Management Responsibilities:

1. Ensure employee comprehension of Liquor Handling Policies/Procedures through:
    a. Distribution of a policy manual to employees upon hire.
    b. Provide instruction/guidance/assistance on proper liquor.
    c. Advise employees of local liquor codes.

- Enforce local laws regarding minimum drinking age.
- Give last call ½ hour prior to official closing of store/patio.
- Never give away alcohol.
- Serve alcohol only within permitted hours.
- Recognize signs of intoxication.

Management:

- De-emphasize excessive liquor sales in marketing and promotion efforts.
- Provide food service at least 1 hour prior to close.
- Be sure beverage service policies are enforced by personnel.
- Evaluate intoxicated guests when requested by Staff.
- Terminate beer/wine and liquor sales when necessary.
- Call cab for intoxicated guests.

RESPONSIBILITIES TO THE CUSTOMERS:

Employees of Foxtail should take a firm stand on the responsibility they have to their customers in terms of alcohol consumption. We do not want our customers to drive home if they had too much to drink! If you think a customer should not be served, or if you think a customer has had too much to drink, servers should contact the manager immediately.

Foxtail employees should have the interest of the individual and public safety in mind, and therefore, have the obligation to the community and to the individual to spot people who have over consumed alcohol. This applies to all customers.

Management is responsible for actually "cutting off" customers, but it takes a team effort from all employees to help spot these people and tell the manager on duty. Rely on good judgement when someone in the establishment has had too much to drink.

FOXTAIL

Carding Procedures:

HOW TO CHECK A PATRON FOR CORRECT PROOF OF AGE

Age Requirement

- The minimum age requirement for the purchase of alcoholic beverages in all states is 21 years of age.
- If you have any reason to believe that underage patron is attempting to purchase alcohol, you must ask for proper identification.
- Under no circumstance should you sell any alcoholic beverages to a person who is believed to be under 21 years of age.
- Only official identification may be accepted.
- Identification is required if the customer appears to be under the age of 35.

Acceptable forms of Identification:

1. Current Driver's License (Vertical Drivers Licenses not accepted)
2. Current (state issued) ID cards
3. Valid Passport

If any form of ID seems questionable, they should be taken to the manager on duty immediately for approval. We will not accept vertical ID's. Any "fake" ID should be confiscated and turned into local authorities. Under no circumstances will traffic tickets be accepted as valid forms of ID for the purchase of alcohol. Do not be afraid to ask for another form of ID if there is any doubt of the validity of that ID. Employees are not accept Under 21 ID's.

When Checking a person's ID look for the following:

- Date of birth
- Compare the picture in the ID to the customer
- Expiration date of ID
- Height, weight, hair and eye color are good things to look for to check validity.

When in doubt, DO NOT serve or make the sale

Local Ordinances You Should Know:

LEGAL SERVING HOURS (Section 3-31)

Another area where disregard of the law may bring stiff penalties concerns the hours when liquor may and may not be served. You should know when you must stop serving, when all glasses must be off the tables and bar, and when all guests must be out of the establishment: If it becomes necessary in upholding the law, remove the glasses from the tables.

Monday – Thursday 8:00am – 1:00 am
Friday – Saturday 8:00am – 2:00 am
Sunday 9:00am – 1:00 am

It is unlawful to permit customers to consume alcohol on premise later than one hour after the applicable closing time.

MINIMUM AGE OF SELLERS (Section 3-28)
Age of seller policies require that alcohol servers and clerks must be a minimum age in order to legally serve or sell alcohol. Clerks must be at least 21 years of age to ring up any sale of alcoholic liquor. Servers must be a minimum of 19 years of age; however, the under 21 servers MAY NOT take the initial order or make the determination that a patron is of age. Initial orders/determination of age (carding) must be done by another server is over 21.

ADULTS SHARING DRINKS WITH MINORS (Section 3-36)
The Management will make it clear that adults sharing drinks with minors will not be tolerated. Regardless if in the company of parents, those under 21 should not be allowed alcoholic beverages.

- If an instance arises, the Manager will immediately tell the party that such practices are not permitted.
- Make it understood any alcoholic beverage in front of a minor will be immediately removed.
- If the party persists, the Manager will remove the alcoholic beverage from the adult and refuse to accept further orders.

LIQUOR PRODUCT IDENTIFICATION SIGNS (Section 3-33.2)
The sale of alcoholic liquor for consumption on the premises within the Village shall be limited to restaurants, hotels and recreational facilities, with liquor

sales as incidental of the operation of any such establishments. Liquor product identification signs (banner, placard, poster streamer, balloon or other attention getting device, which is designed or used to advertise, promote or identify a particular brand of liquor – including, but not limited to, "beer signs" that may involve electronic or neon displays) **shall not be permitted as any interior or exterior window sign of as any form of exterior sign** for any premises holding a license for on-premise consumption.

SERVING INTOXICATED INDIVIDUALS (Section 3-25)

Serving an obviously intoxicated person is strictly a violation of policy and may lead to civil or criminal responsibility. If an obviously intoxicated person leaves the premises and gets into an accident, a civil suit or criminal proceedings may be brought against both the company and the individual employee (s) responsible. Our best protection will come from the exercise of common sense by both management and employees. Employees serving alcoholic beverages should be aware of their responsibilities AND their potential personal liability.

.08 is the Illinois Blood Alcohol Content (BAC) limit. Any person driving in the State of Illinois with a BAC of .08 or more risks being charged with Driving Under the Influence (DUI).

Village of Downers Grove Alcohol Awareness Programs:

COMPLIANCE TESTING (Control Buy Program)

The Downers Grove Police Department periodically conducts tests on establishment to ensure that minors are not being served alcohol. An Under 21 agent is sent into each establishment to attempt to purchase liquor. In the event staff serves or sells alcohol to the minor, the individual involved in the service/sale is immediately issued an administrative citation (ticket) for serving the minor. In addition, the licensee will be required to attend the public hearing on the violation. A finding of guilty with regard to the violation will result in fines, penalties and/or suspension of the liquor license and possible mandatory certified training for all employees.

Fines for non-compliance are as follows:

- $500 fine issued to the individual involved in alcohol sale to a minor
- Up to $15,000 in fines
- Up to $1,000 to cover costs of a disciplinary hearing
- Suspension or revocation of liquor license

DUI Notification Program

The Downers Grove Police Department will notify an establishment in the event an individual arrested for a DUI names their establishment where they have been drinking prior to the arrest. Any establishment receiving multiple notifications is subject to a license renewal hearing where policies will be reviewed.

TIPS FOR EMPLOYEES:

Alcohol Awareness
Serving alcohol is a privilege that is granted by local authorities. This privilege carries with it a duty for us to operate in a responsible manner and involves public safety and considerable liability to the company as well as our employees. It is our **policy** to deal with situations that arise from serving alcohol. If there is any doubt as to the age of a guest, ask them for proof of age. Be polite, but remember; you as well as the store, can be held liable if a minor is served. Remember, these policies are designed for our guests' safety. They must be applied impartially. Alcohol awareness is a serious subject; and you, the Server, are the most important element of the Program.

Take Action
If you feel that a guest is intoxicated, you should cease serving the guest drinks immediately and informs your Manager. If the guest persists in ordering alcoholic beverages, acknowledge the drink request, but ask the Manager to explain to your guest that the drink must be declined.

Watch For These Signs
Be aware of the condition of your guests at all times. Any guest who has consumed more than three drinks could soon be approaching intoxication. An intoxicated person will usually display recognizable behavioral characteristics. Alert Manager at the first sign of any of these:

- Slurred speech, thick-tongued
- Eyes become glassy, unable to focus.
- Unusual change in the color of facial skin, going pale or flushed.
- Loss of physical motor skills; staggers or stumbles when walking, spills drinks or food.
- Abusive language; questioning the Server's performance; profanity, bragging.
- Obvious changes in behavior; more or less talkative; loud voice.
- Exaggerated emotional outbursts; crying or loud laughing.
- Unable to respond coherently when addressed or questioned.
- Unreasonable and exaggerated responses.
- Blank, staring facial expression.
- Obvious impairment of judgment.
- Annoying other guests.

Offer Alternatives

- If possible, invite the guest to stay and eat something.
- Let the guest know that he or she is welcome to stay and finish their meal.
- Offer complimentary food. Check with the Manager.
- Arrange for a taxi if the guest is driving: The phone number is posted in the bar.
- Strongly discourage the guest from driving; if he or she ignores your suggestions and insists upon driving, call the Manager.

Be Prepared

You will be dealing with a person who is to some degree "out of control". The psychological message we give the guest is that we are in control of this situation. The guest will probably be offended and become argumentative. Do not attempt to "reason" with the guest. If you know that guest is belligerent or physically threatening, approach the guest with another employee (preferably a Manager).

If the guest continues to be a problem, inform the Manager. Never attempt to physically detain a guest on the premises.

NOTE: A person with a physical or mental disability may seem to have the same outward appearance as a guest who has had too much to drink. Your sensitivity is extremely important in all situations.

Violation Policies:

Any employee that knowingly violates the Foxtail and/or The State of Illinois liquor policies shall be terminated and reported to the proper authorities.

LIQUOR INFORMATION:

Blood alcohol content (BAC), or blood alcohol concentration, is the concentration of alcohol in a person's blood. Bac can be mathematically estimated or measured with a blood, breath, or urine test. A blood alcohol level of 0.01 is considered low, while 0.4 and higher is toxic and potentially deadly.

When a person consumes alcohol it is absorbed into the bloodstream. Then the liver breaks down (metabolizes) the alcohol. Alcohol is metabolized more slowly than it is absorbed. Because it takes longer for alcohol to metabolize, consumption must be controlled in order to prevent alcohol from accumulating in the body and causing intoxication.

BAC is used to determine and individual's intoxication level, and it provides an estimate of his/her level of impairment. When individuals consume alcohol, their judgment, coordination, concentration, alertness, speech, and ability to feel sensations become impaired. The more an individual drinks, the more impaired these functions become.

Even though the degree of impairment varies among people with the same BAC, it is considered a reliable way to determine if it is safe for someone to drive or operate heavy machinery, including motor vehicles, boats, and aircrafts after drinking.

It is illegal for individuals to drive with BAC levels of 0.08 and higher in the United States. States may have stricter laws for individuals younger than 21 years old. Some states have zero tolerance laws for this age group that allow underage people to be convicted of driving under the influence with virtually any amount of alcohol in the bloodstream.

The amount of alcohol varies in different types of alcoholic drinks. In general, a 12-ounce beer, a five-ounce glass of wine, and 1.5-ounce shot of hard liquor are considered equivalent.

Counting the number of drinks consumed is not an accurate way to measure intoxication because individuals have different alcohol tolerances. An individual's tolerance to alcohol is dependent on many factors, including weight, age, gender, body fat percentage, genetics, synergistic effects of drugs, amount of food in the stomach, and how frequently the person drinks.

The length of time that elapses between drinks is also an important factor. The quicker an individual drinks alcoholic beverages, the more intoxicated he/she is going to become. This is because the body needs time to metabolize the alcohol. It is generally accepted that consuming two standard alcoholic beverages increases the average person's by about 0.05% in about one hour. Limiting alcohol intake to one drink per hour after the first two drinks are consumed will keep the BAC near 0.05%.

Individuals should not consume any alcoholic beverages before driving or operating heavy machinery

Foxtail's Service Program:

The service program at Foxtail is in place to control the way our customers consume their alcohol. At no time is a customer permitted to serve his or herself alcoholic beverages.

Bar Station:

The Bar holds all the alcohol intended for consumption in the store. The bar counter will feature a service well to serve fresh beer, bottled micro brews, liquor and a selection of white and red wine featured on our menu. The employee at the service well will pour drinks for servers and customers that are sitting in our restaurant or on our patio. **AT NO TIME WILL CUSTOMERS BE PERMITTED TO SERVE THEMSELVES ALCOHOL!**

SERVER POLICIES:

All servers must be at least 19 years of age (legal serving age) and have signed the form provided agreeing that they have read and understand the Foxtail's liquor manual. Servers are to ring up their guest's beverage order, the employee at the barista counter receives the order and pours the alcoholic beverage, and the server then brings the beverage to the customer. **ANY EMPLOYEE THAT POURS AN ALCOHOLIC BEVERAGE MUST BE OVER 21 YEARS OF AGE.**

WINE DINNERS:

Foxtail plans on doing seasonal wine dinners and selling wine at a reasonable retail price for our guests. All guests attending dinner can pre purchase wine from a list of available from the supplier at this occasion. They will fill out the form, and hand you their credit card, at which time we will run for the full amount. The customer will then be made aware when the wine is available for pickup, likely within the week. An R-3 off premise license will be needed.
