TABLE OF APPENDICES	41

PREAMBLE

This Agreement entered into by the Village of Downers Grove, Illinois (hereinafter referred to as the "Village" or the "Employer") and the Downers Grove Lodge No. 73 (hereinafter referred to as "Lodge") and the Illinois Fraternal Order of Police Labor Council (hereinafter referred to as the "Labor Council" or "Union"). The purpose of this Agreement is the promotion of harmonious relation between the Employer and the Lodge; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of an entire agreement covering all rates of pay, hours of work and conditions of employment applicable to bargaining unit employees.

Therefore, in consideration of the mutual promises and agreements contained in this Agreement, the Employer and the Labor Council do mutually promise and agree, as follows:

ARTICLE 1 **RECOGNITION**

A. In accordance with the Illinois State Labor Relations Board's (ISLRB) Certification of Representative dated May 5, 1986, the Employer hereby recognizes the Lodge as the sole and exclusive collective bargaining representative for sworn peace officers of the rank of patrol officer but excluding all peace officers of the rank of sergeant and above and all other Village employees.

B. Consistent with the terms of the policy in effect at the time of this Agreement, the probationary period for new employees shall be twelve (12) months in duration commencing after the completion of the officer's basic law enforcement training academy, and after completing the initial Field Training Program but excluding time for sick leave, leaves of absence or training time.

During the probationary period, an employee's performance will be subject to a review based on performance, ability, attitude, and such other factors as may be deemed appropriate for such employment review. The probationary period is to be used in conjunction with other examinations to determine an employee's fitness for employment. At the conclusion of the probationary period, a determination shall be made as to the employee's fitness for employment; provided, however, that an employee may be terminated during the probationary period at any time without cause.

ARTICLE 2 **NON-DISCRIMINATION**

A. Prohibition Against Discrimination

In the application and implementation of the terms of the Agreement, the Employer and the Lodge agree that neither will discriminate against any employee on the basis of race, sex, creed, religion, color, sexual preference, marital (including parental) status, age (over 40), national origin, or mental and/or physical handicap unrelated to the employee's ability to perform

the job. Neither the Employer or the Union will discriminate against officers as a result of membership or lack of membership in the Lodge.

B. **Access to Relief**

Any allegation of discrimination by an employee covered by this Agreement should be brought to the attention of the Village, pursuant to applicable policies in effect.

Any dispute concerning the interpretation or application of this Article shall be processed through the appropriate federal or state agency or court rather than through the grievance and arbitration procedure set forth in this Agreement.

C. **Gender**

The use of the masculine pronoun in this or any other document is understood to be for clerical convenience only, and it is further understood that the masculine pronoun includes the feminine pronoun as well.

ARTICLE 3 **MANAGEMENT RIGHTS**

Except as specifically limited by the express provision of this Agreement, the Employer has and will continue to retain the right to operate and manage its affairs in each and every respect. The rights reserved to the sole discretion of the Employer shall include, but not be limited to, rights:

1. to determine the organization and operations of the Department of Police;
2. to determine and change the purpose, composition and function of each of its constituent departments and subdivisions;
3. to set standards for the services to be offered to the public;
4. to direct the officers of the Department of Police; including the right to assign work and overtime;
5. to hire, examine, classify, select, promote, restore to career service positions, train, transfer, assign and schedule officers;
6. to increase, reduce or change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of lack of work or funds or other proper reasons;
7. to establish work schedules and to determine the starting and quitting time, and the number of hours worked;
8. to establish, modify, combine or abolish job positions and classification;
9. to contract out work only in accordance with Article IV of this Agreement;

10. to add, delete or alter methods of operations, equipment or facilities;
11. to determine the locations, methods, means and personnel by which the operations are to be conducted, including the right to determine whether goods or services are to be made, provided or purchased;
12. to establish, implement and maintain an effective internal control program;
13. to suspend, demote, discharge, or take other disciplinary action against officers for just cause (probationary employees without just cause); and
14. to add, delete or alter policies, procedures, rules and regulations.

Inherent managerial functions, prerogatives and policy-making rights and the impact thereof, whether listed above or not, which the Employer has not expressly restricted by a specific provision of this Agreement are not in any way, directly or indirectly, subject to the grievance and arbitration procedures contained herein, provided that no right is exercised contrary to or inconsistent with other terms of this agreement.

ARTICLE 4 **SUBCONTRACTING**

It is the policy of the Village to continue to utilize its employees to perform work they are qualified to perform. However, the Village reserves the right to contract-out work as it deems necessary in the exercise of best judgment and consistent with the Village's lawful authority under Illinois Statutes, subject to the limitations of other provisions of this Agreement.

If the Village elects to contract-out bargaining unit work it shall so notify the Union of its decision and, if the Union so requests within fourteen (14) calendar days thereof, the Village will engage in impact or effects bargaining. Such bargaining shall commence within ten (10) calendar days of such notice from the Union. The parties shall negotiate in good faith for a period of not less than fifteen (15) calendar days. If no agreement is reached, the Union may elect to refer unresolved issues relating to the impact or effects of its subcontracting decision to final and binding arbitration in the grievance procedure.

ARTICLE 5 **GENERAL PROVISIONS**

A. Union Representatives

Authorized representatives of the Union shall be permitted to visit the Department during working hours to talk with the officers of the Local Lodge and/or representatives of the Employer concerning matters covered by this Agreement, provided that:

1. Any such visits do not interfere with the normal or regular duties of officers or the operations of the Village;
2. That upon initiating the visit, the representatives of the Union shall so notify the Chief or his designee upon their arrival and notify the Chief or his Designee upon their departure.

B. Examination of Records

Upon written requests and at mutually agreeable times, the Lodge or its designated representatives shall have the right to examine time sheets or other similar type records pertaining to the compensation of a member of a bargaining unit with that person's written consent.

C. Damage to Personal Property

The Village agrees to repair or replace an officer's eyeglasses, contact lenses, prescription sunglasses, watches, jewelry, such as rings or bracelets, and clothes in an amount not to exceed Two Hundred Dollars (\$200) per incident per officer up to a maximum of two incidents and Four Hundred Dollars (\$400) per year, if same are damaged or irreparably broken because the officer has exerted reasonable physical force during the course of an attack or in pursuit of an alleged perpetrator of a crime. The affected employee is to immediately notify the supervisor and complete a police report regarding the repair of the above listed items. If the Village does not repair or replace the damaged item within fifteen (15) business days after the employee files an itemized claim with the Deputy Chief of Administration, the employee may do so and submit the bill to the Village for full reimbursement.

D. Contagious Diseases

In the event that an employee contracts AIDS, hepatitis and/or other contagious diseases in the course of his/her normal duties, or if a member of the employee's immediate household contracts such diseases from an employee who has contracted the disease in the course of his/her normal duties, the Village agrees to pay the medical expenses related thereto which may not otherwise be covered by workmen's compensation or the Village's insurance plan. The Village retains the right to request that the employee submit reasonable documentation, including doctor's certifications, attesting that the employee or family members has contracted the disease and that the disease was contracted in the course of the employee's normal duties, or in the case of a family member, was transmitted from the employee who contracted the disease during his/her normal employment.

ARTICLE 6
NO STRIKE

A. No Strike Commitment

Neither the Lodge nor any officers or employees will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, slowdown, sit-down, concerted stoppage of work, concerted refusal to perform overtime, concerted, abnormal and unapproved enforcement procedures or policies or work to the rule situation, mass resignations, mass absenteeism picketing or any other intentional interruption or disruption of the operations of the Village,

regardless of the reason for so doing. Any or an employee who violate any of the provisions of this Article may be discharged or otherwise disciplined by the Village. Officers and stewards of the Lodge will attempt to bring about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article, the Lodge agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

B. **No Lockout**

The Village will not lock out any employees during the term of this Agreement as a result of an actual or anticipated labor dispute with the Lodge.

C. **Penalty**

The only matter which may be made the subject of a grievance concerning disciplinary action imposed for an alleged violation of Section A above is whether or not the employee actually engaged in such prohibited conduct or whether the Employer violated Section B of this Article. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

D. **Judicial Restraint**

Nothing contained herein shall preclude the village or the Lodge from obtaining judicial restraint and damages in the event the other party violates this Article.

ARTICLE 7 **IMPASSE RESOLUTION**

The resolution of any bargaining impasse shall be in accordance with the Illinois Public Labor Relations Act (IPLRA), as amended.

ARTICLE 8 **DISCIPLINE**

The Village may discipline only for just cause. Copies of all disciplinary rules shall be provided to the Lodge. . Oral or written reprimands shall not be used as a basis for progressive discipline one year after the reprimand is received by the officer so long as there has been no other repetition of the same offense, or an offense for which a suspension is received within that one year period. Said documents shall be removed from the employee's personnel file and disciplinary file, but shall be maintained in a separate file.

Officers shall be provided a copy of, and be required to initial, all disciplinary records prior to their inclusion in the officer's personnel and/or disciplinary file(s). If the officer refuses to initial the record, the disciplining officer shall so indicate

The Police Chief or his designee(s) shall have the exclusive right to issue all discipline (verbal warnings and written warnings, suspensions, and discharge), without resort to the Village's Board of Fire and Police Commissioners. Discipline issued by the Police Chief or his designee, if appealed, shall be appealed either to the Board of Fire and Police Commissioners or through the parties' grievance mechanism set forth in Article 9

of the Agreement in accordance with and to the extent authorized by Article 9, provided, however, an oral or written reprimand is not subject to arbitration but may be grieved up to Step 3 of the grievance procedure.

The parties agree that the grievance procedure set forth in Article 9 and the hearing process by the Board of Fire and Police Commissioners are mutually exclusive and no relief shall be available under the grievance procedure for any action heard before the Board of Fire and Police Commissioners. Furthermore, the parties agree that the pursuit of a grievance under this Agreement shall act as a specific waiver by the Union and the involved employee of the right to challenge the same matter before the Board of Fire and Police Commissioners. The election form containing such specific waiver (Appendix H) shall be executed by the Union and the involved employee before arbitration may be invoked under the grievance procedure of this Agreement and must be served upon the Chief of Police within ten (10) business days of the employee's receipt of the discipline. If the employee selects grievance arbitration as his/her appeal option, the election form shall be considered the grievance form.

ARTICLE 9

GRIEVANCE PROCEDURE

A. Definition

A grievance is defined as dispute or difference of an opinion raised by an employee or the Lodge against the Village involving an alleged violation, misinterpretation or misapplication of an express provision of this Agreement.

B. Procedure

A grievance filed against the Village shall be processed in the following manner:

Step 1:

Any employee and/or steward who has a grievance shall submit the grievance in writing to the Lieutenant specifically indicating that the matter is a grievance under this Agreement. The grievance shall contain a complete statement of the facts, the provision or provisions of this agreement which are alleged to have been violated, and the relief requested on a form identical to that attached hereto as Appendix E. All grievances must be presented no later than ten (10) business days from the date of the occurrence of the matter giving rise to the grievance or within ten (10) business days after the employee, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance.

The Lieutenant, or if he so chooses, the Sergeant who is the affected employee's immediate supervisor, shall first make a determination as to whether the grievance relates to a matter that is within his authority to adjust. If it is determined that it is not within such authority, the Lieutenant or Sergeant shall so indicate in writing on the grievance, and the grievant or the Lodge may immediately advance the grievance to Step 2. If it is determined that the matter is within his authority to adjust, the Lieutenant, or if he so chooses, the Sergeant who is the affected employee's immediate supervisor, shall investigate the grievance and, in the course of such investigation, shall discuss the grievance within five (5) business days of receipt of the grievance

with the grievant and an authorized Lodge representative, if one is requested by the employee, at a time mutually agreeable to the parties. Such meetings shall include the Lieutenant and may include, at the Lieutenant's discretion, the Sergeant who is the affected employee's immediate supervisor and such other representative that the Village may designate. The grievant shall be entitled to a Union representative at such meetings if he so requests. If no settlement of the grievance is reached the Lieutenant shall provide a written answer to the grievant or the Lodge, if a Lodge grievance, within five (5) business days following their meeting.

Step 2:

If the grievance is not settled at Step 1 and the employee or the Lodge desires to appeal, it shall be referred by the Lodge in writing to the Police Chief or, in his absence, the Deputy Chief within five (5) business days after receipt of the Lieutenant's answer in Step 1. The grievance shall specifically state the basis upon which the grievant believes the grievance was improperly denied at the previous step in the Grievance Procedure. Thereafter, the Police Chief (or Deputy) shall meet with the grievant, the steward involved and an outside, non-employee representative of the Lodge, if desired by the employee and such other representative that the Village may designate, within five (5) business days of receipt of the Lodge's appeal. If no agreement is reached, the Police Chief (or Deputy) shall submit a written answer to the employee or to the Lodge, if a Lodge grievance, within five (5) business days following their meeting.

Step 3:

If the grievance is not settled at Step 2 and the employee or the Lodge desires to appeal, it shall be referred by the Lodge in writing to the Village Manager within five (5) business days after receipt of the Chief or Deputy Chief's answer in Step 2. Thereafter, the Village Manager or his designee and the Police Chief and/or other appropriate individual(s) as desired by the Village Manager, not to exceed four (4) individuals, shall meet with the grievant, the steward involved and an outside, non-employee representative of the Lodge, if desired by the employee, within ten (10) business days of receipt of the Lodge's appeal. If no agreement is reached, the Village Manager or designee shall submit a written answer to the Lodge within ten (10) business days following their meeting.

C. Arbitration

If the grievance is not settled in Step 3 and the Lodge wishes to appeal the grievance from Step 3 of the grievance procedure, the Lodge may refer the grievance to arbitration, as described below, within ten (10) business days of receipt of the Village's written answer, as provided to the employee or Lodge at Step 3.

1. The parties shall attempt to agree upon an arbitrator within five (5) business days after receipt of the notice of referral. In the event the parties are unable to agree upon the arbitrator within said five (5) day period, the parties shall jointly request a panel of seven (7) National Academy Arbitrators from Federal Mediation and Conciliation Service. The Village and the Union shall alternate striking names from the panel list until one name remains and that remaining name shall be the chosen arbitrator. The order of alternate striking shall be determined by a coin toss.

2. The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Lodge and Village representatives.
3. The Village and the Lodge shall have the right to request the arbitrator to require the presence of witnesses or documents. The Village and the Lodge retain the right to employ legal counsel.
4. The arbitrator shall submit his/her decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.
5. More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing.
6. The fees and expenses of the arbitrator and the cost of a written transcript, if any, shall be split equally between the parties. Each party shall be responsible for compensating its own representatives and witnesses.

D. **Limitations on Authority of Arbitrator**

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement, as well as determine an appropriate legal remedy, if any. The arbitrator shall be empowered to determine the issue raised by the grievance as submitted in writing at the Second Step. The arbitrator shall have no authority to make a decision on any issue not so submitted or raised. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws, or of rules and regulations of administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the Village under law and applicable court decisions. Any decision or award of the arbitrator rendered within the limitations of this Section D shall be final and binding upon the Village, the Lodge and the employees covered by this Agreement.

E. **Time Limit for Filing**

No grievance shall be entertained or processed unless it is submitted at Step 1 within ten (10) business days after the occurrence of the event giving rise to the grievance or within ten (10) business days after the employee, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance.

A "business day" is defined as a calendar day exclusive of Saturdays, Sundays or holidays, or the grievant's sick time, but not to exceed twelve (12) days.

If a grievance is not presented by the employee or the Lodge within the time limits set forth above, it shall be considered "waived" and may not be further pursued by time employee or the Lodge. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Village's last answer.

If the Village does not answer a grievance or an appeal thereof within the specified time limits, the aggrieved employee and/or the Lodge may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step.

ARTICLE 10

LABOR-MANAGEMENT CONFERENCES

A. The Lodge and the Employer mutually agree that in the interest of management and employee relations, it is desirable that meetings be held between Lodge representatives and responsible administrative representatives of the Employer. Such meetings may be requested at least seven (7) days in advance by either party by placing in writing a request to the other for a "labor-management conference" and expressly providing the agenda for such meeting. Such meetings shall be held in the Police Department or other mutually agreed upon place and limited to:

1. Discussion on the implementation and general administration of this Agreement.
2. A sharing of general information of interest to the parties.
3. Notifying the Lodge of changes in conditions of employment contemplated by the Employer which may affect employees.

B. It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at "labor-management conferences", nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings.

C. While off-duty attendance at "labor-management conferences" shall be voluntary on the employee's part, and attendance during such meetings shall not be considered time worked for compensation purposes. Normally, three (3) persons from each side shall attend these meetings, schedules permitting. The Lodge may be represented by on-duty officers at "labor-management conferences" unless emergency circumstances dictate otherwise.

ARTICLE 11

POLICE AND FIRE COMMISSION

The parties recognize that the Police and Fire Commission of the Village has certain statutory authority over employees covered by this Agreement, including, but not limited to, the right to make, alter and enforce rules and regulations. Except as provided in Article 8 (Discipline), nothing in this Agreement is intended in any way to replace or diminish the authority of the Police and Fire Commission.

ARTICLE 12

SENIORITY

A. **Definition of Seniority**

As used herein, the term "seniority" shall refer to and be defined as the continuous fulltime length of departmental service as a sworn peace officer from the date of last hire.

B. **Seniority List**

The Employer shall prepare a list setting forth the present seniority dates for officers covered by this Agreement which shall become effective on or after the date of execution of this Agreement. Such lists shall finally resolve all questions of seniority affecting officers covered under this Agreement or employed at the time this Agreement becomes effective. For employees with the same starting date, the eligibility on the Board of Police and Fire Commissioner lists shall break such ties. Disputes as to seniority listing shall be resolved through the grievance procedure. Any individual ranked above patrol officer shall not be included in the seniority list provided for in this Agreement. In addition, the Village will provide the Union an updated bargaining unit list, complete with home addresses, from time to time upon request.

C. **Termination of Seniority**

An employee shall be terminated by the Employer, subject to the applicable procedure and his seniority broken when he:

1. quits; or
2. is discharged for just cause; or
3. is laid off pursuant to the provisions of the applicable agreement for a period of twenty-four (24) months; or
4. is absent for three (3) consecutive scheduled work days without proper notification or authorization, except under exigent circumstances.

D. **Accrual of Seniority**

Employees will not continue to accrue seniority while on an authorized leave of absence, but will not lose seniority accrued at the time the leave commences.

ARTICLE 13

SAFETY ISSUES

The Village will continue to adhere to its rules regarding safety, subject to such modifications as may be agreed upon by the Safety Committee.

ARTICLE 14
BULLETIN BOARDS

The Village shall provide the Lodge with designated space on bulletin boards in the locker rooms, in the lounges and in the roll call room for the Lodge to post its notices, provided that any such notices shall not be slanderous, libelous or offensive.

ARTICLE 15
BILL OF RIGHTS

Nothing in this Agreement shall be construed to preclude the applicability of the Peace Officer Bill of Rights as set forth in 50 ILCS 725/1, et seq., but said Bill of Rights shall not be incorporated herein by reference.

ARTICLE 16
LAYOFF

A. **Layoff**

The Village, in its discretion, shall determine whether layoffs are necessary. If it is determined that layoffs are necessary, employees covered by this Agreement will be laid off in accordance with their length of service as provided in 65 ILCS 5/10- 2.1-18.

Except in an emergency, no layoff will occur without at least fifteen (15) calendar days' notification to the Lodge. The Village agrees to consult the Lodge and afford the Lodge an opportunity to propose alternatives to the layoff though such consultation shall not be used to delay the layoff.

The Village will not hire any person, assign non-police department personnel, civilian personnel or use the auxiliary officers to perform bargaining unit work while any bargaining unit employee is laid off.

B. **Recall**

Employees who are laid off shall be placed on a recall list for a period of two (2) years. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled.

Employees who are eligible for recall shall be given fourteen (14) calendar days' notice of recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Lodge, provided that the employee must notify the Police Chief or his designee of his intention to return to work within seven (7) days after receiving notice of recall. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation and responsibility of the employee to provide the Police Chief or his designee with his latest mailing address. If an employee fails to timely respond to a recall notice, his name shall be placed at the bottom of the recall list for the first failure, and shall be eliminated for any subsequent failure to respond, provided the recall requests are over ninety (90) days apart.

ARTICLE 17
EMPLOYEE SECURITY

The parties recognize and will adhere to the applicable statutory provisions regarding access to personnel files and the use of same for disciplinary purposes, provided that alleged violations of any such statutes shall not be subject to the arbitration provision.

ARTICLE 18
INDEMNIFICATION

The Village will indemnify officers to the full extent of coverage, subject to any limitation, as provided by the general liability insurance currently maintained by the Village, provided that the Village's obligations under law to indemnify police officers are not thereby reduced.

ARTICLE 19
DUES DEDUCTION AND FAIR SHARE

A. Dues Deduction

While this Agreement is in effect, the Village will deduct from each employee's paycheck once each pay period the uniform, regular monthly Union dues for each employee in the bargaining unit who has filed with the Village a voluntary, effective checkoff authorization in the form set forth in Appendix D. The Village shall submit a copy of this dues deduction form to new hires. The Village shall remit such deductions, including those referred to in Section B below, along with a list indicating the employees for whom the deductions were made, to the Illinois Fraternal Order of Police Labor Council at the address designated by the Union on the tenth (10th) day of the month following the month in which the deduction is made. If a conflict exists between that form and this Article, the terms of this Article and Agreement control.

A Union member desiring to revoke the dues checkoff may do so by written notice to the Employer at any time during the thirty (30) day period prior to the annual anniversary date of the contract, in each year during the life of the contract.

The actual dues amount deducted, as determined by the Union, shall be uniform in nature for each employee in order to ease the Employer burden of administering this provision.

If the employee has no earnings due for that period, the Union shall be responsible for collection of dues. The Union agrees to refund to the employee any amounts paid to the Union in error on account of this dues deduction provision. The Union may change the fixed uniform dollar amount which will be considered the regular monthly fees once each year during the life of this Agreement. The Union will give the Village thirty (30) days' notice of any such change in the amount of uniform dues to be deducted.

B. Fair Share

Any present officer who is not a member of the Union shall, as a condition of employment, be required to pay a fair share (not to exceed the amount of Union dues) of the cost

of the collective bargaining process, contract administration in pursuing matters affecting wages, hours, and other conditions of employment, but not to exceed the amount of dues uniformly required of members. All officers hired on or after the effective date of this Agreement and who have not made application for membership shall, on or after the thirtieth (30th) day of their hire, also be required to pay a fair share as defined above.

With respect to any officer on whose behalf the Employer has not received a written authorization as provided for above, the Employer shall deduct from the wages of the officer the fair share financial obligation including any retroactive amount due and owing, and shall forward said amount to the Union on the tenth (10th) day of the month following the month in which the deduction is made, subject only to the following:

1. The Union has certified to the Employer that the affected officer has been delinquent in his obligations for at least thirty (30) days;

2. The Union has certified to the Employer that the affected officer has been notified in writing of the obligation and the requirement for each provision of this Article and that the employee has been advised by the Union of his obligations pursuant to this Article and of the manner in which the Union has calculated the fair share fee;

3. The Union has certified to the Employer that the affected officer has been given a reasonable opportunity to prepare and submit any objections to the payment and has been afforded an opportunity to have said objections adjudicated before an impartial arbitrator assigned by the employee and the Union for the purpose of determining and resolving any objections the officer may have to the fair share fee.

C. Objections on Other Grounds

Any non-member making a fair share payment may object to the amount of his fair share payments on the grounds that all or part of such payments have been expended by the Union for political activities or causes not germane to the collective bargaining process, contract administration and matters affecting employee wages, hours and conditions of employment.

Any such employee with any such objection shall process his/her objection in accordance with the notice and objection procedure established by the Union, which procedure shall be consistent with the requirements of the law.

D. Religious Objections

The obligation to pay a fair share fee to the Union shall not apply to any employee, who on the basis of a bona fide religious tenet, teaching or a church or religious body of which such employee is a member, objects to the payment of a fair share fee to the Union. Upon proper substantiation and collection of the entire fee, the Union will make payment on behalf of the employee to a non-religious charitable organization mutually agreed to by the objecting employee and the Union. If the employee and the Union are unable to agree upon a non-religious charitable organization, the organization shall be determined in accordance with the procedures established by the Illinois State Labor Relations Board.

E. **Indemnification**

The Union agrees to indemnify and save the Village harmless against any claims, demands, suits or other form of liability which may arise by reason of any action taken or omitted by the Union or Village in complying with the provisions of this Article.

ARTICLE 20
HOURS OF WORK AND OVERTIME

A. **Application Article**

This Article is intended only as a basis for calculating overtime payments, and nothing in this Agreement shall be construed as a guarantee of hours of work per day or per week.

B. **Normal Work Periods and Overtime Pay**

The normal work day shall be eight (8) hours per day. Any hours exceeding eight (8) in a day or forty (40) in a week will be paid at the rate of one-and-one-half (1-1/2) times their regular rate of pay; provided that overtime for hours over eight (8) are not payable when the regular weekly forty (40) hour schedule includes daily shifts over eight (8) hours; and further provided that the Village shall not implement any daily schedule of over ten (10) hours without first (a) providing adequate notice to the Union, and (b) negotiating with it in good faith regarding said proposed change. For the purpose of calculating hours worked for purposes of overtime, all hours paid shall be counted as time worked.

Overtime pay will be in fifteen (15) minute increments, except that 0-7 minutes past the end of the shift = 0 minutes.

Each officer will be allowed to take a paid thirty (30) minute lunch break each day subject to emergency work duties. Lunch may be rescheduled if duties permit and with supervisor's approval.

C. **Changes in Normal Workweek and Workday**

The shifts, workdays and hours to which employees are assigned shall be stated on the monthly departmental work schedule. Should it be necessary in the interest of efficient operations to establish schedules departing from the normal workday or work week the Village will give at least forty-eight (48) hours' notice to the individuals affected by such change except under emergency circumstances or where agreed to by the parties and the officer's consent will not be unreasonably withheld. In the event that an officer requests an earned day, and the day is approved, the earned day may not be cancelled within 15 days or less from the scheduled earned day, except under emergency circumstances. Once the 15-day period commences, an earned day cannot be converted into compensatory time or vacation time. For purposes of this Agreement, "earned day" shall mean the use of holiday time.

D. **Bidding of Shifts**

1. Effective November 1, each year an annual schedule for the following year will be posted. The posted schedule will contain eight (8) permanent day shift positions, ten (10) permanent afternoon shift positions, eight (8) permanent midnight shift positions, and remainder will be rotating positions. One day/afternoon rotating position will be reserved for the K-9

officer, if one exists. The number of permanent positions is subject to change upon the mutual agreement of both parties.

Commencing November 1, 2017, each year an annual schedule for the following year will be posted. The posted schedule will contain nine (9) permanent day shift positions, nine (9) permanent afternoon shift positions, nine (9) permanent midnight shift positions, and remainder will be rotating positions. The number of permanent positions is subject to change upon the mutual agreement of both parties.

2. Each officer will be assigned a date on which to select the shift position he wishes to work during this time period based on seniority. An officer may select a shift position prior to his assigned date only if all officers above him on the seniority list have made their selection. Officers who cannot be present on their assigned date may give their selection in writing to the Lieutenant in charge of scheduling, who will then place the officer's name in the appropriate shift position, if available. Officers making their selection in this manner should include second and third choices, or face the possibility that they may lose their place in the seniority bidding. Officers who do lose their place by missing their assigned date may sign up as soon as possible; however, no bumping will be allowed.

3. Officers on probationary status with the Department are ineligible to bid for permanent positions, unless mutually agreed upon by the Department and the Union. The Lieutenant in charge of scheduling will assign any such officers into a rotating position which will be reflected on the annual schedule after the annual sign up (provided that the Village may reserve a certain number of positions for rotating positions).

4. Officers taking permanent positions will either have to remain in the position they selected for the entire time period, or if they choose, may go back into rotation if a replacement can be found. If no other officer volunteers to take the permanent position, the officer who signed up for the shift will be required to remain in the position until the next annual bid.

5. If a permanent position becomes available after the selection process has been completed, it will be posted for a minimum of twenty-one (21) days, during which time officers working a rotating shift may sign up. Selection for the shift will be made by seniority. Officers already working a permanent shift or enrolled in a specialty position at the time of posting are excluded from this bidding.

6. Officers returning to the line from specialty positions will be placed in rotation until the next annual shift bid. For purposes of this Agreement, specialty positions are detective, school counselor, DUMEG officer, DEA Task Force Officer, tactical officer, traffic officer and COP officer. Any officer returning to the line from a specialty position would be eligible to bid for a permanent shift under Section 5 as long as he or she was in a rotating position at the time of the posting of the vacancy. Based on seniority, only one school resource officer shall be allowed to request day shift, the others can request afternoon or midnight shift. School resource officers shall turn in their annual vacation requests by January 30th. School resource officers' vacation requests are not subject to Article 24(B)(6) restrictions, unless an officer voluntarily resigns as school resource officer, and provided that the requests are timely submitted in accordance with this Section.

7. In emergency situations, such as a short-term officer disability (not to exceed six (6) weeks), the Lieutenant in charge of scheduling may assign an officer to fill the vacancy, following the guidelines set forth under Article XX (Hours of Work and Overtime), Section I (Rescheduling). If during this time period it is determined that the disability will be long term in duration (greater than six (6) weeks), then the position will be posted to be bid for following the guidelines in paragraph five (5) above, with the understanding that when the disabled officer returns to duty he/she will be returned to the position, and the officer which filled the vacancy will be returned to rotation.

8. (a) Temporary switching of shifts between officers will be allowed; however, no repetitious or long-term switching of shifts (greater than fifty-six (56) days) will be allowed. Individual switching of days will be allowed provided that both days are within the same pay period provided:

The officers involved are not on a definite court call (i.e., traffic court, DUI court, etc.) or training;

The officers involved are available for the entire length of shift; and

The officers provide twenty-four (24) hours' notice.

The Village may at its sole discretion waive any or all of these requirements under special circumstances.

(b) If an officer involved in a single day switch is "on call" for court he/she is not entitled to "on call" overtime. However, that officer will still need to remain available for court. If the officer is needed for court he/she shall be entitled to overtime for the court attendance. The officer requesting the switch shall notify the Lieutenant responsible for scheduling about the shift switch, the dates affected, and which officer is "on call" for court purposes. If the shift switch was initiated prior to the court date notification, the switch will be allowed and the officer who is off duty will be allowed to submit for stand-by overtime pay.

9. Shifts shall be bid upon by seniority except that in the event such a bid shall result in a shift which possesses an unbalanced mix of experience and/or necessary specialized positions the officers shall have the opportunity to resolve such problems on their own and if not, the Chief shall have the right to modify such bidding procedure.

E. **Compensatory Time**

The Village and the officer shall agree on the use of compensatory time off in lieu of overtime payment, and the Village's consent shall not be unreasonably withheld, as follows:

1. An officer may request that his overtime be granted in compensatory time rather than in payment.

2. All compensatory time shall be granted at a time-and-one-half rate.

3. An officer shall make such a request via telestaff to his immediate supervisor. Once the request has been made, no changes will be allowed during the period covered.

4. Officers may accrue more than one hundred (100) hours of compensatory time, but may not maintain a balance of more than one hundred (100) hours of compensatory time at any time. Officers may take a maximum number of "week blocks" of compensatory time off equal to his/her accrual of hours of vacation time during any calendar year. Compensatory time must be taken before the last pay period in April of each year or the officer will be paid for such time. The Village shall calculate the compensatory time balance of each employee covered by this Agreement to the last pay period in April of each year and pay each employee within one month thereafter. Upon separation from the Village, all monies owed through accrued compensation time shall be paid into the employee's Downers Grove Fraternal Order of Police Lodge 73 Retiree Health Care Plan & Trust account.

5. As per practice, compensatory time off not in week blocks may be granted provided the employee gives no more than thirty (30) days written notice. The Village may not cancel this time off less than forty-eight (48) hours prior to the day off. Week blocks once commenced cannot be cancelled.

6. Each officer may elect to use up to two (2) days of compensatory time each fiscal year regardless of manpower. For officers assigned to patrol, only one (1) officer per shift can choose to use this "unrestricted time" for the same scheduled work day and it cannot be used on a designated holiday or any other major event. Requests may be made at least forty-eight (48) hours in advance of the selected date unless otherwise permitted. The Village may, at its discretion, go one below the patrol shift minimum and not replace the officer using this day.

F. Court Attendance/Standby

1. An employee required to attend court on off-duty time shall be guaranteed a minimum of three (3) hours per day or the actual time worked, whichever is greater, for such court attendance. If an officer is required to be on-duty prior to the completion of the three hour minimum, he/she will only be entitled to overtime compensation for the time prior to his/her scheduled duty time. Example: Court time -- 1:00 p.m., Scheduled duty time -- 2:30 p.m. — Officer will only be entitled to one and one-half hours of overtime.

2. An employee required to stand by for a Wheaton Court appearance on off-duty time, shall receive two (2) hours per day for such standby.

3. Nothing contained in this Agreement shall preclude an employee from receiving the guaranteed minimum for court attendance or standby for each court attendance required at separate locations.

4. A police officer who is required to standby for court attendance and is not called shall be compensated for two (2) hours of over-time pay. If an officer is required to standby for court attendance and is instructed to appear at the courthouse in Wheaton, the individual shall not be paid for his/her standby time. However, the officer will receive a minimum of three hours of over-time pay for court attendance, beginning with the calculation at 11:00 a.m. If the officer

completes his or her tasks in Wheaton prior to 2:00 p.m., the officer will receive the minimum three hours of over-time pay. If an officer's responsibilities are not completed until after 2:00 p.m., he or she will be compensated for the time actually worked.

5. In the event that traffic court is relocated to Wheaton during the term of this contract, the parties agree to re-open this section ("F") of the Agreement on court attendance/standby upon written notice by the Village to the Union.

6. In the event an officer working the night shift is required to be in court prior to 11:00 a.m., the same morning (just hours after) he/she finished working, and is required to remain in court past 2:30 p.m., and is also required to report for duty that same night, he/she will be allowed to use sick leave in order to adjust his/her start time to ensure that there is a minimum eight (8) hour rest period in between the time the officer leaves court and the time his shift begins. If an officer is in court past 6:30 p.m. he/she will not be required to report for work that night but will be required to use sick leave.

G. **Required Overtime**

The Chief of Police or his designee shall have the right to require overtime work and, except in emergencies, such overtime assignments shall be as follows:

1. If it is necessary to hold an officer over from a prior shift, or to call an officer in early from the next shift, selection will be requested by seniority. If no officer volunteers, and it should be necessary to order an officer to stay or report in early, the reverse basis of seniority will be followed.

2. If on a future date someone is needed to work overtime, the following schedules will apply:

Overtime is anticipated in Seven (7) Days or more

- a. The Village will first seek volunteers on a Regular Day Off status on the affected shift by seniority.
- b. The Village will post a sign-up sheet for seven (7) days for volunteers, first-come, first-serve basis.
- c. If the overtime assignment has not been filled within 48 hours of the time the assignment is to commence, then the Village assigns the overtime on the basis of reverse seniority to the officer(s) on a Regular Day Off status on the affected shift.

Overtime is anticipated in Five (5) Days or more, but less than Seven (7) Days:

- d. The Village will seek volunteers on a Regular Day Off status on the affected shift by seniority.

- e. The Village will post a sign-up sheet for 50% of the anticipated time for volunteers, first-come, first-serve basis.
- f. If the overtime assignment has not been filled within 48 hours of the time the assignment is to commence, then the Village assigns the overtime on the basis of reverse seniority to the officer(s) on a Regular Day Off status on the affected shift.

Overtime is anticipated in Four (4) Days or less

- g. The Village will hold an officer over from the prior shift and call in an officer early from the next shift, selection will be requested by seniority. If no officer volunteers, and it should be necessary to order an officer to stay or report in early, the reverse basis of seniority will be followed.

3. In order to accept an overtime assignment, officers must be available for the length of the assignment. Officers on a definite court call (i.e., traffic court, summary suspension, subpoena, or motion to suppress) shall not be able to accept the assignment.

4. If an officer signs up to work an overtime assignment in the patrol division that officer cannot remove his or her name, or refuse to work the assignment within 72 hours of the beginning of the overtime assignment. The only exception to this procedure would be if the officer finds his/her own replacement. In those circumstances the officer must notify the on duty shift supervisor of the change. The shift supervisor is then responsible notifying the coordinator of the overtime assignment or the affected shift supervisor. In the event that circumstances dictate a cancellation of a posted overtime assignment in the patrol division, management will give the affected officer twenty-four (24) hour notice unless emergency circumstances dictate otherwise or when agreed upon by both parties.

5. The Village reserves the right to cancel overtime details at any time. In the event that a detail is cancelled after the officer arrives at the station they would be compensated with a minimum of two hours overtime.

6. The parties agree that the ordinary remedy for an instance where an officer is improperly bypassed for an overtime opportunity shall be that the affected officer be allowed to select and work a shift equal to the time of the missed overtime opportunity, provided that the shift falls within sixty (60) days of the missed overtime opportunity. The officer shall be compensated at their overtime rate.

H. **Required Overtime - Training**

The Chief of Police or his designee may require officers to attend training. Officers required to attend training, on off-duty time, will be compensated for a minimum of two (2) hours, or the actual time worked, whichever is greater.

I. **Rescheduling**

Provided that the operational needs of the Department are otherwise met, mandatory rescheduling shall be on the basis of reverse seniority.

J. **No Pyramiding**

Compensation shall not be paid (or compensatory time taken) more than once for the same hours under any provision of this Article or Agreement.

K. **Call Back**

A call back is defined as an official assignment of work which does not continuously follow an officer's regularly scheduled working hours. Employees reporting back to the Employer's premises at a specific time shall be compensated for two (2) hours at the appropriate overtime rate or for the actual time worked at the overtime rate, whichever is greater. Call back time shall be considered hours worked.

L. **Meetings**

Any officer required to be at a meeting not involving the discipline of the officer to conduct Police Department business during off-duty hours shall be compensated for a minimum of two (2) hours or the actual time worked, whichever is greater.

ARTICLE 21
HOLIDAY PAY

A. The following are paid holidays for eligible employees:

- New Year's Day
- Memorial Day
- Fourth of July
- Labor Day
- Columbus Day
- Thanksgiving
- Day after Thanksgiving
- Christmas Day
- A Christmas floating holiday
- Floating Holiday

B. The rate of pay for holidays worked will be the regular rate, plus one (1) earned day of eight (8) hours. If the employee does not work the holiday, the employee will receive one earned day of eight (8) hours, with one exception concerning the use of sick time. If the employee calls in sick on the calendar day before the holiday, the holiday itself, or the calendar day after the holiday, the employee will only receive an eight (8) hour earned day if the employee obtains a doctor's certificate and submits the certificate to the officer's immediate supervisor within seven (7) days of the holiday. If an officer fails to produce the certificate within the time required, the officer will not earn the eight (8) hours of earned time for the particular holiday.

Whereas employees are credited with eighty (80) hours of earned time at the commencement of the calendar year, the employee who fails to produce the doctor's certificate as per this Article will have eight (8) hours of earned time deducted from his/her accumulated bank. If the employee has insufficient time in his/her accumulated earned time bank to cover the deduction, the employee will be deducted the remainder of the time owed from other accumulated benefit time.

C. Any employee scheduled off who is rescheduled to work the holiday will receive time-and-one-half, plus one eight (8) hours of earned time.

D. Employees must give no more than thirty (30) days' written notice for earned days and must receive approval of his/her immediate on-duty supervisor. If two (2) officers request the same day off and written notice is received by their immediate supervisors on the same day, the more senior employee shall be granted the earned day.

E. If the employee's immediate supervisor determines that sufficient manpower is available, the employee may be granted a requested earned day. The supervisor shall not, unreasonably withhold his approval.

F. Officers will be permitted to carry over earned time from year to year to a maximum of 120 hours. Earned time in excess of one hundred twenty (120) hours not used during any given calendar year shall be paid into the employee's Downers Grove Fraternal Order of Police Lodge 73 Retiree Health Care Plan & Trust account at the end of that year by the end of January of the next calendar year. Officers shall be advanced the full amount of earned time for each respective year as of January 1st of that year and they may take the same consistent with the current practice. Upon separation from the Village, all monies owed through accrued earned time shall be paid into the employee's Downers Grove Fraternal Order of Police Lodge 73 Retiree Health Care Plan & Trust account.

ARTICLE 22

LEAVES OF ABSENCE

A. General Leave of Absence

1. Requested for Illness, Injury or Personal Matters

Employees may request a general leave of absence to cover illness, injury or for personal matters. Generally, a leave of absence will not be granted to enable an employee to accept employment elsewhere or for self-employment and any employee who engages in employment elsewhere (including self-employment) while on any leave of absence may be immediately terminated by the Village; however, the Chief may grant such leave in his discretion. An employee who was previously approved for secondary employment, including self-employment, prior to the leave may continue that same secondary employment under the same parameters that it was approved; however, the employee must request approval of any additional employment, including any expansion of the parameters previously approved, while on leave, pursuant to existing orders and regulations. Such leaves shall be on an unpaid status. Leaves of absence connected with illness shall not be granted until sick leave has been used. Application for general

leave of absence due to illness or injury must be accompanied by a physician's statement. All requests for general leaves of absence shall be submitted to the Chief of Police. During such leave of absence, the employee will not accrue vacation time or sick leave and is not eligible for holiday pay.

2. Duration of Leave of Absence

Leaves of absence may be granted for up to ninety (90) days and extensions may be granted for additional periods of up to ninety (90) days each, not to exceed a total of two (2) years leave, after which time the Employer/employee relationship shall be terminated. An employee may, during the leave, return to full employment status upon at least two (2) weeks' notice in writing to his immediate supervisor.

B. Bereavement Leave

In the event of the death of a member of an employee's "immediate family" or "family" as further defined herein, an employee shall be granted and compensated for three (3) consecutive working days as bereavement leave. For purposes of this Article, the term "immediate family" or "family" shall mean spouse, child, mother, father, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, daughter in-law, son-in-law, stepchild, stepparent, grandparent, grandparent-in-law, aunt, uncle, niece, nephew and grandchild. The parties intend that "consecutive working days" not include regular days off, but that such regular days off may interrupt the consecutive working days for bereavement leave (for example, an employee may take bereavement leave on a Monday, Thursday and Friday with Tuesday and Wednesday being the employee's regular days off). Nothing prevents the Village from inquiring if the employee intends to take all three days off or whether the employee will return to work sooner.

In the event of the death of an employee's spouse, child, stepchild or parent, the employee shall be granted two (2) additional consecutive working days off with the approval of the Chief or his designee.

An employee shall have the option of supplementing any bereavement leave with accumulated vacation time, compensatory time or earned time for a reasonable period with the approval of the Chief or his designee.

If the funeral or memorial service of the deceased immediate family will not occur within the bereavement leave period and the employee plans to attend the services, the employee and the Chief or his designee shall meet and discuss how the employee may use bereavement leave and/or accumulated vacation time, compensatory time or earned time in a reasonable fashion to attend the services.

Paid leave for this purpose will not be applicable in cases where the funeral or services occur on a paid holiday, or any other case which would result in paying twice for the same time off. No additional payment will be made if the employee is on a leave of absence or is absent due to illness or injury.

C. Sick Leave

1. Privilege Accumulation Allowed

Sick leave is a privilege, not a right, extended to employees after their twelfth month of employment. Sick leave is accumulated on the basis of eight (8) hours for each month of service. Sick leave may not be used to obtain additional vacation time. Abuse of sick leave privileges is deemed sufficient cause for termination.

Employees engaged in completing the probationary period for a full employment status position may, upon approval of the Police Chief, be granted sick leave privileges during their first twelve months of employment.

2. Use of Sick Leave

In addition to personal illness or injury, sick leave may be granted, at the discretion of the Chief or his designee, for the following reasons:

- a. medical appointments which cannot be scheduled outside of working hours;
- b. illness or injury of a member of the employee's immediate family which necessitates the employee's absence from work.
- c. medical appointments required by the Village.
- d. serious illness of an employee's immediate family member. Serious illness shall generally be considered to be an illness or injury causing the individual to be hospitalized.

The number of hours of sick leave deducted from an officer's accumulated bank shall be equivalent to the number of regular work hours the officer missed from work (e.g. the officer regularly assigned to work eight (8) hours shall have eight (8) hours of sick leave deducted from his/her accumulated bank, the officer regularly assigned to work ten (10) hours shall have ten (10) hours of sick leave deducted from his/her accumulated bank, etc.).

3. Reporting

Notice of absence due to illness or injury shall be given by the employee to the immediate supervisor as far as possible in advance of the starting time for the scheduled work day. In any event, the supervisor should be advised no later than one (1) hour before the starting time on the day of the absence.

4. Doctor's Certificate Required

The Village may require an employee to submit a doctor's certificate for an absence of three (3) or more consecutive days. For absences of less than three (3) consecutive days, the Village may require an employee to submit a doctor's certification from a doctor of the Village's choice provided the doctor has the requisite expertise and further provided the doctor is located in the immediate geographical area of the Village of Downers Grove, provided that the Village pays the cost of any such examination and certification.

5. Other Compensation

- a. Whenever an employee suffers any injury in the line of duty which causes him to be unable to perform his duties, he shall continue to be paid by the Village on the same basis as he was paid before the injury with no deduction from his sick leave credits, earned time, compensatory time for overtime accumulations or vacations, or service credits in the pension fund during the time he is unable to perform his duties due to the results of the injury, but not longer than one year in relation to the same injury.
- b. At any time during the period for which continuing compensation is required by this Section, the Village may order, at the expense of the Village, physical or medical examinations of the person to determine the degree of his disability.
- c. Any salary due the employee from worker's compensation or any salary due him from any type of insurance carried by the Village shall revert to the Village during the time for which continuing compensation is paid to him under this Section.
- d. If the Village furnishes an employee with a vehicle or a vehicle allowance, such employee shall be eligible for Worker's Compensation benefits for injuries which may be incurred while traveling in such vehicle within the scope of the employee's work but the employee shall not be eligible for such benefits for injuries which may be incurred while traveling to and from work; provided, however, that the employee shall be eligible for such benefits for injuries incurred while traveling in such vehicle in response to an emergency work-related call as soon as the employee has taken some affirmative action to respond to an emergency call to proceed to a work-related site.
- e. In extraordinary situations, upon written approval of the Village Manager, such full-time employees shall be paid for up to one (1) additional full year as though they had worked full-time. In such cases, any payment received by such employee from Village insurance benefits for lost wages shall be endorsed over to the Village; provided that the employee shall not be required to endorse over to the Village any compensation awarded as damages in a civil suit.
- f. Employees covered by this Agreement are entitled to the benefits and protections of the Family Medical Leave Act.

6. Sick Leave Buy Back

- a. Sick Leave Earned on or Before May 1, 1995: For employees hired prior to May 1, 1995, all current accumulations of sick leave be established as of May 1, 1995. At the time of separation from employment with at least ten (10) years of full-time service, and provided two weeks' notice is given, the employees shall be paid for any unused sick leave earned on or before May 1, 1995, up to a maximum of one hundred twenty (120) working days, which shall be defined as 960 hours (i.e., 100% payment at the salary rate in effect when employee separates). An agreed

list of such hours accumulated as of May 1, 1995, shall be attached to the collective bargaining agreement;

- b. Sick Leave Earned After May 1, 1995: For employees hired prior to May 1, 1995, as to all sick leave earned and accrued after May 1, 1995, at the time of separation from employment with at least ten (10) years of full-time service, and provided two weeks' notice is given, all current employees shall be paid at the salary rate in effect when the employee separates for any such sick leave which is unused according to the following schedule:

- (i) if employee has 10 years or more service: 50%
- (ii) if employee has 15 years or more service: 60%
- (iii) if employee has 20 years or more service: 100%

Said payment shall only be made into the employee's Downers Grove Fraternal Order of Police Lodge 73 Retiree Health Care Plan & Trust account.

- c. Employees Hired After May 1, 1995: Employees hired after 5/1/95 shall not be eligible for sick leave buyback;
- d. Sick Leave Bought Back: Sick leave used for purposes of sick leave buyback may not be used for purposes of obtaining retirees' health insurance.

7. Light Duty Jobs

All officers shall have equal access to light duty jobs, regardless of the basis of the illness, or injury provided that officers suffering on-duty injuries shall have preference over officers suffering from off-duty injuries. This provision does not require the Village to create light duty jobs or to continue light duty jobs. Notwithstanding any language herein to the contrary, the Village shall abide by the Illinois Human Rights Act, specifically 775 ILCS 5/2-102(H), which addresses the rights of pregnant officers to receive light duty assignments.

D. Military Leave

APPENDIX B

DOWNERS GROVE POLICY/PROCEDURE

CONDITIONS OF WORK

22.3

**22.3.6 POLICY, APPROVAL, DOCUMENTATION AND REVIEW OF
EXTERNAL SECURITY DETAILS**

PURPOSE

The purpose of this order is to establish certain provisions for non-probationary police personnel to work external security while limiting the liability to the Village of Downers Grove.

A. PRIMARY RESPONSIBILITY:

All police personnel who engage in an external security detail will recognize that their primary responsibility employment is to the Downers Grove Police Department and the citizens of this Village. Officers are subject to call at any time for emergencies, mandatory overtime duty, or mandatory special assignments. External security details will not infringe on this obligation.

B. GUIDELINES/RESTRICTIONS

1. No external security detail may be undertaken or continued where a conflict of interest exists with the Village of Downers Grove or the Police Department or where such employment brings discredit to the Officer, Police Department or Village of Downers Grove.
2. A request for approval of an external security detail must be completed by the Officer using the attached form.
3. All external security detail requests are subject to the approval of the Chief of Police or his designee. Requests will not be unreasonably denied or terminated.
4. Employees cannot perform any external security detail in a Downers Grove Police Department uniform nor may any equipment belonging to the Village of Downers Grove be utilized.
5. Officers engaged in private security employment are considered private citizens. As such, their conduct shall be governed by the Illinois Revised Statutes.
6. Officers are responsible for locating their own external security employment. Fees/wages are strictly the responsibility of the Officer and the external security employer.
7. No external security detail may be accepted where the sale and/or consumption of alcoholic beverages is the primary business or where an employee might act as a

bouncer for an establishment where liquor is sold but is not the primary business. If an Officer works for an organization or establishment where liquor is served, he/she cannot serve as security for any banquet gathering in same.

8. External security details for collection agencies, bail bond providers, or employer(s) who are known to be convicted felons or associate with known felons is strictly prohibited.
9. Any Downers Grove Police Officer working an external security detail in any retail store or otherwise who is in any way involved in the apprehension and/or interrogation or detention of a suspect shall assure that such suspect is accorded, by the Downers Grove Police Officer, all constitutional and other rights pursuant to applicable Department policy which said Officer would and should accord to such a suspect were the suspect being apprehended, interrogated or detained while the Officer was on Departmental duty.
10. Hours related to external security details must not exceed twenty (20) hours per week and cannot conflict with an employee's ability to work his/her required scheduled shift. Officer(s) may exceed the twenty (20) hour per week limit only in direct relation to the amount of time in a regularly scheduled 40 hour work week that an Officer is off on vacation, compensatory or earned time. In no event can the hours devoted to external security details exceed sixty (60) per week.
11. All officers shall arrange their schedules to accommodate any court or other official appearance on behalf of the external security employer, and shall not be paid by the Village for such appearance. Officers may use their earned and/or compensatory time, in accordance with established procedures, to so arrange their schedules.
12. External security employment must conform to all applicable state, federal and local laws or ordinances. The intent of "local laws and ordinances" is not to prohibit or limit external security details either through existing or future local laws or ordinances.
13. An external security detail request will be denied to any applicant whose sick record indicates the lack of stamina necessary to sustain both departmental and security detail employment. For purposes of this guideline, an employee's sick record will be examined for a period of one (1) year prior to the date an external security detail request is submitted to the Chief of Police or his designee. In making a determination as to an employee's stamina, the sick record will be judged as a whole, and the total number of sick hours used by an employee shall not be determinative in and of itself.
14. No external security detail will be permitted in those cases where the statutes of the Officer has changed from full-duty to workmen's compensation or restricted duty status. Officers returning to full-duty status must submit a new external

Policy/Procedure 22.3.5

security detail request.

15. **The Chief of Police must be notified within seventy two (72) hours when the external security detail is terminated.**
16. **The Department shall forward a copy of this policy pursuant to which a Downers Grove Police Officer accepts external security employment to any employer hiring a Downers Grove Officer for external security work.**
17. **The Chief of Police on an annual basis, will review extra duty employment to assure compliance with all policies, processes, and other matters deemed appropriate.**

Any appeal of the above stated provisions shall be handled through the grievance process, exclusive of Step #1.

Appendix C

DOWNERS GROVE POLICE DEPARTMENT

SUBJECT: PERFORMANCE EVALUATION

RE: PERSONNEL PROCESS

REFERENCE: PERFORMANCE EVALUATION

PURPOSE:

The purpose of this order is to establish a systematic and comprehensive performance evaluation for patrol officers.

SUPERVISOR'S INTRODUCTION:

The vitality of a police organization is directly dependent upon the performance of individual members. Performance must be continually evaluated and adjusted to meet the objectives of the organization. Performance evaluation can best be accomplished through the team effort of an employee supervisor.

The purpose of employee evaluation is to allow the department and the employees to gauge his/her performance in the accomplishment of department goals. A key factor in this process is the relationship between the Supervisor and the Patrol Officer. It is the Supervisor who has a responsibility to train and counsel patrol officers and encourage them to deliver good, efficient and professional service to the community.

The evaluation process should be a method of determining noteworthy accomplishments and shortcomings in individual performance and not be used as a disciplinary tool. A Supervisor should be monitoring the performance of Patrol Officers and communicate expectations clearly and concisely.

Occasional lapses or mistakes are to be expected and these by themselves should be corrected immediately by the Supervisor. Shortcomings that continue after corrective actions have been taken, should be noted. It is important that the evaluation be objective and, to this end, documentation for shortcomings or noteworthy accomplishment is imperative. The main purpose of any evaluation system is to improve performance.

PROCEDURE:

1. Performance Evaluation

- A. The performance review is to identify and recognize employee contributions in order to encourage employees to put forth their best efforts and to reward them for doing so.
- B. Performance rating will offer reinforcement for categories of superior work and pinpoint individual weakness, which require improvement.
- C. Improve communication – the performance evaluation acts as a vehicle to promote meaningful discussion between the employee and supervisor concerning their work environment.
- D. Promote personnel and department professionalism – The performance evaluation will act as a tool to identify training needs within the department. It will also identify individuals best suited for special assignments and promotion to more responsible positions.

2. Completing Evaluation Requirements

- A. Evaluation is a continuous process requiring the Supervisor to make objective observations of the employee's work. Since it is impossible to have total recall of these observations, the Supervisor is expected to continually make note of both satisfactory and unsatisfactory performance. The Supervisor shall advise the employee of unsatisfactory performance at the time of observation, and supply to the employee a copy of all documentation made (not to include Supervisor's notes). The employee evaluation input form (see attached) will be made available to assist the employee and supervisor in forwarding comments and activities to the evaluation file.
- B. The evaluation pre-pool meeting will be held prior to the issuance of patrol personnel ratings. The purpose of the meeting is to verify individual supervisor's evaluation scores and complete all appropriate narrative portions of the performance evaluation. The evaluation pool meeting is held after all officers have received their evaluations. An officer contesting his/her evaluation may appear at this meeting to provide pertinent information or documentation (relating to specific evaluation categories) to influence a rating change. Subject to availability, supervisors will be present to answer questions and consider the merits of any information or documentation presented, and the Deputy Chief for Operations will provide, in writing, to the patrol officer the results of their appeal.
- C. A performance evaluation form shall be completed for each employee on an annual basis in accordance with a regular schedule developed for that purpose. The evaluation period will begin on or about January 1 and end on or about December 31st. All patrol officers must have their self-evaluation form

completed and turned in to their evaluating sergeants by the date set by the Deputy Chief of Operations. The evaluating sergeant will then review the officer's self-evaluation form before completing their supervisor's evaluation. Probationary employees will be evaluated on a monthly basis for the first six (6) months after field training; they will then be evaluated every three (3) months up to their probationary status being concluded. The Deputy Chief of Operations shall arrange for a **pre-pool meeting** with the lieutenants and sergeants to discuss employees' evaluations. During this meeting, each employee's evaluation will be discussed and a total score assigned. Noteworthy accomplishments and shortcomings will be documented on the employee's evaluation form. The Operation's Lieutenant will attempt to schedule evaluation assignments based on the frequency in which an officer works with a specific sergeant.

The employee being evaluated will be provided with a copy of all written documentation utilized in making the evaluation, unless previously received. An employee not agreeing with the annual evaluation score or comments made will have the opportunity to discuss their views in these areas at the pool meeting. Employees shall have the right to union representation at the pool meeting. If the officer chosen is off-duty, he/she will not be provided with compensation. On duty officers will be allowed to assist in representation at the pool meeting.

The Supervisor and the employee shall then sign the document, indicating that they are aware of the evaluation content. The "Employee's Comments" section may then be completed by the employee. These comments must be added prior to the pool meeting. Any area of strong agreement or disagreement between employee and the Supervisor should be mentioned in this section. If the employee does not have a comment, he/she should so indicate by placing the word "None" and signing the appropriate box.

- D. When each supervisor completes the evaluation requirements of a given period, he/she shall forward the evaluation form to the Deputy Chief of Operations. The Deputy Chief of Operations shall arrange for a Supervisors' pool meeting. The Deputy Chief of Operations shall take note of those employees desiring to have a review at the Supervisors' pool and shall notify the employee, in writing, of the meeting day, date and time that he/she may appear. Pool meeting will be conducted Monday through Friday between 0800-1700 hours. The employee may request to change the date and time of the pool meeting, and such requests will not be unreasonably denied. The employee who appears before the Supervisors' pool meeting shall have a reasonable length of time, but not exceeding two (2) hours, unless extended by mutual agreement, to state his/her reasoning for reconsideration. The Deputy Chief of Operations shall forward the results of the pool to the employee no later than five (5) days after the scheduled meeting date.
- E. Supervisors will keep patrol personnel evaluations strictly confidential.

F. Appeals beyond the Supervisors' pool meeting will be handled through the grievance process, excluding Step 1.

3. ACTIONS FOLLOWING EVALUATION

A. The evaluation process does not stop with the completion of an evaluation form. Communication between the employee and his/her supervisor must continue in order to identify progress on categories of deficiency and achievement toward future improvement.

B. Evaluation reports will be considered when determining training needs for the department. They will also be used to identify persons best suited for special assignments and persons deserving of administrative appointments and promotions to meet department needs within established budgetary restraints.

VILLAGE OF DOWNERS GROVE DRUG AND ALCOHOL TESTING

I. PURPOSE AND DEFINITION

The Parties desire to provide a safe working environment, to protect and preserve the rights of the employees, and to safeguard the Village and its employees from liability.

Therefore, the parties agree to the following to insure an employee's fitness for duty as a condition of employment and to insure drug alcohol tests are conducted based on a reasonable objective basis and according to established procedure.

Definitions

- a. "Confirmatory test" and "confirmatory retest" means a drug or alcohol test that uses TLC (thin layer chromatography), HPTLC (high performance thin layer chromatography), or GLC (gas liquid chromatography) for initial screening; and GC/MS (gas chromatography/mass spectrometry) for the confirmation step.
- b. "Drug" means a controlled substance as defined in Illinois Statutes, 720 ILCS 570/100, et seq.
- c. "Drug and alcohol testing", "drug or alcohol testing", or "drug and alcohol test" mean analysis of a body component sample under one of the above testing procedures, including blood or urine for the purpose of measuring the presence or absence of drugs, alcohol or their metabolites in the sample tested.
- d. "Employee" means a person covered by the terms of this Agreement.
- e. "Employer" means the Village of Downers Grove acting through its Chief of Police or any authorized designee of the Chief of Police.
- f. "Initial screening" means a drug or alcohol test which uses a method of analysis as outlined in this procedure (subsection "a" above) and is capable of providing data as to general classes of drugs, alcohol, or their metabolites.
- g. "Positive test result" means a finding of the presence of drugs or their metabolites in sufficient quantity that establishes, based on accepted

scientific principles, that the Employee has used or consumed the specific drug.

- h. "Reasonable Suspicion" means a basis for forming a reasonable belief based on specific identified facts and reasonable inferences drawn from those facts.

II. PROHIBITIONS

- a. No employee shall be under the influence of any drug or alcohol while the Employee is working or while the Employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment, except to the extent authorized by a valid medical prescription.
- b. No Employee shall use, possess, sell or transfer drugs or alcohol while the Employee is working or while the Employee is on the Employer's premises or operating the Employer's vehicle, machinery or equipment; except to the extent authorized by a valid medical prescription or when engaged in approved law enforcement activity.

III. DRUG AND ALCOHOL TESTING PERMITTED

The Employer may request or require an Employee to undergo drug and alcohol testing when:

- a. Employees selected for advertised job vacancies within the police department may be requested or required to undergo a test to determine the presence of drugs prior to assignment to the new position. This test will be a one-time test and is only for the person(s) selected for the position.
- b. Employees returning from a sick leave or absence of sixty (60) days or more shall be required to submit prior to returning.
- c. The Employer or any supervisor of the Employee has a reasonable suspicion that the Employee is in violation of the prohibitions set forth in Section 2 ("Prohibitions") above when the Employee:
 - 1. Is under the influence of drugs or alcohol while the Employee is working, or while the Employee is on the Employer's premises, or operating the Employer's vehicle, machinery, or equipment; or
 - 2. Has used, possessed, sold or transferred drugs or alcohol while the Employee is working or while the Employee is on the Employer's

premises or operating the Employer's vehicle, machinery or equipment.

- d. Pursuant to 50 ILCS 727/1-25, an Employee discharges his/her firearm, causing the death or injury to a person or persons, during the performance of his or her official duties or in the line of duty. Testing under these circumstances must be completed as soon as practicable after the officer-involved shooting but no later than the end of the involved officer's shift or tour of duty.

There shall be no random, periodic, or unit wide testing of Employees, except random testing of an individual Employee as otherwise authorized herein. The foregoing shall not limit the right of the Employer to conduct such test as it may deem appropriate for persons seeking employment as police officers prior to their date of hire.

IV. PROCEDURE FOR TESTING

- a. Notification form: Before requesting an Employee to undergo drug or alcohol testing, the Employer shall provide the individual with a form on which to:
 1. Acknowledge that the individual has been given a copy of this drug and alcohol testing procedures at the time the request was made; and
 2. Indicate any over the counter or prescription medications that the individual is currently taking, or has recently taken, and any other information which the Employee may deem relevant to the reliability of, or explanation for, a positive test result; and
 3. Indicate consent to undergo the drug and alcohol testing, or otherwise indicate, pursuant to testing under Section III(d) above, that such testing is being ordered by a superior officer.

In addition, the Employer shall specifically indicate in writing on the notification form the objective facts and reasonable inferences drawn from those facts which have formed the basis of the order to test. The Employee shall be permitted reasonable time to consult with a representative of the Lodge of his choosing (the Lodge representative may be Counsel designated by the FOP Labor Council) at the time the request is made. No questioning of the Employee shall be conducted without first affording the Employee all rights provided, included but not limited to the right to representation, as provided in the Peace Officers Disciplinary Act, 50 ILCS 725/1 et. seq. The parties agree that the taking of the test including tests ordered pursuant to Section III(d) above) and/or and the consent derived from this form do not constitute a waiver of any objections the Employee may later raise, including the right to contest results pursuant to Section 6 herein.

- b. Test Sample: The test sample shall be obtained only at a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act that has been or is capable of being accredited by the National Institute of Drug Abuse (NIDA or the Substance Abuse and Mental Health Services Administration (SAMHSA). A sufficient sample of the same bodily fluid or material shall be collected from an Employee to allow for initial screening, a confirmatory test and a sufficient amount of the same sample to be set aside and reserved for later testing if requested by the Employee. The procedures for taking the sample shall insure privacy to the Employees to the extent practicable, consistent with the need to prevent tampering with the sample.

- c. Identification of Samples: Each sample shall be sealed into a suitable container free of any contamination that could affect test results and be immediately labeled with the Employee's name (and social security number if the Employee desires), be initialed by the Employee, and be signed and dated by the person witnessing the sample and the person taking the sample.

- d. Chain of Custody: The Employer shall maintain a written record of the chain of custody and ensure proper handling of the sample. The written record shall include a signature of each person accepting transfer of the sample, the date and time of the transfer, and a notation of the condition of the seal.

- e. Laboratory: All drug or alcohol testing shall use the services of a testing laboratory that is licensed pursuant to the Illinois Clinical Laboratory Act that has or is capable of being accredited by the National Institute of Drug Abuse (NIDA) or the Substance Abuse and Mental Health Services Administration (SAMHSA), and conforms to all applicable standards.

- f. Methods of Analysis: The testing laboratory shall use methods of analysis and procedures to insure reliable drug and alcohol test results, including standards for initial screening tests and confirmatory tests.

- g. Retention and Storage: Retention and storage procedures shall comply with the rules regarding proper preservation of evidence and all sample that produced a positive result shall be retained and properly stored for at least six (6) months to the conclusion of all proceedings for review have been concluded.

- h. Test Report: The testing laboratory shall prepare a written report indicating the drugs, alcohol, or their metabolites tested for, the types of tests conducted, and whether the test produce negative or positive test

results, and the testing laboratory shall disclose that report to the Employer within three (3) calendar days after obtaining the final confirmatory test report. Positive results on an initial screening test shall not be reported to the Employer unless a positive result is obtained on the GC/MS confirmatory test of the same sample.

- i. Notice of Test Results: Within three (3) calendar days after receipt of the test result report from the testing laboratory, the Employer shall inform in writing an Employee who has undergone drug or alcohol testing of:
1. A negative test result on an initial screening test or of a negative or positive test result on a confirmatory test.
 2. The right to request and receive from the Employer a copy of the test result report, the right to submit information to the Employer within three (3) calendar days after notice of a positive test result to explain that result, and the right to access to information in the Employee's personnel file relating to positive test result reports and other information acquired in the drug and alcohol testing process, and conclusions drawn from and actions taken based on the reports or other acquired information.

The Employer will provide the Employee tested with an opportunity to have the reserved portion of the sample tested by a clinical laboratory or hospital facility of the Employee's own choosing, at the Employee's own expense; provided the Employee notifies the Employer within five (5) calendar days of receiving the notice from the Employer of the results of the tests.

- j. Alcohol Testing: With regard to alcohol testing, for the purpose of determining whether the officer is under the influence of alcohol, test results that show an alcohol concentration of .08 or more based upon the grams of alcohol per 100 milliliters of blood shall be considered positive.

(Note 1: the concentration level to determine whether an officer is "under the influence of alcohol" is derived from the DUI laws in the State of Illinois (625 ILCS 5/11-500, et. seq.) and should the State law's concentration level be changed so shall this section in order to mirror the State law.)

(Note 2: the foregoing standard shall not preclude the Employer from attempting to show the test results below .08 demonstrate that the officer was under the influence to the extent to significantly impair the Employee's ability to perform his/her duties consistent with Illinois law, but the Employer shall bear the burden of proof in such cases and may use and refer to any existing state or federal laws and/or municipal ordinances

in furtherance of their argument – e.g., Fitness for Duty standards is a .04 pursuant to 10 C.F.R. 26.24 (g) and Village of Downers Grove Administrative Regulation requiring the holder of a safety-sensitive driving position, a holder of a CDL, to a standard of .02 - and the Union may argue the weight and/or applicability of such standards under the particular circumstances.)

- k. Reassignment During Testing Procedures: No Employee shall be the subject of any adverse employment action, except emergency temporary re-assignment with pay during the pendency of any testing procedure. Any such emergency re-assignment shall be immediately discontinued in the event of a negative test result.

V. REFUSAL TO UNDERGO TESTING

If any Employee refuses to undergo drug or alcohol testing requested or required by the Employer, no such tests shall be given, and the Employer may discharge the Employee from employment on the grounds of insubordination. The Employee and/or his/her representative shall have the right to offer evidence in mitigation should the Employee appeal any disciplinary action. The Board of Fire and Police Commissioners or a grievance arbitrator (depending upon the employee's selection of appeal process) shall have the authority to order treatment and counseling as an alternative to or in conjunction with any discipline that may be appropriate.

No Employee who refuses to undergo drug or alcohol testing of a blood sample upon bonafide religious grounds shall be deemed to have refused unless the Employee also refuses to undergo drug or alcohol testing of a urine sample.

The Employee's taking of the test shall not be construed a waiver of any objection or rights that he/she may have under this Agreement or applicable law.

VI. RIGHT TO CONTEST

The Lodge and/or the Employee, with or without the Lodge, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the order to submit to these tests, the right to test, the administration of the tests, the significance and accuracy of the tests, the consequences of the testing or results or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure. It is agreed that the parties in no way intend or have in any manner restricted, diminished or otherwise impair any legal rights that Employees may have with regard to such testing under applicable law. Employees retain any such rights as may exist and may pursue the same in their own discretion, with or without the assistance of the Lodge.

The election of forums for dispute resolution shall be made by the Employee, subject to the Lodge's sole authority to refer disputes to grievance arbitration. The choice of forums shall be mutually exclusive, i.e., if an Employee elects to refer the matter to the grievance procedure and the Lodge elects to refer the dispute to arbitration, no resort to the Board of Fire and Police Commissioners may be made; on the contrary, if the Employee elects to have the Board of Fire and Police Commissioners hear the dispute, no grievance may be referred to grievance arbitration.

VII. VOLUNTARY REQUESTS FOR ASSISTANCE

The Employer shall take no adverse employment action against an Employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, other than the Employer may require re-assignment of the Employee with pay if he is then unfit for duty in his current assignment. The Employer shall make available a means by which the Employee may obtain referrals and treatment. All such requests shall be confidential and any information received by the Village, through whatever means, shall not be used in any manner adverse to the Employee's interests, except reassignment as described above.

VIII. DISCIPLINE

Use of illegal, controlled drugs at any time while employed by the Employer (except as may be required in the line of duty) shall be cause for discipline, including discharge, subject to the Employee's right to appeal. All other issues relating to the drug and alcohol testing process (i.e. whether there is reasonable suspension for ordering an Employee to undertake a test, whether a proper chain of custody has been maintained, etc.) may be grieved in accordance with the grievance and arbitration procedure set forth in this Agreement.

Nothing in this Section shall be construed to prevent an officer from:

- a. Asserting that there should be treatment in lieu of discipline in any disciplinary proceeding; or
- b. Contesting any discipline that may be imposed under applicable federal or state discrimination laws.

All Employees who voluntarily seek assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or other adverse employment action by the Employer. The foregoing is conditioned upon:

- a. The Employee agreeing to appropriate treatment is determined by the treating physician(s) involved;

- b. The Employee discontinues his use of illegal drugs or abuse of alcohol;
- c. The Employee completes the course of treatment prescribed, including an "after care" group for a period of up to twelve (12) months, as may be prescribed by the treating physician(s).
- d. The Employee agrees to submit to random testing during hours of work during the period of "after care".

Employees who do not agree to the foregoing, or who test positive a second or subsequent time for the presence of illegal drugs or alcohol during the hours of work shall be subject to discipline, up to and including discharge.

If an Employee is placed in a rehabilitation program, such placement shall not be construed as an obligation on the part of the Employer to retain an Employee on active status throughout the period of rehabilitation, if it is appropriately determined that the Employee's current use of alcohol or drugs prevents such individual from performing any of the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such Employees shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence pending treatment. The foregoing shall not limit the Employer's right to discipline Employees for misconduct provided such discipline shall not be increased or imposed due the alcohol or drug abuse.

Employees who are taking prescribed over the counter medication that has adverse side effects which interfere with the Employee's ability to perform his normal duties, may be temporarily reassigned with pay to more suitable police duties.

IX. COMPLIANCE WITH LAW

The Village maintains a drug-free work place policy. In the event an Employee is convicted of any criminal drug statute for a violation occurring in the workplace, said Employee shall notify the Village no later than five (5) days after such conviction. Failure to timely notify the Village result in disciplinary action. By law, if the Village is involved in a federal and/or State contract or grant, the Village shall notify the federal and/or State contracting officer, if any, within ten (10) days after receiving such notices from an Employee or otherwise receiving such notice of a conviction, and may impose appropriate discipline within thirty (30) days of receiving such notice.
