

VILLAGE OF DOWNERS GROVE
Report for the Village
9/17/2019

SUBJECT:	SUBMITTED BY:
Other Post-Employment Benefits (OPEB) Trust	Judy Buttny Finance Director

SYNOPSIS

Resolutions have been prepared to authorize the creation of an OPEB Trust and to adopt an OPEB Investment Policy and an OPEB Funding Policy.

STRATEGIC PLAN ALIGNMENT

The goals for 2017-2019 include *Steward of Financial, Environmental and Neighborhood Sustainability*.

FISCAL IMPACT

The FY19 Budget provides \$20,000 in the Health Fund related to creation of the OPEB Trust. Actual expenses were \$5,025. The FY20 will budget \$5,000 for annual trustee fees for U.S. Bank.

RECOMMENDATION

Approval on the October 1, 2019 consent agenda.

BACKGROUND

All municipalities in Illinois are required to provide retired employees access to the employee health benefit program. The required provision of health benefits is known as Other Post-Employment Benefits (OPEB). While retirees pay health benefit premiums to help cover the cost of the benefits, the cost to the Village of providing the health benefits to retirees exceeds the amount paid to the Village in premiums. This difference creates a liability for the Village. The unfunded liability for OPEB is the actuarially calculated difference between the amount paid to the Village by retirees and the amount the Village will have to pay to provide their health benefits. The Government Accounting Standards Board (GASB) requires municipalities to calculate financial liability of OPEB. The unfunded liability appeared in the Village's financial statements beginning in 2018.

Failure to create a plan to fund the OPEB liability will likely negatively impact the Village's bond rating, which would increase the cost of issuing bonds for capital improvement projects. The Village's OPEB unfunded liability is \$10.5 million.

The Village has been aware of the OPEB unfunded liability issue for several years and has been taking actions to reduce the liability. In 2012, the Village reduced the OPEB unfunded liability by \$7.2 million by using a fully insured Medicare Supplement plan to provide health benefits to retirees 65 years of age and older. As part of the FY18 Budget, the Village created an OPEB Fund and placed \$300,000 in the fund. The 2017-2019

Long Range Plan identified OPEB Unfunded Liability as a key issue. The LRP recommends a strategy of establishing an OPEB trust to fund current and future liabilities similar to a pension fund. The LRP includes Develop a Plan to Address OPEB Unfunded Liability as a Priority Action Item. Specific actions for this Priority Action Item are to draft and approve a Trust Document, Funding Policy and Investment Policy.

Trust Document

The OPEB Trust is the mechanism through which assets are accumulated and retiree benefits are funded. It ensures that:

- the employer contributions to the trust are irrevocable
- trust assets are dedicated to providing benefits to Village retirees in accordance with the terms of the trust
- trust assets are legally protected from creditors.

In addition, the Trust has broader investment powers which will enable the trust to attain a higher investment return.

Staff is proposing that the Village establish an irrevocable trust with a Section 115 Trust Agreement with U.S. Bank serving as trustee for the OPEB assets. Annual fees for this service will be \$5,000. U.S. Bank will have custody of the OPEB assets, and execute investments upon direction from Village staff.

Funding Policy

The purpose of the policy is to state the funding goals and actuarial assumptions to be used for the OPEB Trust. Similar to the pension funding policy, this policy should state the amount to be contributed each year to the OPEB Trust. Staff worked with the Village's actuary, Lauterbach & Amen, to prepare the policy. The current approach recommended by staff is to use a phase-in strategy with a fixed amount invested for the first few years, with funding the Actuarially Determined Contribution as the long term goal. The initial contributions will be \$300,000 per year.

Investment Policy

The purpose of the investment policy is to provide a clear understanding of the objectives, goals, risk tolerance, and investment guidelines established for the OPEB Trust. The Investment policy covers permitted investments, targets and ranges for asset allocation. The Village worked with PFM Asset Management LLC to develop an investment strategy and policy. The investment policy proposes an asset allocation of 60/40 Equity/Fixed Income and also defines an asset allocation range with a 20% corridor on each side of the target to account for market shifts. When the allocations breach the specified ranges, the portfolio will be rebalanced. Staff will report investment performance on a quarterly basis to Village Council.

Absent such a direction, the Bank will report the most recent price that the Bank received from the Asset's broker, fund accountant, general partner, issuer, manager, transfer agent, or other service provider (commonly known as a pass-through price).

8.4.2.1. To the extent the price of an Asset is so reported, the Customer hereby represents and warrants as follows: (i) The Customer received, read, and understood any governing documents (such as a limited liability company agreement, limited partnership agreement, trust agreement, or declaration of trust), offering documents (such as a fact sheet, offering circular, offering memorandum, private placement memorandum, prospectus, or summary description), and subscription documents (such as an adoption agreement or subscription agreement) for the Asset; understands the Asset's eligibility requirements, fees and expenses, transfer and withdrawal limitations, type, category, issuer, objectives, principal strategies and risks, current underlying investments, and the identity of the Asset's administrator, investment advisor, auditor, and other service providers (and any affiliations among them) and the services they provide, respectively, to the Asset and the compensation they receive therefor. (ii) Such price reflects such documents, investment-related information, service-provider information, and fee-and-expense information.

8.4.2.2. To the extent an Asset is (i) an Employer Security the price of which is not readily determinable on an established market or (ii) real estate, the Customer hereby covenants as follows: The Customer will obtain a written valuation of such property from an independent third-party appraiser whenever required by applicable law and, regardless of whether required by applicable law, at least annually. Each appraiser will be independent of all parties other than the Plan and will have the facilities and expertise to do the valuation. Each valuation will state the appraiser's qualifications, the property's value (and the methods used to determine it), a description of the property, the factors considered in making the valuation, the purpose of the valuation, the significance of the valuation methods, the effective date of the valuation, the economic and industry outlook, the property's book value, and the property's marketability. If the property is an Employer Security, each valuation will also state the issuer's nature, history, and financial condition, as well as the actively-traded market-price of similar issuers' securities. Before relying on the valuation, the Customer will read and understand the valuation, verify the accuracy of the underlying information, make sure the appraiser's assumptions and methods are reasonable, discuss the appraisal with the appraiser, determine that reliance on the appraiser's advice is reasonably justified, and determine that the Customer need not hire a second independent third-party appraiser to review the valuation or to prepare another valuation.

8.4.3. **Limitations.** The Customer hereby acknowledges that the Bank is performing a routine, ministerial, non-discretionary price-reporting function; that the reported price might be neither fair market value nor fair value (under Accounting Standards or applicable law); and that the reported price is not a substitute for (i) investigating the Asset's value in connection with a decision to acquire, hold, dispose of, or exchange any securities or other investment property; (ii) obtaining and ensuring the reliability of an independent third-party appraisal with respect to such a decision; or (iii) obtaining Investment Advice.

8.4.4. **Pricing Sources; Methodology.** Upon the Customer's request, the Bank will provide the Customer (or the certified public accountant engaged by the Plan Administrator to opine on the Plan's financial statements) with information about the Bank's pricing sources and methodologies.

8.5. **Statement Review.** The Plan Administrator will review the Account statements promptly upon delivery.

SECTION 9 LIMITATIONS ON DUTIES; INDEMNIFICATION

9.1. **Limitations on Duties.** The duties of the Bank will be strictly limited to those set forth in this Agreement, and no implied covenants, duties, responsibilities, representations, warranties, or obligations will be read into this Agreement against the Bank. Without limiting the generality of the foregoing, the Bank has no duty to:

9.1.1. Request or obtain a ruling or other guidance from the IRS or any other governmental authority as to (or otherwise determine, monitor, or question) the tax character or consequences of the form and operation of the Account, provided that the Plan Administrator may direct the Bank to sign a request for such guidance where the Plan trustee's signature is required by law (such as certain applications for recognition of exemption from income tax).

9.1.2. Act as the administrator of the Plan, including, but not limited to, construing the terms of the Plan; determining eligibility for Plan benefits (including, but not limited to, eligibility for participation, vesting, or distribution, as well as the timing, amount, or form thereof); resolving benefit claims or claim appeals; prescribing forms (including, but not limited to, forms for electing participation, distribution, or withdrawal or for providing notices to Participants or Beneficiaries); establishing, maintaining, or reconciling to any individual accounts; selecting or monitoring any forfeiture funds or any investment alternatives (including default investment alternatives) into which Participants or Beneficiaries may direct the investment of assets held in, or contributed to, their individual accounts; disclosing any plan-related, investment-related, or fee-and-expense information required to be disclosed to Participants or Beneficiaries; or receiving investment, distribution, or other directions from Participants or Beneficiaries.

9.1.3. Act as trustee of any Plan assets other than the Assets.

9.1.4. Act as investment manager of, or take notice of the management of, any Plan assets other than Assets that are subject to the Bank's discretion to manage (if any).

9.1.5. Provide Investment Advice.

9.1.6. Act as record-keeper or broker that makes the Plan's designated investment alternatives available to Participants or Beneficiaries (such as on a record-keeping platform or similar mechanism).

9.1.7. Determine, monitor, or collect Plan contributions; rather, the Bank will be subject to the Plan Administrator's direction regarding such matters; or monitor compliance with any applicable funding requirements.

9.1.8. Inspect, review, or examine any Client-controlled Asset or governing, offering, subscription, or similar document with respect thereto, to determine whether the asset or document is authentic, genuine, enforceable, properly signed, appropriate for the represented purpose, is what it purports to be on its face, or for any other purpose, or to execute such document, or to take physical possession of such asset or document.

9.1.9. (i) Collect any income, principal, or other distribution due and payable on an Asset if the Asset is in default or if payment is refused after due demand or (ii) except as expressly provided herein, to notify the Customer in the event of such default or refusal.

9.1.10. Provide notice of, or forward, mini-tenders (which are tender offers for less than 5% of an outstanding equity or debt issue) for any equity issue or, if any of the following is true, for any debt issue: The debt issue is not registered with the SEC. The debt issue has a "first received, first buy" basis with no withdrawal privilege and includes a guarantee of delivery clause. Or, the tender offer includes the statement that "the purchase price includes all accrued interest on the note and has been determined in the sole discretion of the buyer and may be more than or less than the fair market value of the notes" or similar language.

9.1.11. Question whether any direction received under this Agreement is prudent or consistent with the terms of the Plan; to solicit or confirm directions; or to question whether any direction received under this Agreement by email or Messaging System, or entered into the Customer's or Plan Administrator's account in the Bank's on-line portal, is unreliable or has been compromised, such as by identity-theft.

9.1.12. Calculate, withhold, prepare, sign, disclose, file, report, remit, or furnish to any taxing authority or any taxpayer any federal, state, or local taxes, tax returns, or information returns that may be required to be calculated, withheld, prepared, signed, disclosed, filed, reported, remitted, or furnished with respect to the Plan (such as paying Plan benefits) or Account, except to the extent such duties are required by law to be performed only by the Bank in its capacity as trustee under this Agreement or are expressly set forth herein.

9.1.13. Monitor service providers hired by the Customer or by the Plan Administrator.

9.1.14. Maintain or defend any legal proceeding in the absence of indemnification, to the Bank's satisfaction, against all expenses and liabilities which it may sustain by reason thereof.

9.1.15. Advance funds or securities or otherwise expend or risk its own funds or incur its own liability in the exercise of its powers or rights or performance of its duties under this Agreement.

9.1.16. Escheat any Asset, whether in connection with a benefit-distribution check issued

by the Bank under this Agreement or in any other circumstance, except to the extent the Plan Administrator directs the Bank to the contrary.

9.1.17. Question the extent to which Assets offset Plan liabilities on the Customer's books, records, and financial statements.

9.2. **Indemnification.**

9.2.1. The Customer hereby indemnifies and releases each Indemnified Person, and holds each Indemnified Person harmless from and against, and an Indemnified Person will incur no liability to any person for, any Harm that may be imposed on, incurred by, or asserted against an Indemnified Person by reason of the Customer's or its agent's action or omission in connection with this Agreement or the Account.

9.2.2. The foregoing provisions will survive the termination of this Agreement.

9.3. **Force Majeure.** No party is liable for any delay or failure in performing its obligations under this Agreement caused by wars (whether declared or not and including existing wars), revolutions, insurrections, riots, civil commotion, acts of God, accidents, fires, explosions; stoppages of labor, strikes, or other differences with employees (other than the Bank's disputes with its employees); laws, regulations, orders, or other acts of any governmental authority; or any other circumstances beyond its reasonable control. Nor will any such failure or delay give any party the right to terminate this Agreement.

9.4. **Damages.** No party is liable for any indirect, incidental, special, punitive, or consequential damages arising out of or in any way related to this Agreement or the performance of its obligations under this Agreement. This limitation applies even if the party has been advised of, or is aware of, the possibility of such damages.

9.5. **Statements.** The Bank is not liable with respect to the propriety of the Bank's actions or omissions reflected in a statement provided under this Agreement, except to the extent (i) a Statement Recipient objects to the Bank within ninety (90) calendar days after delivery of such statement or (ii) such acts or omissions could not be discovered through reasonable examination of such statement.

SECTION 10 FEES AND EXPENSES

10.1. **Fees.** The Bank is entitled to receive compensation for providing services under this Agreement. A schedule of that compensation is attached as **Exhibit B (Fee Schedule)** hereto.

10.2. **Expenses.** Reasonable expenses, fees, costs, and other charges incurred by the Bank in providing services under this Agreement (including, but not limited to, compensation, expenses, fees, costs, and other charges payable to service providers hired under this Agreement) are

expenses of the Account, and the same will not be offset from the Bank's compensation unless required by applicable law.

10.3. **Outstanding Fees and Expenses.** To the extent of any outstanding compensation, expenses, fees, costs, or other charges incurred by the Bank in providing services under this Agreement, the Customer hereby grants the Bank a first-priority lien and security interest in, and right of set-off against, the Assets. The Bank may execute that lien and security interest, and exercise that right, at any time.

10.4. **Advance of Funds or Securities.** To the extent of any advance of funds or securities under this Agreement, the Customer hereby grants the Bank a first-priority lien and security interest in, and right of set-off against, the Assets. The Bank may execute that lien and security interest, and exercise that right, at any time. Furthermore, nothing in this Agreement constitutes a waiver of any of the Bank's rights as a securities intermediary under Uniform Commercial Code §9-206.

SECTION 11 TERMINATION

11.1. **Termination of Agreement.** This Agreement terminates upon the effective date of the Bank's resignation or removal under this Agreement.

11.2. **Resignation; Removal.**

11.2.1. The Bank may resign under this Agreement by notice to the Customer. The Customer may remove the Bank under this Agreement by notice to the Bank. The resignation or removal will be effective thirty (30) calendar days after delivery of the notice, except to the extent the parties agree in writing to a different effective date. By such effective date, the Customer will appoint a new trustee and provide the Bank with the new trustee's signed, written acknowledgment of trusteeship. If the Customer fails to do so, the Bank will have the right to petition a court at Account expense for appointment of a new trustee.

11.2.2. Upon receiving such acknowledgment or notice of such court-appointment, the Bank will transfer Assets to the new trustee as directed by the Customer or by the court, as the case may be. However, the Bank will not be required to transfer any Assets until the Bank has received payment or reimbursement for all (i) compensation, expenses, fees, costs, or other charges incurred by the Bank in providing services under this Agreement and (ii) funds or securities advanced under this Agreement.

11.3. **Reversion.** Upon Plan termination, the Plan Administrator may direct the Bank to return Assets to the Customer, provided (i) Assets were sufficient to satisfy all Plan benefits; (ii) Assets were first distributed to satisfy all such benefits; and (iii) such return is consistent with Code Section 115. The Customer hereby represents and warrants that the Plan Administrator will not give such a direction unless all applicable conditions under law for reversion have already been satisfied.

SECTION 12 MISCELLANEOUS

12.1. **Services Not Exclusive.** The Bank is free to render services to others, whether similar to those services rendered under this Agreement or of a different nature.

12.2. **Binding Obligations.** The Customer and the Bank each hereby represent and warrant that (i) it has the power and authority to transact the business in which it is engaged and to execute, deliver, and perform this Agreement and has taken all action necessary to execute, deliver, and perform this Agreement and (ii) this Agreement constitutes its legal, valid, and binding obligation enforceable according to the terms hereof.

12.3. **Complete Agreement; Amendment; Prevalence.**

12.3.1. **Complete Agreement.** This Agreement contains a complete statement of all the arrangements between the parties with respect to its subject matter and supersedes any existing agreements between them concerning the subject.

12.3.2. **Amendment.** This Agreement may be amended at any time, in whole or in part, by a written instrument signed by the Customer and the Bank. Notwithstanding the foregoing, the terms of **Exhibit B (Fee Schedule for Plans)** hereto alone govern amendments thereto.

12.3.3. **Prevalence of This Agreement.** The Customer hereby represents and warrants that the Plan document, as amended from time to time, is (i) not relevant to the powers, rights, and duties of the Bank under this Agreement and (ii) not inconsistent with this Agreement (including, but not limited to, with regard to the identity of any fiduciary). In the event of such an inconsistency, this Agreement prevails with respect to the powers, rights, and duties of the Bank.

12.4. **Governing Law; Venue.** This Agreement will be governed, enforced, and interpreted according to the laws of the State without regard to conflicts of laws, except where pre-empted by federal law. All legal actions or other proceedings directly or indirectly relating to this Agreement will be brought in federal court (or, if unavailable, state court) sitting in the State.

12.5. **Successors and Assigns.**

12.5.1. This Agreement binds, and inures to the benefit of, the Customer, the Bank, and their respective successors and assigns.

12.5.2. No party may assign any of its rights under this Agreement without the consent of each other party, which consent will not be unreasonably withheld. The Customer hereby acknowledges that the Bank will withhold consent unless and until the Bank verifies an assignee's identity according to the Bank's Customer Identification Program and, to that end, the Customer hereby agrees to notify the Bank of such assignment and provide the Bank with the

assignee's name, physical address, EIN, organizational documents, certificate of good standing, and license to do business, as well as other information that the Bank may request. No consent is required if a party merges with, consolidates with, or sells substantially all of its assets to another entity, provided that such other entity assumes without delay, qualification, or limitation all obligations of that party under this Agreement by operation of law or by contract.

12.6. **Severability.** The provisions of this Agreement are severable. The invalidity of a provision herein will not affect the validity of any other provision.

12.7. **No Vested Benefits.** Neither the creation nor the operation of the Account causes the vesting of any Participant's or Beneficiary's right to Plan benefits.

12.8. **Solvency.** The Customer hereby represents and warrants that the Customer is neither insolvent nor subject to any pending bankruptcy proceeding. The Customer will promptly notify the Bank of any such insolvency or proceeding.

12.9. **Tax-Lot Selection-Method.** The Customer hereby directs the Bank to use the following tax-lot selection-method for the Account, except to the extent the Customer directs the Bank to the contrary: Average Federal Tax Cost (in which shares are sold across all tax lots using the average cost) and, to the extent such method is not permitted for Account investments, First In First Out (in which shares are sold from tax lots having the earliest federal tax acquisition date).

12.10. **Shareholder Communications Act Election.** Under the Shareholder Communications Act of 1985, as amended, the Bank must try to permit direct communications between a company that issues a security held in the Account (the "Securities-Issuer") and any person who has or shares the power to vote, or the power to direct the voting of, that security (the "Voter"). Unless the Voter registers its objection with the Bank, the Bank must disclose the Voter's name, address, and securities positions held in the Account to the Securities-Issuer upon the Securities-Issuer's request ("Disclosure"). To the extent that the Customer is the Voter, the Customer hereby (i) acknowledges that failing to check one and only one box below will cause the Customer to be deemed to have consented to Disclosure and (ii) registers its (*check only one*):

- Consent to Disclosure.
- Objection to Disclosure.

12.11. **Authorized Persons.** With respect to this Agreement:

12.11.1. The Customer will notify the Bank of the identity of each (i) employee of the Customer who is authorized to act on the Customer's behalf, (ii) third-party agent that is authorized to act on the Customer's behalf, and (iii) employee of each third-party agent who is authorized to act on such agent's behalf. In no event is any such agent authorized to execute this Agreement or any amendment thereto or to terminate this Agreement.

12.11.2. If the Plan Administrator is the Customer, then any such employee or agent has the same authority with respect to the Plan Administrator as such employee or agent has with respect to the Customer. If the Plan Administrator is not the Customer, then the

Customer will notify the Bank of the identity of each (i) employee of the Customer who is authorized to act on the Plan Administrator's behalf, (ii) third-party agent that is authorized to act on the Plan Administrator's behalf, and (iii) employee of each third-party agent who is authorized to act on such agent's behalf. In no event is any such agent authorized to execute this Agreement or any amendment thereto or to terminate this Agreement.

12.11.3. The Bank may assume that any such employee or agent continues to be so authorized, until the Bank receives notice to the contrary from the Customer (or, with respect to any such employee of any such agent, from such agent).

12.11.4. The Customer hereby represents and warrants that any such employee or agent was duly appointed pursuant to a procedure specified in the Plan and is appropriately monitored and covenants that the Customer (or the Plan Administrator, as the case may be) will furnish such employee or agent with a copy of this Agreement, as amended from time to time, and with a copy of any communications given under this Agreement to the Customer (or to the Plan Administrator, as the case may be). The Customer hereby acknowledges that (i) such employee's or agent's actions or omissions are binding upon the Customer (or upon the Plan Administrator, as the case may be) as if the Customer (or the Plan Administrator, as the case may be) had taken such actions or made such omissions itself and (ii) the Bank is indemnified, released, and held harmless accordingly.

12.12. **Delivery of Directions.**

12.12.1. Any direction, notice, or other communication provided for in this Agreement will be given in writing and (i) unless the recipient has timely delivered a superseding address under this Agreement, addressed as provided under this Agreement, (ii) entered into the Customer's or Plan Administrator's account, as the case may be, in the Bank's on-line portal, or (iii) sent to the Bank by Messaging System.

12.12.2. Any direction received under this Agreement by email or Messaging System, or entered into the Customer's or Plan Administrator's account in the Bank's on-line portal, is deemed to be given in a writing signed by the sender. The Customer hereby represents and warrants that the Customer and the Plan Administrator maintain commercially reasonable security measures for preventing unauthorized access to their respective portal accounts; to the email accounts of their employees, agents, and agents' employees; and to any Messaging System used by their employees, agents, and agents' employees, and the Customer hereby assumes all risk to the Account of such unauthorized access. The Customer hereby acknowledges that the Customer is fully informed of the protections and risks associated with the various methods of transmitting directions to the Bank and that there may be more secure methods of transmitting directions than the methods selected by the Customer, the Plan Administrator, and their agents.

12.13. Plan Expenses; Benefit-payment Account.

12.13.1. **Plan Expenses.** The Plan Administrator may direct the Bank from time to time to charge an expense, or type of expense, against the Account. The Customer hereby represents and warrants that any expense, or type of expense, so directed to be charged is a permissible Plan expense (and is not a settlor expense).

12.13.2. **Benefit-payment Account.** The Customer hereby covenants that (i) any direction under this Agreement to distribute Assets to or for the benefit of Participants and Beneficiaries through any benefit-payment account will comply with any applicable trust requirement and anti-inurement requirement; (ii) any such benefit-payment account will be registered in the name of the Account (with the Bank designated as trustee and with only Bank personnel designated as authorized signers), the Bank (with only Bank personnel designated as

authorized signers), or a Plan trustee other than the Bank (with no Bank personnel designated as authorized signers) or will be maintained by an insurance company qualified to do business in a state of the United States and regulated and supervised and subject to periodic examination by an agency of such state pursuant to an administrative services only (ASO) contract between such insurance company and the Customer (with no Bank personnel as authorized signers); and (iii) any such other trustee will be a bank or trust company that has been granted trust powers under state or federal law. If any such benefit-payment account is so registered in the name of another trustee, then the Customer hereby acknowledges that (x) the benefit-payment account is a Client-controlled Asset, (y) the Bank is not a co-trustee with the other trustee; no asset is held by the Bank and the other trustee; the Bank will not use reasonable care to prevent the other trustee from committing a breach; and the Bank is not liable with respect to the actions or omissions of the other trustee; and (z) the Customer alone has the duty to appoint and monitor the other trustee, and the Customer will indemnify, release, and hold harmless the Bank under this Agreement for the actions and omissions of the other trustee.

12.14. Co-fiduciary Responsibility. Except as may be required by applicable law, no fiduciary with respect to the Plan (i) is responsible for the actions or omissions under this Agreement of any other fiduciary with respect to the Plan or (ii) has a duty to question whether any other fiduciary with respect to the Plan is fulfilling its own responsibilities under this Agreement.

12.15. Spendthrift. Except as expressly permitted by the terms of the Plan and applicable law, (i) no Participant or Beneficiary has the power to assign or alienate a beneficial interest in the Account; (ii) neither the Bank, the Customer, nor the Plan Administrator will recognize an assignment or alienation of a beneficial interest in the Account; and (iii) no beneficial interest in the Account is subject to attachment, garnishment, execution following judgment, or other legal process.

12.16. Uncashed Benefit-Distribution Checks. To the extent the Bank holds cash Assets uninvested pending distribution to a Participant or Beneficiary in an interest-bearing or noninterest-bearing deposit account of the Bank on the void-after date imprinted on the underlying benefit-distribution check issued by the Bank under this Agreement, the Customer hereby directs the Bank to use such Assets promptly thereafter as provided in any sweep direction for the Account.

12.17. Legal Advice. The Customer hereby acknowledges that it (i) did not receive legal advice from the Bank concerning this Agreement, (ii) had an adequate opportunity to consult an attorney of its choice before executing this Agreement, and (iii) executed this Agreement upon its own judgment and, if sought, the advice of such attorney.

12.18. RESERVED.

12.19. Legal Action. If the Bank is served with a Legal Action, then the Bank will, to the extent permitted by law, use commercially reasonable efforts to notify the Customer of such service. The Customer will reimburse the Bank for any expenses, fees, costs, or other charges incurred by the Bank in responding to the Legal Action, including, but not limited to, any fees charged by an attorney of the Bank's choice. If the Customer notifies the Bank that the Customer is seeking a protective order to resist the Legal Action, then the Bank will provide

reasonable cooperation at the Customer's request and sole cost and expense. In any event, the Bank may comply with the Legal Action at any time, except to the extent the Bank has received a protective order that prevents the Bank from complying.

12.20. Representations and Warranties. The Customer hereby covenants that, if any of the representations or warranties that it provides in this Agreement becomes inaccurate or incomplete, it will promptly notify the Bank thereof and of any fact, omission, event, or change of circumstances related thereto.

12.21. Publicity. No party will disclose the existence of this Agreement or any terms thereof in advertising, promotional, or marketing materials without obtaining, in each case, the prior written consent of each other party.

12.22. Counterparts and Duplicates. This Agreement may be executed in any number of counterparts, each of which, without production of the others, will be deemed to be an original, but all of which together will constitute the same instrument. This Agreement, and any direction, notice, or other communication given under this Agreement, may be proved either by an executed original or by a reproduced copy thereof (including, but not limited to, an electronic file copy thereof).

12.23. Effective Date. This Agreement will become effective when all parties have signed it. The date of this Agreement will be the date this Agreement is signed by the last party to sign it (as indicated by the date associated with that party's signature).

IN WITNESS WHEREOF, an authorized officer of each party hereby executes this Agreement on the date stated beneath that party's signature.

Effective Date. This Exhibit will become effective when all parties have signed it. The date of this Exhibit will be the date this Exhibit is signed by the last party to sign it (as indicated by the date associated with that party's signature).

More than one plan may be listed in this **Exhibit A (Covered Plan)**. If more than one plan is listed, then:

1. The Customer hereby represents and warrants as follows:

1.1. All such plans are of the Plan Type.

1.2. The plan document governing each such plan provides that it is impossible at any time before the satisfaction of all liabilities to plan participants and beneficiaries for any part of the principal or income of the plan to be used for, or diverted to, purposes other than for providing benefits to the plan's participants and beneficiaries and defraying reasonable expenses of administering the plan.

1.3. Each such plan has adopted the Account as part of the plan with the consent of the Customer.

1.4. The sponsor of each such plan has appointed the Customer as its agent with sole power to exercise powers and fulfill duties under this Agreement otherwise allocable to the sponsor, including but not limited to directing the Bank, receiving disclosure with respect to the Account, authorizing fees paid with respect to the Account, and indemnifying an Indemnified Person.

1.5.

1.5.1. The Account is not an "*investment company*" under the Investment Company Act, because there is no expectation of financial return or profit on the part of Participants and Beneficiaries, their interests in the Account are thus not securities, and the Account is thus not an "*issuer*" within the meaning of Section 3(a)(22) thereof. Furthermore, interests in the Account are not subject to registration under the Securities Act, because they are not "*securities*" within the meaning of Section 2(a)(1) thereof (for the reasons stated above) and because they are neither bought nor sold.

1.5.2. The Account is excluded from "*investment company*" status under the Investment Company Act pursuant to Section 2(b) thereof, as "*an instrumentality of*" "*a State, or any political subdivision of a State, or any agency . . . [or] authority . . . of any . . . of the foregoing*". Any interest in the Account is an "*exempted security*" under the Securities Act pursuant to Section 3(a)(2) thereof, as "*any security issued . . . by any public instrumentality of one or more States*", so the Account is permitted to offer such an interest without filing a registration statement with the SEC.

2. All such plans participate in the Account, and the Account is a master trust.

3. The term "Plan" includes all such plans (individually or collectively, as the context requires).

4. The Bank will maintain a separate account to reflect the interest of each such plan, including separate accounting for the plan's contributions to the Account, disbursements made from the plan's account, and the investment experience of the Account allocable to the plan's account. No such plan may assign its interest in the Account. Nor may any part of the principal or income of the Account that equitably belongs to any such plan be used for, or diverted to, purposes other than for providing benefits to the plan's participants and beneficiaries and defraying reasonable expenses of administering the plan.

5. The Plan Administrator may direct the Bank to adopt an alternative “unit” method of accounting for deposits, transfers, withdrawals, and distributions which issues, transfers, redeems, and adjusts (for changes in value) “units” which will have a uniform value in the Account.
6. The Bank will have the power to commingle the assets of all such plans and to manage such assets as a single Account.
7. Amendments to this Agreement automatically pass-through to the Plan.

IN WITNESS WHEREOF, an authorized officer of each party hereby executes this Exhibit on the date stated beneath that party’s signature.
