

The Village of Downers Grove and Republic Services proudly introduce a **New Recycling Cart Program!**

**During the month of March, you will receive a brand new recycling cart as part of your cart subscription service.**

**The new recycling cart program for Downers Grove:**

- Refuse cart subscribers will be provided a recycling cart at no additional charge as part of their service plan.
- Cart delivery in March, 2011.
- Wheeled container with an attached lid.
- Acceptance of all the same recyclables without being sorted within the cart.
- Presents NO program changes to the trash or yard waste collection, just a new convenient recycling cart.
- Old recycling bins can be used for extra material or for storage.
