Village Council Meeting - The next Village Council meeting will be held on **February 3 at 7:00 p.m. in the Council Chambers** at Village Hall.

Future Calendar Reminders...

Village Council Meeting - The Village Council meeting will be held on **February 10 at 7:00 p.m. in the Council Chambers** at Village Hall.

Construction Updates-

Clyde Country Estates Roadway Reconstruction and Drainage Improvements - Staff is working with the design consultants to make the modifications outlined in last week's Manager's Report. It is anticipated that the plans will be completed in mid to late February. A third neighborhood meeting will be scheduled to update the residents and provide them with an opportunity to view the final plans prior to the advertisement for bids. It is anticipated that this work will be advertised for bid in March.

Orchard Brook East Roadway Reconstruction - The Orchard Brook East Roadway Reconstruction project was advertised for bid this week. This project includes the replacement of curbs and asphalt pavement, sidewalk repair, and some drainage improvements within the right-of-way, to help drain the pavement and extend its useful life. The roads affected by this project are Barneswood Drive, Creekwood Court, Quince Court, and Barberry Court. Work is expected to start in late March or early April, and should be completed in July.

Sidewalk Rehabilitation - The sidewalk rehabilitation project was advertised for bid this week. This project includes the saw-cutting of trip hazards that are about 1" in height or less, and are located in otherwise acceptable squares of sidewalk that do not warrant removal and replacement. This work is expected to occur in March and April.
