Village Council Meeting - The following Village Council meeting will be held on **Tuesday, January 21 at 7:00 p.m. in the Council Chambers** at Village Hall.

Tree Pruning

The Village's parkway trees are pruned on a five year cycle to improve tree structure, enhance tree vigor, increase a tree's aesthetic appeal, and maintain safe conditions for all motorists and pedestrians as they move through the street corridor or visit Village properties. This work also reduces storm damage and costs when storms occur.

A map of the areas where parkway tree pruning is planned for 2020 is attached. This work is scheduled to begin the week of January 20, 2020 and signs will be posted in advance of the areas where work will occur. Information about the pruning program was mailed to over 3100 addresses where work is planned to occur in 2020. Information is also on the forestry section of the Village's website, including the pruning video.
