

# Process – Historic Landmark Designation

1. **Preliminary Meeting with Community Development Staff:** A preliminary meeting with Community Development (CD) staff should be scheduled to discuss the proposed project and to outline the Historic Landmark review process. At this meeting the petitioner will receive preliminary feedback of the proposal based on the Historic Preservation Ordinance and policies of the Village of Downers Grove.
2. **Submittal for Public Hearing:** All applications for Historic Landmark review must be submitted through the Village’s online portal. Materials shall be submitted approximately six weeks prior to the anticipated public hearing date along with the original signed copies of the Owner Consent Form and Certification of Acknowledgement. Prior to submitting all application materials, the petitioner may choose to submit one complete set of application materials to Community Development for preliminary review to ensure that the petitioner has all the required information.
3. **Historic Preservation and Design Review Board (HPDRB) Hearing:** When issues from all departmental reviews are resolved, a Historic Preservation and Design Review Board hearing will be scheduled and noticed. The Village will notify the public in accordance with Section 28.12.010.F of the Municipal Code. The report of the Community Development Department will be available on the Village website on the Friday prior to the scheduled HPDRB Meeting. The HPDRB holds a Public Hearing at which the petitioner makes a formal presentation to the Board and answers any questions concerning the Historic Landmark designation petition (see General Procedures for Public Hearing). The HPDRB will make a motion forwarding findings and a recommendation to the Village Council.
4. **Village Council Meeting:** Following the recommendation by the HPDRB, the petition is scheduled for a first reading at a Village Council Meeting (typically three to five weeks after the HPDRB hearing). An ordinance is drafted and forwarded to the Village Council for review along with copies of all application materials and meeting minutes of the HPDRB hearing. At the first reading, staff presents an overview of the project and the HPDRB’s findings to the Village Council. The applicant has an opportunity to make a presentation and respond to questions from the Village Council. Following the first reading, the petition will be placed on the active agenda of a regular meeting of the Village Council for consideration. The Village Council makes the final decision on the Historic Landmark petition and is the only Village body that can legally do so.
