Dear Electrical Contractor:

**THIS IS TO REMIND YOU THAT EFFECTIVE JANUARY 1, 2016,
THE VILLAGE OF DOWNERS GROVE WILL NO LONGER BE
ISSUING OR RENEWING ELECTRICAL LICENSES.**

In the future, to perform electrical work in the Village, an electrical permit will only be issued if you have either:

1. A valid electrical license issued by another municipality; or
2. Proof of successful passage of an electrical examination; or
3. An expired Village of Downers Grove electrical license; or other documentation deemed acceptable by the Building Official.

If you require an electrical license to perform work in other jurisdictions, after this year you must seek a license from some other municipality or agency.

The following municipalities test and license electrical contractors:

Village of Libertyville
847-918-2028

City of Elgin
847-931-5920

City of Ottawa
815-433-0161, x224

Sincerely,
