***Future Calendar Reminders...***

**Village Council Meeting** - The following Village Council meeting is on **Tuesday, August 4** at 7:00pm in the **Village Council Chambers**.

**Rain Barrel Sale**

The Village partnered with The Conservation Foundation again this year for a rain barrel sale. One hundred sixty one (161) rain barrels and two tumbling composters were ordered (along with pedestals and other accessories). The pick-up was Thursday, July 16 at Public Works. The number of rain barrels sold was nearly four times as many as last year! In addition to the rain barrel sale, The Conservation Foundation hosted a webinar on June 30th "Solutions for Water Problems: Rain Barrels, Rain Gardens and More." Unfortunately, the native plant sale, which usually accompanies the rain barrel sale, did not happen this year due to the shutdown. The Village will plan to have the native plant sale again next year.
