**BACKGROUND**

Staff has received a request from Family Fun Zone (2011 63<sup>rd</sup> Street), to amend the Liquor Control Ordinance by increasing the number of licenses for the on-premise consumption of beer and wine at a recreational facility. Recreational facilities are defined as:

*"a place kept, used, maintained, advertised or held out to the public as a place in which the public may participate in activities, including but not limited to bowling, gaming, billiards, and indoor simulated golf, as defined herein. Such establishment shall include an area where food is prepared on the premises and food service shall be available during operation. It shall be unlawful for any licensee holding a license for a recreational facility to sell or offer for sale at retail, any alcoholic liquor on such premises at any time when the regular and complete business of the recreational facility is not staffed, in actual operation, and open to the public for business, except that such sales may be made during a one (1) hour period immediately following the close of regular recreational facility operations in such premises. Bar/lounge seating shall be no more than twenty percent (20%) of the total seating provided for patrons of the establishment".*

Food service is a requirement for this license class. Section 3-15 of the Liquor Code limits the number of beer and wine recreational facility license to one (1) - which is currently held by Legends Indoor Golf.

The attached ordinance increases the number of beer and wine recreational facility licenses from one (1) to two (2). Once the increase in available licenses is adopted, Family Fun Zone will then need to present application to the Liquor Commission and be found qualified for the license.
