

VILLAGE OF DOWNERS GROVE
Report for the Village
6/9/2020

SUBJECT:	SUBMITTED BY:
Portable Barrier Rental for Outdoor Dining	Andy Sikich Director of Public Works

SYNOPSIS

A motion is requested to approve the rental of portable barriers from Traffic Control & Protection, Inc. of Bartlett, Illinois in an amount not to exceed \$40,975.

STRATEGIC PLAN ALIGNMENT

The goals for 2019-2021 include *Steward of Financial, Environmental and Neighborhood Sustainability, Exceptional Municipal Services* and *Strong, Diverse Local Economy*.

FISCAL IMPACT

The FY20 budget does not include funding for this item, but staff will pursue reimbursement opportunities through the state and federal governments for Covid-19 related expenses, if available.

RECOMMENDATION

Approval on the June 9, 2020 Consent Agenda.

BACKGROUND

On May 29, 2020 the State of Illinois entered Phase 3 of the “Restore Illinois” plan. This allows restaurants to serve food in outdoor dining areas. Many of the Village’s downtown restaurants do not have significant outdoor dining areas. The Village has allowed outdoor dining to occur within some of the on-street parking stalls adjacent to their establishments. To facilitate this, portable barriers have been rented. These barriers can be easily transported and placed, but become very heavy once filled with water. The barriers are used to separate the dining areas from adjacent traffic lanes.

Staff has authorized the rental of the barriers through June 20 for a cost of \$14,875. Since the earliest that the State could enter Phase 4 of the “Restore Illinois” plan, which would allow restaurants to serve indoors, would be June 26, staff is recommending extending the rental of these barriers through August 31, 2020, for a total not to exceed amount of \$40,975. The Village has the right to cancel this rental at any time, if it is determined that the barriers are no longer necessary.
