SYNOPSIS
An ordinance has been prepared proposing the establishment of Special Service Area #8 for the Nelson Meadow Subdivision.

RECOMMENDATION
Approval on the November 18, 2014 active agenda.

BACKGROUND
The Village is proposing establishment of Special Service Area (SSA) #8 for the Nelson Meadow Subdivision, which will serve as a safeguard in the event that the homeowners’ association cannot or does not maintain the subdivision’s common areas. The SSA will allow the Village to levy a special tax on the property owners for the maintenance of the common areas if the homeowners’ association defaults and the Village is required to step in to provide such maintenance. The Village would then assume responsibility for maintaining the common areas.

The Nelson Meadow Subdivision is located on the east side of Brookbank Road, north of Jefferson Avenue and west of Carpenter Street. The 11 lot subdivision was approved on February 20, 2006 and recorded on June 20, 2006. The subdivision consists of 10 single family residential lots with a stormwater management basin occupying Lot 8. The subdivision approval included the establishment of a homeowners’ association to maintain the stormwater management facilities (including but not limited to detention basin, inlet and outlet structures and linking storm sewers) and associated landscaping, retaining walls and grass areas.

As part of the homeowners association, an SSA is being created. The Village proposes a maximum annual rate not to exceed 3% of the property’s equalized Assessed Value (EAV) as a tax levy. The 3% rate would be sufficient to cover the costs of maintaining or reconstructing the improvements if it were necessary.

To establish the SSA the Village must first approve an ordinance proposing the establishment of the SSA. A public hearing must then be held at a Council meeting after notice is published in the paper and mailed to...
those properties which would be included in the SSA. There is then a 60 day objection period following the public hearing. If 51% of the property owners and electors residing within the boundaries of the proposed SSA file an objection, then the SSA cannot be created. If this threshold is not met, then the Village can approve an ordinance establishing the SSA. Staff is not anticipating an objection as the entire subdivision is owned by the developer, Downers Grove TPM Real Estate, LLC, and they are asking for the creation of the SSA.

BE IT ORDAINED by the Council of the Village of Downers Grove, DuPage County, Illinois, as follows:

Section 1. Authority to Establish Special Service Area.

Special Service Areas are established pursuant to Article VII, Section 6L of the Constitution of the State of Illinois in force July 1, 1971, which provides:

The General Assembly may not deny or limit the power of home rule units (1) to make local improvement by special assessment and to exercise this power jointly with other counties and municipalities, and other classes of units of local government having that power on the effective date of this Constitution, unless that power is subsequently denied by law to any such other local unit of government, or (2) to levy or impose additional taxes upon areas within their boundaries in the manner provided by law for the provision of special services to those areas and for the payment of debt incurred in order to provide those special services and are established pursuant to the provision of an Act to provide the manner of levying or imposing taxes for the provision of special services to areas within the boundaries of home rule units and non-home rule municipalities and counties pursuant to the Revenue Act of 1939.

Section 2. Findings. The Village Council finds:

A. It is in the public interest that the creation of the area hereinafter described as a special service area for the purposes set forth herein be considered.

B. That said area is compact and contiguous and constitutes the sole area to be benefitted from the maintenance and operation of said improvements.

C. That said area is zoned for residential purposes and will benefit specially from the municipal services to be provided and that the proposed municipal services are in addition to municipal services provided to the Village of Downers Grove as a whole and it is, therefore, in the best interest of the Village of Downers Grove that the levy of special taxes against said area for the services to be provided be considered.

That a public hearing be held on February 3, 2015 at 7:00 p.m. in the Council Chambers of the Civic Center, 801 Burlington Avenue, Downers Grove, Illinois, to consider the creation of Special Service Area Number 8 of the Village of Downers Grove, in the territory described in the Notice set forth in Section 4 hereof. At the hearing, there will be considered the levy of an annual tax not to exceed an annual rate of three percent (3%) of the assessed value, as equalized, of the property in the Special Service Area. Said taxes shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Revenue Act of 1939. Notwithstanding the foregoing, taxes shall not be levied hereunder and said area shall be “dormant”, and shall take effect only if the applicable required owners association or property owner fails to maintain, repair or replace part or all of the “Common Area” and stormwater management facilities and associated landscaping, retaining walls and grass areas, as hereinafter identified, and the Village chooses to assume some or all of said responsibilities. The Village may annually levy hereunder up to the maximum rate specified herein for the cost of said services, as said services become necessary and are provided for.

Section 4. Notice of Hearing.

Notice of hearing shall be published at least once not less than fifteen (15) days prior to the public hearing in one or more newspapers in general circulation in the Village of Downers Grove. In addition, notice by mailing shall be given by depositing said notice in the U.S. Mail addressed to the person or persons in whose name the general taxes for the preceding year were paid on each lot, block, tract, or parcel of land lying within the proposed Special Service Area. Said notices shall be mailed not less than ten (10) days prior to the time set for the public hearing. In the event the taxes for last preceding year were not paid, the Notice shall be sent to the person last listed on the tax rolls prior to that year as the owner of the property. The Notice shall be in substantially the following form:
