UPDATE & RECOMMENDATION

As requested by the Village Council, staff will continually monitor the performance of the Village’s Home Rule Sales Tax and provide regular reports to the Village Council pertaining to this item in 2010. Additionally, staff will monitor the effects of the modifications to the Taxi Subsidy Program and report back to Council on this item in 2010.

Staff recommends approval on the December 15, 2009 active agenda.

BACKGROUND

The Village Council adopted the FY10 Municipal Budget on December 1, 2009. The adopted FY10 budget calls for multiple substantive changes to the Village’s business model in an effort to address the issues of declining revenues and increasing operational and capital expenses. Several of the changes associated with the FY10 budget require official Village Council action prior to implementation. The FY10 Municipal Budget implementation items requiring formal Village Council action prior to implementation are outlined in the sections below:

- *Home Rule Sales Tax Rate Increase* – The LRF 2010 action plan calls for \$1 million of revenue enhancements from revenue sources other than the real estate tax levy. Several options for revenue enhancements were presented and discussed during the financial planning process. The FY10 budget includes a quarter cent increase to the Home Rule sales tax. The increase would go into effect on July 1, 2010. Based on the current retail sales activity within the Village, the quarter cent increase is expected to generate \$1 million revenue. All of the revenue would be used to fund core police, fire and emergency services. The Village currently has a Home Rule sales tax at a rate of .75% or three quarters of cent. The quarter-cent increase will bring the rate to 1.0%.
- *Suspension of the Community Grants Program* – The Village currently operates a Community Grants Program. Per Village Code, the program is funded by a portion of the hotel tax revenues. Specifically, the program is funded at a rate of 8% of the previous year’s hotel tax revenues or \$48,000, whichever is greater. This program was classified as a secondary Village service during the long range financial planning process. The adopted FY10 budget calls for the suspension of the program and would reduce General Fund expenses by \$72,000 (8% of the estimated hotel tax revenue for FY09). Chapter 2 of the Municipal Code would be amended to state that the amount of funds for the program shall be established on an annual basis through the normal budgeting process.
- *Modification of the Taxi Subsidy Program* - The Village Taxi Subsidy Program was classified in the Long Range Financial Planning Process as a secondary Village service. The adopted FY10 budget includes a reduction of the expenses of this program by \$50,000. In 2009, the Village estimates spending \$150,000 on subsidizing taxi rides. The FY 2010 Budget includes \$100,000 for the Village share of the subsidy. To accomplish this reduction, staff proposes implementing the following changes to the Taxi Subsidy Program:
 - Change the subsidy rate from its current 70% subsidy to a 50% subsidy. A coupon will be valued at \$1.00 and cost the participant \$0.50 (50% subsidy)
 - Limit purchases to a maximum of 60 coupons (\$60) per month. Currently the purchase limit is 100.
