La Cuisine Catering - 1201C Butterfield

Chairman Strelau stated that the next order of business was an application hearing for La Cuisine Catering, Inc. d/b/a La Cuisine Catering located at 1201C Butterfield Road. She stated that the applicant was seeking a Class "K-1", full alcohol, catering liquor license.

Chairman Strelau asked that any individual(s) representing the applicant step forward and be seated. She asked that any individual(s) giving testimony, state and spell their name for the record, indicate their affiliation with the establishment and be sworn in by the court reporter.

Mr. Lawrence Inzano was sworn in by the court reporter. Mr. Inzano introduced himself as the liquor manager and part owner of La Cuisine Catering.

Chairman Strelau asked the applicant to present its case.

Mr. Inzano stated that he and his wife, Linda, have operated an off-premise catering company for 36 years. He stated that they operated out of their first commercial location in Oak Brook Terrace for 25 years, moved to their second location in Wheaton where they have been for the past 6 years and now plan to relocate to Downers Grove. He stated that they held licenses in both Oak Brook Terrace and Wheaton. He stated that a majority of their business is in the Downers Grove, Oak Brook and Hinsdale area and found that Downers Grove would be a more centralized location for them to operate from.

Mr. Inzano stated that they strictly offer off-premise catering services and noted there is no on-site consumption and that the Downers Grove location will be used for food prep and storage of inventory, place settings, linens and the like.

Mr. Inzano stated that all servers are BASSET trained. He stated that he is aware, that in addition to the Downers Grove license, municipalities may require a special use license and/or have guidelines and additional restrictions in order for them to serve liquor at an event.

Mr. Inzano stated that last year sales total approximately \$1.3 million and they sold approximately \$85,000 in liquor. He stated that along with food and liquor service they offer equipment rentals, soft drinks and non-alcoholic beverages. He stated that they charge separately for the service staff.

Ms. King asked how many bartenders they staff for an event. Mr. Inzano replied that number depends on the amount of guests and the venue. He stated that they recommend one bartender for every 100 people and recommend that clients have two bartenders for 150+ guests.

Ms. King asked about their carding procedures. He stated that bartenders are instructed to ask guests for identification from those who appear under 25 and added that they will also confirm with the client how many under 21 guests they plan to have. He stated that the number of guests and final payment is due 10 days prior to the event. He stated that the bar package is offered for 21+ guests and a non-alcoholic and soft drink package pricing is offered for those who are under 21.

Ms. King asked Mr. Inzano if he is present at every event. Mr. Inzano replied either him or his partner, who is his wife will be present and noted that a Captain is also assigned to every event.

Ms. King asked if they have had any issues with underage service. Mr. Inzano replied that it is their policy to offer only one drink per person at a time to discourage adults sharing drinks with minors. He

stated that the Captain is instructed to locate those that are under 21 with the help of the client to ensure that those individuals are not being served alcohol.

Ms. King asked about the number of employees. Mr. Inzano replied there are 8 full time and 15 part time staff members. Ms. King asked if they are all over 21. Mr. Inzano replied 3/4 of their staff is 21 and over.

Mr. Jacobson stated that their application packet looked good and welcomed them to Downers Grove. Mr. Inzano replied he was looking forward to the good location.

Mr. Clary asked how the liquor inventory was stored. Mr. Inzano replied that liquor inventory will be locked up and stored in a secure room in the facility. He stated that they take inventory after every event in order to control what is consumed.

Chairman Strelau noted their many years of experience. She asked staff if there were any liquor violations noted from the background checks. Ms. Kuchynka replied that none were reported. She informed the Commission that control buy tests are not done by the Village at a catered event as it would be difficult to have a special agent at a private function. She noted that a test could be done if they catered an event that was open to the public.

Chairman Strelau stated that management sets the tone and tenor to staff and the importance of proper liquor serving. She liked the fact that they track their liquor inventory.

Chairman Strelau asked when the new location will be ready. Mr. Inzano replied that they were currently in the build-out stage and they hoped to be in the facility by November.

Chairman Strelau asked staff for recommendations or comments pertinent to this application. Ms. Kuchynka replied that issuance of the license is contingent upon receipt of satisfactory background checks, the annual fee, Certificate of Occupancy and dram shop insurance.

Chairman Strelau asked for comments from the public. There were none.

Hearing the testimony given in this case, Chairman Strelau asked for a recommendation from the Commission concerning its finding of "qualified" or "not qualified" with respect to the applicant with regard to their Class "K-1" liquor license application.

Chairman Strelau asked if the restaurant held a liquor license prior to the ownership change. Ms. Yang replied yes and stated that they needed a new license as the ownership has changed.

Mr. Jacobson asked Ms. Yang and Mr. Geng what their roles were with the prior corporation. Ms. Yang replied that she worked as a manager at the Downers Grove location. Mr. Geng replied he worked for Mr. Hu at the Chinatown location for the past 5 years. Mr. Jacobson asked Mr. Geng if he was a manager there. Mr. Geng replied no.

Mr. Jacobson stated that according to the court case and plea agreement, some managers were keeping cash and not reporting sales for the establishment and asked if either of them were involved. Ms. Yang replied that they were not involved in that activity. He stated that Downers Grove was named in the federal indictment.

Mr. Jacobson asked about their liquor handling experience. Ms. Yang replied that she was a manager for 10 years, since 2006. She stated that 90% of sales are food sales, with only 5-10% are alcohol sales.

liquor service. Mr. Jacobson asked who conducts those meetings. Ms. Yang replied herself and another waitress.

Mr. Clary asked whether Ms. Yang and Mr. Geng both had a BASSET certification. Ms. Yang and Mr. Geng replied yes.

Mr. Clary asked how many servers they have. Ms. Yang replied four full time.

Mr. Clary asked where liquor is served from. Ms. Yang replied that they have a small mini service bar only which servers get and bring to the table. Mr. Clary asked if all servers are over 21. Ms. Yang replied yes.

Ms. King asked Ms. Yang if either or both her and Mr. Geng are always at the restaurant. Mr. Geng replied Ms. Yang is always at the establishment.

Ms. King asked about the violation. Ms. Kuchynka replied that it was service to an underage agent with no aggravating circumstances. She stated that they received a one day suspension and administrative hearing costs.

Ms. King asked Ms. Yang what they have changed since the last violation. Ms. Yang replied that they emphasized proper liquor services and implemented regular staff meetings and refresher liquor training. She stated that staff is told to ask for identification from anyone under 35. Ms. Yang noted that the employee involved in the sale no longer worked there.

Chairman Strelau asked if any other violations were noted. Ms. Kuchynka replied no.

Chairman Strelau asked if Mr. Hu had any capacity with the new restaurant aside from being the landlord. Ms. Yang replied Mr. Hu only serves as the landlord. She stated that Mr. Geng took over ownership since August. 1st.

Chairman Strelau stated that one violation in 10 years is not perfect but they took steps since the last violation and hope that they continue to hold regular weekly meetings with staff.

Chairman Strelau asked staff for recommendations or comments pertinent to this application. Ms. Kuchynka replied that issuance of the license is contingent upon receipt of satisfactory background checks, the annual fee and an updated Certificate of Occupancy with the new ownership.

Chairman Strelau asked for comments from the public. There were none.

Ms. Kuchynka stated that licensees were advised of the new State law concerning BASSET certification and that it is now required to be completed every three years for employees of on-premise consumption license holders.

Search this site...

Welcome to the NEW AND IMPROVED "LICENSE LOOKUP" system! As in the past, you may search licensee records by entering the name of a county, city, address (street name and/or number), zip code, or license number (enter all 10 positions, including the hyphen, as in the following example: 1a-0001234). You may also enter any combination of these selection criteria fields. PLEASE NOTE: The list of Revoked Licenses is now accessed via the "Current Status" box, as the new "License Lookup" feature defaults to "Active" licenses.

If you get an error during your search, you will need to CLOSE the browser window and open a NEW window to re-access the "License Lookup" system.

Liquor Handling & Control

Chipotle Mexican Grill Policies

Basics

Margaritas and beer are the only items on our menu that cannot be sold to everyone. Your job is to abide by this policy and your local liquor laws whenever someone orders a margarita or a beer. Your manager will inform you of your local liquor policy. Below is Chipotle's Liquor Handling & Control Policy. If you have any questions, ask your manager.

Who can handle alcohol?

1. Prepare and serve alcohol (i.e. making margaritas, popping tops on beer, etc.): Only if you are of legal age in your county (ask your manager) may you prepare and serve alcohol - make sure you know the laws in your county before you attempt to serve alcohol.
2. Sell alcohol (i.e. ringing on POS and taking money): Only if you are of the legal age to sell alcohol in your county (ask your manager) may you sell alcohol.

Who can buy alcohol?

1. Only customers who do not appear to be intoxicated can buy alcohol.
2. Only customers who can prove they are over 21 can buy alcohol.
 - a. Ask for identification from everyone who would like to purchase alcohol.
 - b. Acceptable Forms of Identification:
 - i. Valid State Driver's License with photo
 - ii. Valid State ID Card with photo
 - iii. Valid Passport with photo
 - iv. Valid Military ID with photo

How do you check an ID?

1. Look at the date of birth printed on the ID to make sure the customer is at least 21 years old - you can use the POS screen to verify when they should be born if you have any questions.
2. Check the photo on the ID to verify it is the customer.

Note: If you suspect that the ID is false, ask the customer for a second form of identification - if they cannot produce a second form of identification, do not serve them.

How do you serve alcohol?

1. Pop the top on all beers - even if they are screw tops.
2. Serve margaritas only per the recipe in Hocus Pocus or the Recipe Cards - never add an extra shot or serve it without ice.
3. Alcohol can only be sold for "Dine-In."
4. Alcohol can never be sold "To-Go."
5. If alcohol may be consumed on the patio at your restaurant, make sure customers stay on the patio - they may not leave with alcohol at any time.

Note: Some liquor licenses prohibit alcohol on the patio - if that is the case with your restaurant, make sure you inform customers of this before they pay for their alcohol.

Consequences for Violating Liquor Laws

Chipotle Consequences (Your Job & Your Restaurant)

- It is always a violation of Chipotle policy to violate any liquor law. Consequences may range from verbal or written discipline up to and including termination. Specific disciplinary action will be determined by your manager on a case by case basis.

Criminal Consequences (Police & Lawyers, etc.)

- If you break the law, you are on your own.
- Any criminal penalties (fines, court appearances, jail time, etc.) are your sole responsibility if you violate the law.
- Chipotle will not pay any employee fines or other costs associated with a liquor violation.

What happens if there is a violation?

Tell your manager and field leader immediately, then contact licensing@chipotle.com for further instructions. Please include a detailed description of what happened, and attach any tickets or documents you receive.

I acknowledge that I have been trained in Chipotle's Liquor Handling policy:

Adults Sharing Drinks with Minors

It is illegal to allow an adult to share a drink with a minor, even if the minor is accompanied by a parent. If staff observe an adult sharing a drink with a minor, a Manager will tell the parties that such practice is not permitted, remove any alcohol from in front of the minor, and if the adult persists in trying to share, remove any alcohol from the adult and refuse further service.

Liquor Product Identification Signs

Liquor product identification signs (banners, placards, poster streamer, balloon, or other attention getting device, which is designed or used to advertise, promote, or identify a particular brand of liquor – including but not limited to "beer signs" that may involve electronic or neon displays) shall not be permitted as any interior or exterior window sign or as any form of exterior signage. Patio Umbrellas shall not constitute a sign.

Mandatory Certified Training

Every employee who serves, sells, or distributes alcoholic liquor must successfully complete a BASSET program and maintain a current effective certification from said program. BASSET certificates expire three (3) years after the date of issuance. BASSET certificates must be made available upon the licensed premises for inspection by the Village. A list of employees along with proof of their BASSET certificates must be provided to the Village and any new employees should be reported to the Village upon their hire.

Giving Away Alcoholic Liquor

Giving away alcoholic liquor is strictly prohibited, including free or complimentary alcohol whether to regular patrons or to patrons in a private party of function. No advertisements indicating "Free" or "Complimentary" alcohol may be made.

Drink Specials and Happy Hour Promotions

Any and all Drink Specials of Happy Hour Promotions must be conducted according to and comply with the appropriate State Laws for such Specials and Promotions, as outlined in 235 ILCS 5/6-28 and 235 ILCS 5/6-28.5.

Recognizing Signs of Intoxication/Cutting Off Service

As outlined above, all persons who serve, sell or distributes alcohol must have completed a BASSET training course. In that course, you will be trained on recognizing signs of intoxication. If you observe someone to be exhibiting signs of intoxication as outlined in your BASSET training, you should refuse any sales of alcohol to that person, even if the person is over the age of 21. Be polite but firm and request assistance of the manager if needed. You should never serve or sell alcohol to a person who is intoxicated.

Sample Illinois Drivers Licenses

Attached to this manual are samples of Illinois Driver's Licenses. You should review these samples to ensure that you know what to look for when checking IDs for purposes of making a sale of alcohol.

Downers Grove Specific Alcohol Awareness Programs

Compliance Testing (Control Buy Program)

The Downers Grove Police Department periodically conducts tests on establishments to ensure that minors are not being served alcohol. An agent who is under 21 will be sent into each establishment to attempt to purchase liquor. If you make a sale to a minor, you will immediately be issued an administrative citation (ticket) for serving the minor. Additionally, Chipotle will be required to attend a public hearing on the violation. A finding of guilty with regard to the violation will result in fines, penalties, and/or suspension of our liquor license and possible mandatory BASSET training for all employees.

Possible penalties include:

- \$500 administrative citation to you, the employee involved in the alcohol sale to minor.
- Up to \$1,000 in costs for the disciplinary hearing
- Up to \$15,000 in fines.
- Suspension and/or revocation of liquor license.

In the event that a compliance test occurs and you receive written notice that you passed, all such written confirmation should be kept on site and a copy sent to the licensing division at the Corporate Headquarters.

DUI Notification Program

The Downers Grove Police Department will notify us in the event an individual arrested for a DUI names our establishment as the location where they were drinking prior to arrest. Should we receive numerous notifications, our license will be subject to a license renewal hearing where our liquor serving policies will be reviewed. Any such notifications received should be kept on site and copies sent to the licensing division at the Corporate Headquarters.

DRIVER SERVICES

Driver's License/State ID Card Central Issuance

A significant change will soon take place at the Secretary of State's office. The change will improve upon the design and issuing process of Illinois' driver's licenses/ID cards.

Applicants visiting Driver Services facilities will no longer be issued a new permanent DL/ID card at the end of the application process. Instead, they will leave the facility with a temporary secure paper driver's license, which is valid for 45 days and will serve as their DL/ID for driving purposes and proof of identification. For air travel, the U.S. Department of Homeland Security (DHS) states that it will accept the temporary document in conjunction with the old DL/ID to board an aircraft until the permanent card arrives in the mail. Therefore, the facility employee will return the old DL/ID card back to the applicant after punching a hole in it.

Meanwhile, the applicant's information will be sent to a centralized, secure facility in Illinois. After fraud checks have been conducted to ensure the applicant's identity, a higher quality, more secure DL/ID will be printed and sent via U.S. mail within 15 business days to the applicant's address.

This new process, central issuance, meets REAL ID requirements mandated by DHS. As a result, these changes are necessary for Illinois to move closer to achieving full REAL ID compliance. Illinois is not the first state to transition to central issuance. In fact, 39 other states have already done so. This includes heavily populated states like California, Texas, New York and Florida – as well as Illinois' neighboring states.

Also, central issuance allows better identity theft prevention by allowing the office to investigate possible fraud before applicants receive their DL/ID. In addition, the design of the DL/ID card has been upgraded with important features that over-the-counter technology simply cannot produce.

The transition to central issuance will take place in phases. Beginning May 17, 2016, Safe Driver Renewal applicants will receive by mail their new driver's license with the upgraded security features. Beginning in late June 2016, through a gradual rollout, Driver Services facilities throughout the state will implement central issuance with the new card design. By the end of July 2016, all Driver Services facilities will have transitioned to central issuance.

NOTE: The temporary DL/ID is not acceptable as proof of identity for a Social Security Number replacement card. If you plan to request a Social Security Number replacement card, please wait for your permanent driver license or ID card to arrive in the mail before visiting a Social Security office.

Hours of Operation

6:30 AM – 2:30 PM Mon-Fri

7:00 AM – 2:30 PM Sat-Sun

General Guidelines

- 1) All people purchasing and consuming alcohol must be at least 21 years of age.
- 2) All people purchasing and consuming alcohol must be appropriately carded (see "ID/Carding Practices").
- 3) Employees selling alcohol must be at least 19 years of age. Employees who are under 21 must have a manager ID their guests in order to serve alcohol.
- 4) Sharing alcohol with minors is prohibited.
- 5) Alcohol must be consumed on premises; no alcohol is to leave the premises.
- 6) Anyone taking orders or serving alcohol must be BASSET certified.
- 7) Drink specials/happy hour promotions will be held in accordance with State of Illinois (see Appendix).

Server's Responsibilities

- 1) Must verify age using acceptable proof of identification only (see carding procedures).
- 2) Do not over-serve patrons. Know how many drinks people have been served and monitor level of intoxication.
- 3) Ensure patrons do not drink and drive.
- 4) Make certain guests don't share alcoholic drinks with minors.
- 5) Prevent anyone from leaving the premises with any alcohol or alcoholic drinks.

Management's Responsibilities

- 1) Ensure all serving employees have received BASSET certification and that all certifications are kept current.
- 2) Make sure all serving employees have received and read Honey-Jam Café's liquor handling manual and understand Company and local policies.
- 3) Obtain copies of Servers Receipt of Liquor Handling Policy/Procedure Manual from all servers.
- 4) Train staff on proper liquor handling and serving practices.
- 5) Assist staff in checking ID if they are having difficulty.
- 6) Support staff in dealing with drunken and disorderly patrons.
- 7) Keep liquor locked in a secure location in manager's office.

Liquor Access and Storage

- 1) All liquor will be inventoried and matched with sales.
- 2) Unopened bottles will be stored and locked in the storage closet in the manager's office.
- 3) Unused alcohol will be disposed of, nobody is to take any unopen bottles off premises; anyone caught taking liquor from the premises will be terminated.

ID/Carding Practices

- 1) It is illegal to serve alcohol to minors and intoxicated individuals. Honey-Jam Cafe has the right to protect its guests, its establishment, and staff. There is no penalty for refusing alcohol to someone you suspect is a minor or an intoxicated individual.
- 2) Anyone who orders alcoholic drinks must show a valid picture ID upon request. Servers must request to see ID for anyone under the age of 40.
- 3) The following are acceptable forms of ID:
 - a) Driver's license
 - b) State I.D. card
 - c) Military I.D.
 - d) Current passport
 - e) Tickets will not be accepted in lieu of a valid driver's license or any of the other forms listed above
- 4) Have the individual take their ID out of their wallet or purse and hand it to you. If the license is not valid turn it over to verify if a renewal sticker is in place.
- 5) All out of state IDs should be checked with an ID Checking Guide. The ID Checking Guides are available in the manager's office.
- 6) Vertical Under 21 IDs are not accepted, no exception.
- 7) Parents are not permitted to offer alcohol to their minor children.
- 8) If the server/seller is not comfortable in verifying an individual's age, he/she can ask for help from the manager or may require the individual to sign the Age Identity Form or they have the right to refuse service.
- 9) Zero tolerance policy: if anyone serves a minor, he/she will be terminated.

Evaluating Level of Intoxication

- 1) Preventing customers from becoming intoxicated while they enjoy their visit to your establishment should be your primary goal. A number of responsible beverage service (RBS) training programs use what is commonly referred to as the traffic light system to help you do that. In these programs, various behaviors associated with intoxication are attributed to one of three colors of a traditional traffic light.¹
 - i) A green light signals that you are OK to serve the guest.
 - ii) A yellow light means caution: you should stop or slow alcohol service until the guest's behavior returns to the green light zone.
 - iii) A red light means the guest is intoxicated and should not be served.

Green Zone

- Guests who have just begun to consume alcoholic beverages are usually identified with a green light. Unless they have been drinking previously, they are good to GO for alcohol service.
- When customers are in the green, you can safely serve them alcohol, but you should pace the alcohol service by striving to keep them in the green zone during their visit.
- After as few as one drink, some customers become relaxed and talkative. Each time a customer in the green zone orders another drink, you should re-assess the customer to make sure he or she is still in the green.
- Encourage your guests to order food or snacks with their drinks. An effective way to reduce the rate of alcohol absorption is for your patrons to eat foods high in fat. Do not increase the pace of serving alcohol just because a customer is eating or in the green.
- Serve only one drink at a time to each guest. Don't push drinks onto guests who do not want to drink; respect their wishes and offer non-alcoholic beverages or beverages with a lower alcohol content.

Yellow Zone

- Guests who have begun to feel the effects of alcohol are identified by a yellow light. Once in the yellow zone, guests may show signs of relaxing and lowered inhibitions, which are indicators of intoxication. A quiet guest may become overly friendly or an

¹ Dramshopexpert.com, Bartender and Server Workbook: Path of Alcohol Through the Body

outgoing person may become sullen and withdrawn. As inhibitions decrease, guests may seek to increase their alcohol consumption rate.

- Guests in the yellow zone likely have a BAC level below 0.08%, but are intoxicated. You need to exercise caution in serving additional alcohol. Guests with a BAC below 0.08% generally exhibit some or more of the following behaviors:
- In the low end of the yellow zone, guests will demonstrate a feeling of well-being, relaxation, lowered inhibitions, and might mention feeling the sensation of warmth. They may behave with some euphoria. They may demonstrate some minor impairment of reasoning and memory, and be less cautious. Their behavior may become exaggerated and emotions intensified. Good emotions are better, bad emotions are worse.
- At the high end of the yellow zone, there is a light impairment of balance, speech, vision, reaction time, and hearing. Like patrons in the low end of the yellow zone, those in the high end of the yellow zone behave with euphoria. Their judgment and self-control are reduced, and caution, reason and memory are impaired.
- A patron at the high end of the yellow zone may have a BAC of 0.08% and is legally impaired. It is illegal for your guests to drive at this level. Your guests will probably believe they are functioning better than they really are and may not understand your reason for intervening.
- Guests in the yellow light zone are already intoxicated. Serving them more alcohol may easily move them to the red zone, where they are a risk to themselves and others. Your goal is to give that guest's system time to metabolize the alcohol he or she has consumed so that guest returns to the green zone. Alcohol is metabolized at the rate of about 2/3 of a drink per hour.

Red Zone

- Guests in the red zone are intoxicated to the point where they are a risk to themselves and others. They require immediate intervention. When guests are at the red light stage, your focus should be on their safety. Remember, you have a responsibility for your guests.
- **Alcoholic beverage service to a guest in the red must be stopped immediately.**
- Guests at the low end to mid-range of the red zone have significant impairment of gross motor coordination and loss of good judgment. Their speech may be slurred; their balance, vision, reaction time, and hearing will be impaired. They will likely demonstrate euphoria, but at lesser levels than in the yellow light zone. Instead of euphoria, they will likely exhibit an increase in anxiety and restlessness. Their judgment and perception are now significantly affected.

- Guests in the mid to high range exhibit a state of feeling unwell or unhappy. Anxiety, depression, and restlessness may predominate. The guest may begin to feel nausea. The drinker may also have the appearance of a “sloppy drunk.”
- Guests in the high range is extremely intoxicated. He or she is probably feeling and behaving as if dazed, confused, or otherwise disoriented. He or she may need help to stand or walk. If he or she bumps into something or is otherwise injured, the intoxicated guest may not feel the pain. Some people experience nausea and vomiting at this level. However, the gag reflex can be suppressed at this level and people can choke if they do vomit. Blackouts are likely at this level, so they may not remember what has happened.
- At the high end of the red zone, your intoxicated guest has substantial or complete impairment of all mental, physical, and sensory functions. The drinker often has little comprehension of where he or she is. Passing out suddenly is common. It may be difficult to awaken the person who passes out at this stage. At extreme BAC levels, coma is possible. This level of intoxication is comparable to surgical anesthesia. At this BAC level, the patron Bartender and Server Workbook: Path of Alcohol Through The Body - 12 - may die from alcohol poisoning as respiration and other body functions begin to decline and fail.
- Your responsibility for guests in the red light zone is to prevent further alcohol consumption and to take action to ensure their safety. Remember, they are at risk due to falling and other accidents. They should not be trusted to act in a responsible manner or even follow through on their stated intents.

Handling Intoxicated Individuals

- 1) Management should support seller/servers' intervention efforts. Management should be informed as soon as a problem has been identified by the server.
- 2) Never accuse guests of being drunk. Expressing concern is a good way to achieve empathy with a guest. He or she is more likely to feel that you really care about his or her welfare and safety. Never tell a customer “You can't have a drink;” always say, “Our policy doesn't allow me to serve you more alcohol.” Ask if you can serve them a nonalcoholic beverage. If necessary, contact your supervisor.
- 3) Never change your mind after discontinuing service. This can allow the guest to bargain “just one more.”
- 4) Remain patient and calm. Simply and clearly repeat the decision to discontinue alcohol service to the guest as often as necessary.
- 5) If an intoxicated guest become verbally abusive or hostile and/or physical violence seem likely or occurs, immediately take the following steps:

- i) Call the police and contact a manager. Do not assume that the situation will resolve itself.
- ii) Try to separate the intoxicated guest from other guests.
- iii) Speak firmly and calmly. Repeat yourself as often as necessary to make the guest understand you.
- iv) Negotiate with the guest not to leave the establishment and to calmly wait for the police to arrive.
- v) Never touch or try to physically restrain an intoxicated guest.

Village of Downers Grove Alcohol Awareness Programs

1) Compliance Testing

The Downers Grove Police Department periodically conducts investigations to check that people under the age of 21 are not being served alcohol. An Under 21 agent is sent into Honey-Jam Café to attempt to purchase liquor. In the event staff serves or sells alcohol to the minor, the individual involved in the service/sale is immediately issued an administrative citation (ticket) for serving the minor. In addition, the licensee will be required to attend a public hearing on the violation. A finding of

guilty with regard to the violation will result in fines, penalties and/or suspension of the liquor license and possible mandatory certified training for all employees.

- \$500 administrative citation to the individual involved in alcohol sales to a minor
- Up to \$1,000 to cover costs of disciplinary hearing
- Up to \$15,000 in fines
- Suspension and/or revocation of liquor license

2) DUI Notification Program

The Downers Grove Police Department will notify Honey-Jam Cafe in the event an individual is arrested for a DUI names our establishment as where they were drinking prior to the arrest. If Honey-Jam Café receives numerous notifications, we will be subject to a license renewal hearing where the establishment's liquor serving policies will be reviewed.

Estimating Blood Alcohol Content (BAC)

Use the blood alcohol level chart to determine blood alcohol content. The legal driving limit is .08 in all states (anything below .08 is acceptable).

One drink is considered:

- (1) 12 fl oz beer
- (1) 5 fl oz glass of wine
- (1) 1.5 fl oz shot of hard liquor

DRIVER SERVICES

Driver's License/State ID Card Central Issuance

A significant change will soon take place at the Secretary of State's office. The change will improve upon the design and issuing process of Illinois' driver's licenses/ID cards.

Applicants visiting Driver Services facilities will no longer be issued a new permanent DL/ID card at the end of the application process. Instead, they will leave the facility with a temporary secure paper driver's license, which is valid for 45 days and will serve as their DL/ID for driving purposes and proof of identification. For air travel, the U.S. Department of Homeland Security (DHS) states that it will accept the temporary document in conjunction with the old DL/ID to board an aircraft until the permanent card arrives in the mail. Therefore, the facility employee will return the old DL/ID card back to the applicant after punching a hole in it.

Meanwhile, the applicant's information will be sent to a centralized, secure facility in Illinois. After fraud checks have been conducted to ensure the applicant's identity, a higher quality, more secure DL/ID will be printed and sent via U.S. mail within 15 business days to the applicant's address.

This new process, central issuance, meets REAL ID requirements mandated by DHS. As a result, these changes are necessary for Illinois to move closer to achieving full REAL ID compliance. Illinois is not the first state to transition to central issuance. In fact, 39 other states have already done so. This includes heavily populated states like California, Texas, New York and Florida – as well as Illinois' neighboring states.

Also, central issuance allows better identity theft prevention by allowing the office to investigate possible fraud before applicants receive their DL/ID. In addition, the design of the DL/ID card has been upgraded with important features that over-the-counter technology simply cannot produce.

The transition to central issuance will take place in phases. Beginning May 17, 2016, Safe Driver Renewal applicants will receive by mail their new driver's license with the upgraded security features. Beginning in late June 2016, through a gradual rollout, Driver Services facilities throughout the state will implement central issuance with the new card design. By the end of July 2016, all Driver Services facilities will have transitioned to central issuance.

NOTE: The temporary DL/ID is not acceptable as proof of identity for a Social Security Number replacement card. If you plan to request a Social Security Number replacement card, please wait for your permanent driver license or ID card to arrive in the mail before visiting a Social Security office.

THE NEW PROCESS:

STEP 1

When it is time to renew your driver's license or if you are a new driver in Illinois, visit a Secretary of State Driver Services facility.

STEP 2

Take the vision, written and road tests (if necessary).

STEP 3

Take your photo at the facility.

STEP 4

Receive your temporary, secure paper driver's license at the facility and your old driver's license/ID card will be returned to you after a hole has been punched in it.

STEP 5

After fraud checks have been conducted, your new permanent driver's license/ID card will be mailed to you within 15 business days.

LEASE OF LAND AND BUILDING

THIS LEASE AGREEMENT (the "Lease") is made this 15th day of October, 2016, by and between "Chicago Title & Trust No.500237-04" ("Landlord"), and "Jamay Inc., d/b/a Trio's Restaurant and Banquets" an Illinois corporation ("Tenant").

R E C I T A L S:

WHEREAS, Landlord is the owner of certain real property which is more particularly described on Exhibit "A" attached hereto and made a part hereof (the "Property"); and

WHEREAS, Landlord has agreed to lease to Tenant the Property, together with all buildings and improvements located thereon and all rights appurtenant thereto (collectively, the "Premises"); and

WHEREAS, Tenant has agreed to lease the Premises from Landlord upon the terms and conditions as stated in this Lease.

NOW THEREFORE, for and in consideration of the mutual covenants and agreements herein contained, and for other good and valuable consideration exchanged between the parties, the receipt and sufficiency of which is acknowledged by each, the parties hereby agree as follows:

SECTION 1
PARTIES

1.1 **Landlord.** Landlord warrants that it owns the Premises and has full right and power to execute and deliver this Lease without the consent or agreement of any other person, and that those persons executing this Lease on behalf of Landlord have the right and power to execute and deliver this Lease.

1.2 **Tenant.** Tenant warrants that Tenant has full right and power to execute and deliver this Lease without the consent or agreement of any other person, and that those persons who have executed and delivered this Lease have the authority and power to execute this Lease on Tenant's behalf and deliver this Lease to Landlord.

SECTION 2
PREMISES

2.1 **Premises.** Landlord leases to Tenant and Tenant hereby accepts possession of the Premises from Landlord.

SECTION 3
TERM AND OPTION TO EXTEND

3.1 **Term.** October 15, 2016 is the "Lease Commencement Date". October 14, 2021 is the "Lease Termination Date" which date may be extended as hereinafter provided. The period of time from and including the Lease Commencement Date through the Lease Termination Date is the Initial Term. The Initial Term, together with any exercised Extension Term (hereinafter defined) are collectively the "Term". Landlord shall deliver to Tenant possession of the Premises on the Lease Commencement Date.

3.2 Extension Term. Tenant is granted the option to extend the Initial Term for two (2) additional periods of 5 years (each an "Extension Term"). Each Extension Term shall be upon all terms and conditions of this Lease, except that Tenant, after Extension Term Two, shall have no further right to extend the Lease Term. The first option may be exercised only by Tenant giving Landlord irrevocable and unconditional written notice thereof no later than sixty (60) days before the commencement of Extension Term One, and for Extension Term Two, the option may be exercised only by Tenant giving Landlord irrevocable and unconditional written notice thereof no later than sixty (60) days before the expiration of Extension Term One. Each such exercise shall, at Landlord's election, be null and void if Tenant is in default under this Lease at the date of said notice or at any time thereafter and prior to commencement of the Extension Term to which the option applies. If Tenant shall fail to exercise an option in accordance with the terms hereof, said option, and all future options, shall terminate and be null and void. Tenant's exercise of an option shall not operate to cure any default by Tenant of any of the terms or provisions in the Lease, nor to extinguish or impair any rights or remedies of Landlord arising by virtue of such default. If the Lease or Tenant's right to possession of the Premises shall terminate in any manner whatsoever before Tenant shall exercise an option herein provided, or before the commencement of an Extension Term, or if Tenant shall have assigned the Lease and/or subleased all or any portion of the Premises before Tenant shall have exercised an Option, then immediately upon such termination, sublease or assignment, the Option shall simultaneously terminate and become null and void.

3.3 Prorations. If any payments, rights or obligations hereunder (whether relating to payment of rent, taxes, or other impositions, or to any other provision of this Lease) relate to any time period either before the Lease Commencement Date or after the date of expiration or termination of the Term, appropriate adjustments and prorations shall be made on a per diem basis. These obligations will survive the expiration or termination of this Lease.

3.4 Surrender at End of Term. Upon expiration of the Term or upon the earlier termination of this Lease, Tenant shall surrender and deliver to Landlord the Premises, all buildings and improvements thereon, other than Tenant's Property (as hereinafter defined), without delay, broom clean and in good order, condition and repair, ordinary wear and tear and excepted, whereupon Tenant shall have no further right, title or interest in or to the Premises.

SECTION 4 **RENT AND SECURITY DEPOSIT**

4.1 Rent. Commencing on the Lease Commencement Date, Tenant covenants and agrees to pay to Landlord in lawful money of the United States of America, during each Lease Year (as defined herein), an annual rental in the amount of [REDACTED] per year for the first year of the first term. (the "Rent"). The Rent shall be payable in equal monthly installments, in advance, on or before the first day of each calendar month during the Term of this Lease. For each additional year of the first term, the rent shall increase by 3% per year. The Rent shall be paid in addition to all other payments to be made by Tenant herein. The first lease year shall be a full year commencing on the Lease Commencement Date and each following lease year shall be an annual period commencing on the anniversary date of the Lease Commencement Date (each such annual period during the Term referred to herein as a "Lease Year"). Appropriate proration shall be made on a per diem basis if the Lease Commencement Date is not on the first day of a calendar month, or if the date of termination of the Lease is not on the last day of a calendar month.

The parties agree that in the first year of the initial term of the lease, that the Rent shall be due after sixty (60) days of delivery of the restaurant to allow time for any renovation and business set up.

Responsibilities of a Seller-Server or Bartender

The most important responsibility of a Seller-Server or bartender is to follow the laws intended to prevent the sale of alcohol to minors, intoxicated persons, and prevent alcohol-related fatalities.

- The person who actually serves, sells, or delivers the alcoholic beverage is legally responsible for the sale.
- Door people, bouncers, floorwalkers, or bartenders can assist with checking IDs and monitoring for intoxication, but the server is legally responsible and will be the one who receives a violation!

Breaking the laws for selling alcohol puts you, your employer, and your customers at risk.

- If you knowingly break the laws governing alcohol sales, you may be found guilty of a crime, and you may be found responsible for any damage caused by people to whom you sold or served alcohol.
- The employer is at risk because they could lose their license to sell alcohol.
- The customer is at risk because they may be violating the law by purchasing alcohol.

What Are The Keys To Saying “No”?

In order to prevent an illegal sale of alcohol,
you need to:

1. Be Quick
 - You must be timely in order to be effective.
2. Be Clear and Firm
 - Be polite to your customer, but be clear and firm in your refusal to sell alcohol.
3. Be Consistent
 - Say “No” in the same way every time.

DRIVER SERVICES

Driver's License/State ID Card Central Issuance

A significant change will soon take place at the Secretary of State's office. The change will improve upon the design and issuing process of Illinois' driver's licenses/ID cards.

Applicants visiting Driver Services facilities will no longer be issued a new permanent DL/ID card at the end of the application process. Instead, they will leave the facility with a temporary secure paper driver's license, which is valid for 45 days and will serve as their DL/ID for driving purposes and proof of identification. For air travel, the U.S. Department of Homeland Security (DHS) states that it will accept the temporary document in conjunction with the old DL/ID to board an aircraft until the permanent card arrives in the mail. Therefore, the facility employee will return the old DL/ID card back to the applicant after punching a hole in it.

Meanwhile, the applicant's information will be sent to a centralized, secure facility in Illinois. After fraud checks have been conducted to ensure the applicant's identity, a higher quality, more secure DL/ID will be printed and sent via U.S. mail within 15 business days to the applicant's address.

This new process, central issuance, meets REAL ID requirements mandated by DHS. As a result, these changes are necessary for Illinois to move closer to achieving full REAL ID compliance. Illinois is not the first state to transition to central issuance. In fact, 39 other states have already done so. This includes heavily populated states like California, Texas, New York and Florida – as well as Illinois' neighboring states.

Also, central issuance allows better identity theft prevention by allowing the office to investigate possible fraud before applicants receive their DL/ID. In addition, the design of the DL/ID card has been upgraded with important features that over-the-counter technology simply cannot produce.

The transition to central issuance will take place in phases. Beginning May 17, 2016, Safe Driver Renewal applicants will receive by mail their new driver's license with the upgraded security features. Beginning in late June 2016, through a gradual rollout, Driver Services facilities throughout the state will implement central issuance with the new card design. By the end of July 2016, all Driver Services facilities will have transitioned to central issuance.

NOTE: The temporary DL/ID is not acceptable as proof of identity for a Social Security Number replacement card. If you plan to request a Social Security Number replacement card, please wait for your permanent driver license or ID card to arrive in the mail before visiting a Social Security office.
