## 2022-Water Rate

- c. The charges for water furnished to any building or portion thereof used for multiple-family residence purposes or mixed business and residential uses (except buildings having separate meters for each dwelling unit or use therein) shall be the aggregate of the applicable charges for each dwelling unit or use in such building or portion thereof served through a single meter, computed as though each such dwelling unit or use:
1. Was a separate building connected to a separate water meter; and
  2. Consumed during such two-month billing period a quantity of water determined by dividing the total water consumption of such multiple-family or mixed use building by the number of dwelling units or uses contained in such building or portion thereof.
- d. During the month of January in each year, any purchaser of water from the Village for resale, in whole or in part, to consumers located outside the Village limits shall file with the Village Treasurer a sworn written statement setting forth the number of separate dwelling units served by such purchaser as of the date of such statement, including all separate single-family buildings and all separate dwelling units contained within buildings used for multiple-family residence purposes. The charges for water furnished to any such purchaser shall be two times the aggregate of the applicable charges for each such dwelling unit, computed as though each such dwelling unit:
1. Was a separate single-family building connected to a separate water meter; and
  2. Consumed during such two-month billing period a quantity of water determined by dividing the total water consumption of such purchaser by the number of dwelling units set forth in the latest sworn statement on file with the Village treasurer with respect to such purchaser.
- e. The charges for water furnished to contractors acquiring water from the hydrant connection at the Public Works Facility, 5101 Walnut, Downers Grove, shall be two hundred percent (200%) of the rate listed in subsection (a)(1)(i), above.
- f. The charges for water furnished to contractors taking water from public hydrants other than at the Public Works yard shall be two hundred percent (200%) of the rate listed in subsection (a)(1)(i), above.
