She stated that she spoke with the architect and advised that the soft seating may not be included in the count. Mr. Davies stated that the soft seating area will be a place for patrons to sit and relax while waiting for their party. He stated that there will be couch-style seating surrounding a fire place area. He noted that they may be able to get an appetizer or cocktail while waiting for their party.

Ms. Kuchynka advised the Commission that Mr. Black had previously held a liquor license from the Village as the Lemon Tree Grocer. She noted that they had successfully passed five control buys over the course of holding their license from 2011 through 2015.

Chairman Strelau welcomed them back and for presenting another option for the location. She stated that this will be a different environment and the size is significantly larger. She hoped that they will keep and take their comments to heart that they will be watching and that the importance of liquor service matters. Chairman Strelau asked staff for recommendations or comments pertinent to this application. Ms. Kuchynka replied that issuance of the license is contingent upon receipt of satisfactory background checks, receipt of the annual fee, Certificate of Occupancy, signed lease and signed amendments #1 and #2, a finalized menu, liquor liability insurance and receipt of employee certifications.

Ms. Kuchynka advised that the use of the public right-of-way for the café area will require a Temporary Use License Agreement.
