

rEmarks Data for January 18th, 2022 Village Council Meeting

Agenda Section: First Reading

Agenda Item: B. RES 2021-9268 A resolution granting a Historic Landmark Designation for 5834 Middaugh Avenue

Commenter: John Schofield, Downers Grove

Comment: "Dear Mayor and Council Members,

As a neighbor of the Mochel/Goodman home, I enthusiastically urge Village Council action to landmark.

We cannot all live in Victorian painted ladies. In fact most of the push to expand Downers Grove south following World War II consists of simpler homes. They are nonetheless an important part of Downers Grove's past, and very much worth landmarking and preserving. Dr. Goodman has done a remarkably valuable service to the community by documenting, not only his family's home but also the history of expansion.

For reference please reference the copy of the letter from Landmarks Illinois dated December 9, 2021 (from the approval packet) which recommends your approval."
