PREAMBLE/AGREEMENT

Preamble

This Agreement is entered into by and between the VILLAGE OF DOWNERS GROVE, ILLINOIS, AN ILLINOIS MUNICIPAL CORPORATION (hereinafter referred to as the "Village", or the "Employer") and the INTERNATIONAL UNION OF OPERATING ENGINEERS LOCAL #150, PUBLIC EMPLOYEES DIVISION (hereinafter referred to as the "Union"). The purpose of this Agreement is the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; the establishment of rates of pay, hours of work and conditions of employment applicable to bargaining unit employees while encouraging and promoting quality and continuance of public service and preventing unnecessary interruptions of work.

AGREEMENT

This Agreement has been made and entered into, by and between the Village and the Union by their duly authorized representatives on behalf of certain civilian employees described in Article I, Section 1.1 hereof. In consideration of the mutual promises and agreements contained in this Agreement, the Employer and the Union do mutually covenant and agree, as follows:

ARTICLE 1

RECOGNITION

Section 1.1: Recognition

The employer hereby recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages, salaries, hours, working conditions and other conditions of employment for employees within the following collective bargaining unit as certified by the Illinois Labor Relations Board in Case No. S-RC-07-001. Included: All employees of The Village of Downers Grove in the classification of Materials Coordinator, Maintenance Worker I, Maintenance Worker II, Water Production Specialist, CAD Technician, Public Works Technician, Public Works Technician-Water AMR, Public Service Specialist, Assistant Village Forester, Fleet Maintenance Technician, Building Maintenance Worker I, Building Maintenance Worker II, Building Maintenance Technician I, Building Maintenance Technician II, Lead Fleet Maintenance Technician, as amended and certified by the Illinois Labor Relations Board on January 31, 2012, and the part-time shop assistant.

Excluded: All Village employees employed in titles other than those specifically listed above, as well as all managerial, supervisory, confidential, professional and short-term employees as defined by the Illinois Public Labor Relations Act, as amended.

Section 1.2: New Classifications

The Village may establish, modify or eliminate job classifications and the requirements of those classifications provided that the Village shall not do so and/or replace it with a new classification performing the same work as the existing classification for the purpose of lowering wage rates for the same work or reducing regular hours worked of bargaining unit employees. In the event the Village establishes any new classification pertaining to work of a nature performed by employees within the bargaining unit as established in Section 1, it shall provide the Union with at least fifteen (15) calendar days notice prior to the time the new classification will be implemented, together with notice of the proposed salary rate. If the new classification is a successor to a classification included in the bargaining unit, or, if the new classification will perform a significant amount of work currently being performed by a classification in the bargaining unit, the parties shall file an appropriate petition with the Illinois Labor Relations Board. The Union may notify the Village within seven (7) calendar days of a desire to meet for the purposes of negotiating the proposed salary rate for the new classification. If the parties are unable to agree on a salary rate, the Village may temporarily assign a proposed rate while the Union disputes the issue of the proposed wage rate only, pursuant to the Grievance Procedure set forth in this Agreement.

ARTICLE 2
UNION RIGHTS

Section 2.1: Union Activity During Working Hours

The Union shall not engage in Union Activities on Village time or its property which will interfere with employees' assignments or duties. Authorized agents of the Union shall have access to the Employer's establishment during working hours for the purpose of adjusting disputes and/or grievances, investigating working conditions, and ascertaining that the Agreement is being adhered to, provided however, there is no interruption of the Village's working schedule, or employee's job duties. Normally, only one Union agent shall be on the premises at any one time, in which case, the Union agent shall provide advance notice to the Public Works Director or the employee's immediate supervisor when planning to be on site. If more than one agent is planning to be on site to engage in an activity not listed above, the Union shall provide three (3) days advance written notice to the Village Manager or the Director of Human Resources when planning to be on site, unless mutually agreed otherwise.

Section 2.2: Time Off For Union Activities

Union Stewards, as provided for in Section 2.4 of this Agreement, shall be allowed time off without pay (Unpaid Leave) for legitimate Union business, such as Union meetings and State or International conventions, provided such steward gives reasonable prior notice to his/her supervisor of such absence; and, shall be allowed such time off if it does not substantially interfere with the operating needs of the Employer. The employee shall utilize any earned, but unused, time off (Holiday, Personal, Vacation Days, etc.) prior to the employee taking unpaid leave. Requests for utilization of earned, but unused, time off and unpaid leave shall be handled under the same procedures and provisions of this Agreement that apply to such leave requests in all other situations.

Section 2.3: Bulletin Boards

The Employer shall designate space for the Union on a bulletin board located in an employee gathering area at each of the following Village facilities: Public Works facility; Village Hall; Fleet Services facility. The Union agrees that postings shall be of a non-political, non-discriminatory and non-inflammatory nature and shall be limited to notices and other Union-related informational material. The designated space shall not be used to criticize the Village or any of its employees or officials. All materials posted by the Union shall be dated and signed by a Union Steward or other Union Official. A copy of all postings shall be provided as a courtesy to the Director of Public Works at least twenty-four (24) hours prior to being posted, unless less time is agreed to by both parties.

Section 2.4: Union Representatives

The Union shall notify the Employer within seven (7) days of their selection by providing the Village Manager with a list of the names and job titles of the selection of its representatives within the bargaining unit ("Stewards"), which shall not exceed four (4). The Union shall indicate in its written notification to the Village which representative shall serve as Chief Steward, if applicable. Any changes, modifications, additions or deletions to this information must be reported by the Union immediately in writing to the Village Manager.

ARTICLE 4

UNION DUES/FAIR SHARE CHECKOFF

Section 4.1: Dues Deduction

While this Agreement is in effect, the Village will deduct Union membership dues from the bi-weekly paycheck of those employees who are Union members and shall forward same to the Union, provided the employee has filed a voluntary, effective check off authorization on the form attached hereto as Appendix A. The Union is responsible for distributing the dues authorization form to the bargaining unit members (including new employees), securing signed forms, and forwarding such forms to the Village. Such dues authorization may be revoked by the employee with thirty (30) days written notice to the Village and the Union.

The Union shall certify in writing the exact amount of Union dues deductions for each individual member of the bargaining unit by providing the Village with a list of the names of each member and the exact amount of dues owed by that member. This formula shall be uniform for each employee in order to ease the employer burden in administering this provision. The Union may change the amount of the regular monthly fees twice each year during the life of this Agreement. The Union will give the Village thirty (30) days written notice of any such change in the amount of dues to be deducted; and, will provide in writing the exact amount of dues deductions that the Village shall make for each individual member of the bargaining unit by providing the Village with a list of the names of each member and the exact amount of dues owed by that member.

If an employee has no earnings or insufficient earnings to cover the amount of the dues deduction, the Union shall be responsible for the collection of that employee's dues, assessments or fees. The Union further agrees to refund to the employees any amount paid to the Union in error.

Section 4.2: Fair Share

Any present employee who is a recognized member of the bargaining unit but is not a member of the Union shall, as a condition of employment, be required to pay a fair share of the cost of the collective bargaining process, contract administration and the pursuance of matters affecting wages, hours, terms and conditions of employment, but not to exceed the amount of dues uniformly required of members. All employees hired on or after the effective date of this Agreement and who have not made application for membership in the Union shall, on or after the thirtieth (30th) day of their hire, also be required to pay a fair share as defined above.

With respect to any employee on whose behalf the Village has not received a written authorization as provided for in Section 4.1, the Village shall deduct from the wages of the employee the Fair Share financial obligation, including a retroactive amount due and owing and shall forward said amount to the Union, subject only to the following:

- a) The Union has certified in writing to the Village that the affected employee has been delinquent in his/her obligation for at least thirty (30) days;
- b) The Union has certified in writing to the Village that the affected employee has been notified in writing of the obligation and the requirement for each provision of this Article and that the employee has been advised by the Union of his obligation pursuant to this Article and of the manner in which the Union has calculated the Fair Share fee;
- c) The Union has certified to the Village that the affected employee has been given a reasonable opportunity to prepare and submit any objections to the payment and has been afforded an opportunity to have said objections adjudicated before an impartial arbitrator selected by the employee and the Union for the purpose of determining and resolving any objections the employee may have to the Fair Share fee.

Section 4.3: Objections On Other Grounds

Any non-member making a Fair Share payment may object to the amount of his/her Fair Share payments on the grounds that all or part of such payments have been expended by the Union for political activities or causes not germane to the collective bargaining process, contract administration and matters affecting employee wages, hours and conditions of employment.

Any such employee with any such objection shall process his/her objection in accordance with the notice and obligation procedure established by the Union which procedure shall be consistent with the requirements of law.

Section 4.4: Religious Objections

The objections to pay a Fair Share fee to the Union shall not apply to any employee, who on the basis of a bona fide religious tenet, teaching of a church or religious body of which such employee is a member, objects to the payment of a Fair Share fee to the Union. Upon proper substantiation and collection of the entire Fair Share fee, the Union will make payment on behalf of the employee to a non-religious charitable organization mutually agreed to by the objecting employee and the Union. If the employee and the Union are unable to agree upon a non-religious charitable organization, the organization shall be determined in accordance with the procedures

established by the Illinois State Labor Relations Board and shall not be inconsistent with Section 6G of the Illinois Labor Relations Act.

Section 4.5: Indemnification

The Union agrees to indemnify and save the Village harmless against any claims, demands, suits or other forms of liability which may arise by reason of any action taken or omitted by the Union or the Village in complying with the provisions of this Article.

ARTICLE 5

HOURS OF WORK AND OVERTIME

Section 5.1: Regular Hours

This Article is intended to define work per day or per week during the term of this Agreement and shall not be construed as a guarantee of work per week.

Section 5.2: Normal Workday and Workweek

The workday for all full-time bargaining unit employees is eight and one-half (8 ½) hours, including a thirty (30) minute unpaid meal period. The normal workday and workweek shall be as follows:

- 1) Maintenance Worker I and II, Materials Coordinator, Building Maintenance Technician I and II, Public Works Technician-AMR, Water Production Specialist, Assistant Village Forester, Lead Fleet Maintenance Technician, Fleet Technician, CAD Technician: 7:00AM to 3:30 PM, MONDAY THROUGH FRIDAY.
- 2) Public Works Technician: 7:00 AM to 3:30 PM or 7:30 AM to 4:00 PM, MONDAY THROUGH FRIDAY.
- 3) Building Maintenance Worker I and II: 4:00 PM to Midnight (inclusive of a paid thirty (30) minute meal period), MONDAY THROUGH FRIDAY. Part-time hours shall be 6:00PM to 10:00 PM.
- 4) Public Service Specialist: 5:30 AM to 2:00 PM or 2:00 PM to 10:30 p.m., MONDAY THROUGH FRIDAY. Part-time hours shall be 7:00 AM to 3:30 PM or 3:30 PM to Midnight, SATURDAY AND SUNDAY.
- 5) Shop Assistant: Part-time hours shall be 8:00 AM to Noon, MONDAY THROUGH FRIDAY.

The Director or his/her designee reserves the right to temporarily alter work hours based on the following:

- a. The Village shall first solicit volunteers to work the altered hours.
- b. If an insufficient number of employees volunteer then the Village may require employees to work the altered hours based on reverse seniority within a classification.
- c. The Village may not alter work hours in an effort to avoid overtime compensation.
- d. The Village shall provide as much advance notice as possible.
- e. In the event of a declared emergency or in preparation for said emergency, as determined by the Village Manager or Mayor, the work schedule shall default to teams and procedures as set forth in section 5.9 Winter Operations.

The Village shall not implement any daily schedule of over ten (10) hours without first (a) providing adequate notice to the Union, and (b) negotiating with the Union in good faith regarding said proposed change.

Section 5.3: Rest/Lunch Periods

Bargaining unit employees shall be granted a fifteen (15) minute paid break during the first half of each work shift, a one-half(1/2) hour unpaid (unless otherwise agreed upon) lunch during the midpoint of each day, and a fifteen (15) minute paid break during the second half of each work shift. Employees may combine their break and lunch periods, subject to approval of their supervisor. In the event the employee is unable to take his/her lunch, the Village shall pay the employee, at the appropriate overtime rate, if applicable, for the time not taken; or, allow the employee to leave work early the commensurate amount of time with pay.

Section 5.4: Mandatory Rest Period

Unless an Employee agrees otherwise, Employees will not be required to work more than sixteen (16) hours in a twenty-four (24) hour period without being allowed an eight (8) hour rest period. The only exception to this practice is in situations of emergency as determined by the Director or his/her designee. In these situations of emergency, an employee may be permitted to work beyond a sixteen (16) hour period as previously described if in the Supervisor's opinion the employee is mentally alert and shows no visible signs of exhaustion or fatigue. Employees who participate in snow removal operations shall be granted an additional bank of twenty-four (24) hours of snow recovery time at the beginning of each year, and shall be granted an additional sixteen (16) hours for non-snow removal emergencies (i.e. operations for storm damage, flooding, water main breaks or any other event deemed to be an emergency as determined by the Director). Snow recovery hours shall be used for the purpose of rest following a period of snow removal, and emergency operations recovery hours shall be used for the purpose of rest following a period of storm damage, flooding, or any other emergency as determined by the Director. Snow and emergency operations recovery hours may be used by employees in lieu of requiring employees to utilize sick time or vacation time and only in the event the employee began working on or before 3:00 a.m.. These hours may be taken in increments of four (4) hours, but may not be taken on consecutive days and do not roll over from one year to the next. Under no circumstance shall an employee be paid out for snow and emergency recovery hours not taken.

Section 5.5: Workday Return Home

If a work assignment begins before 3:00 a.m. and if the Village ends such work assignment during the employee's normal workday, the affected employee may then utilize accrued vacation or compensatory time to complete the remainder of the normally scheduled workday with compensation or may elect to go home for the remainder of the workday without compensation. The Village has the right to determine the end of the work day.

Section 5.6: Overtime Compensation

An employee working any hours on duty in addition to the regular hours as defined in this Article shall be compensated for those overtime hours at the rate of one and one-half (1 ½) his/her regular straight time hourly rate. All approved overtime shall be paid in fifteen (15) minute increments according to Fair Labor Standards Act Rounding Rules. For the purpose of calculating hours worked for purposes of overtime, hours worked shall include paid leave for holidays, vacation, sick leave and any other leave provisions for which an employee receives compensation as a Village employee. All overtime must be approved by the employee's direct supervisor.

Section 5.7: Unscheduled Overtime Distribution

The Director or his/her designee shall have the right to require overtime work and employees may not refuse overtime assignments. Public Works overtime shall be distributed in the following manner: The Director or his/her designee will initially offer overtime to bargaining unit employees in the shop (Tool Room, PSRT, Pavement & Drainage, Traffic, Water, Forestry & Grounds, Fleet, Engineering, AMR) that normally performs the work in question, by order of seniority. In the event there are not enough volunteers within that shop, the Director or designee shall offer the work to all other bargaining unit employees in Public Works by seniority. If an employee does not answer the phone, the supervisor will leave a voicemail message and may contact the next person in seniority and shall not be required to wait for the nonresponsive employee to call back. In the event that there are not enough volunteers to complete the overtime assignment, the Director or designee shall assign overtime on a reverse seniority basis; first from within the shop where the work originated and then from the remaining Public Works bargaining unit employees. An employee that does not answer the phone or return a call

when being called in for overtime may be subject to discipline.

Notwithstanding any of the above, the Director or designee may deviate from these requirements in his/her discretion and select specific employees for overtime assignments based on specific skills, abilities and experience they may possess. A supervisor for non-Public Works employees shall assign overtime on a seniority basis. Any employee responding to an overtime assignment shall be at the assigned work place within one (1) hour of receiving the call.

In the event of a holdover overtime assignment, the overtime will first be offered to the crew that began the work assignment during the normal workday hours. If there are not enough employees to complete the holdover work assignment, then assignment of overtime shall default to the procedures set forth above.

The employment of non-bargaining unit personnel shall not work to deprive bargaining unit personnel of opportunities to work overtime. However, if no bargaining unit personnel are available, the employer may work other personnel without violating the Agreement. This Section shall be superseded by the procedures set forth in Section 5.9 (Winter Operations) for the time period stated therein for Winter Operations assignments.

Failure to comply with the provisions of this Section may result in disciplinary action, up to and including dismissal.

Section 5.8: Scheduled Overtime Distribution

The Director or his/her designee shall have the right to require overtime work. Such work assignments shall be distributed in the following manner: On the third Monday of each month, the Director or his/her designee shall provide to the bargaining unit a list of scheduled overtime assignments for the following month. The bargaining unit will ensure that a bargaining unit employee is assigned to each scheduled overtime assignment identified on the list. Prior to the close of business on the last full workday of the month, the bargaining unit shall return to the Director or his/her designee the completed list identifying each employee who will work each scheduled overtime assignment.

Section 5.9: Winter Operations

Section 5.9.1 Personnel

A. Employees: All bargaining unit employees including maintenance workers, engineering technicians and fleet technicians shall have a part in snow and ice removal. These personnel shall work all functions of snow and ice removal using all types of equipment, trucks and hand shovels.

B. Teams: The Public Works Director, or designee, shall assign teams during September and shall post the team sheet on the Public Works Bulletin board. Employees are assigned to either of two teams (Blue or Orange).

C. Team Shifts: As necessary during snow/ice events, the blue and orange teams shall be assigned to alternate twelve-hour shifts, one for days the other for nights. Shift changes shall occur at 7:00 p.m. and 7:00 a.m., and shall alternate every Monday as subsequently discussed in Section D (Team Rotation). If the Blue team is assigned the night shift for the Christmas holiday for a given year, the Blue team shall be slotted for the day shift the following year, and vice versa for the Orange team.

D. Team Rotation: Teams shall rotate on a weekly basis on Monday mornings at 7:00 a.m., unless snow and ice removal operations are already occurring at that time. If teams are in the midst of operations on Monday at 7:00 a.m., the shift change shall be delayed until there is a break in the work pattern to allow the switch. Any delay in the switch of teams from the day to night shifts shall have no bearing on the following Monday's scheduled shift change with the following exception: if the night shift actively worked more than 7 consecutive nights, the Director of Public Works may alter the team rotation schedule dependent on the welfare of the employees.

E. Fleet Services: Fleet technicians shall be assigned a weekly rotating schedule to accommodate night shifts should there be required repairs during snow and ice removal operations. Technicians will be called in concurrent with plowing operations, and at the Supervisor's discretion during salting operations. The fleet technician rotation schedule shall be posted on the Public Works Bulletin board.

F. Overtime Pay and Compensation: Overtime pay shall be paid in accordance with Section 5.6 of this Agreement. The standard practice during snow and ice removal operations has been to pay overtime for hours worked outside of the standard workday (standard workday typically is 7:00 a.m. to 3:30 p.m.) regardless of the number of regular straight hours worked. Additionally, when staff is called in where they have not been given pre-arranged instruction to come in to work, an additional hour of pay (call-out hour) shall be given to that employee. Because of the variable nature of weather and the rotation schedule of Public Works staff, it is quite possible that an employee may have more overtime hours than straight hours for a given pay period during the winter snow season.

G. Call-out Procedure: Supervisors shall call in crews as shown on the team schedule on a rotation of 12 hours on and 12 hours off. This shall be at the discretion of the Supervisors, depending on the anticipated strength and/or arrival time of the pending event. In the event a snow event requires less than a full team call-out it shall be made on a seniority basis from within the appropriate snow team.

H. Sending Home Early: Should a significant winter storm event be predicted with high probability to occur on a given workday prior to midnight (12:00 a.m.), the scheduled overnight snow team and assigned mechanics may be sent home at 11:00 a.m. or as close to that time as possible. This will allow an employee working the overnight shift to have an approximate 8-hour window in which to rest prior to working an overnight shift. Should the employees who were sent home not be called back in for service before midnight, they shall be paid for the hours of the workday missed to make an 8-hour day. The decision to send employees home early will be at the discretion of the on duty Supervisors subject to available weather forecasts.

When a snow work shift starts before midnight and the following day is a workday (Monday through Friday), and not a Village holiday, minimum payment for hours worked between midnight and 7 a.m. shall be five (5) overtime hours. This shall not apply to a work shift that starts after midnight.

I. Response Time: All employees called in for snow related duties shall physically be at the Public Works Facility within 1 (one) hour of response to a call on the Village-issued cell phone or home phone (or cell phone if applicable). Any deviation from the one-hour response time shall be at the discretion of the on duty Supervisors, and may be subject to discipline.

J. Vacation and Time Off Requests: All employees shall adhere to the following guidelines for requests and granting of time off during the snow and ice removal season. Time off is considered the use of accrued vacation, floating holiday and compensatory time. Requests for time off during snow and ice removal season shall be granted at the discretion of the Assistant Director of Public Works – Operations or designee.

Beginning January 1, 2016, Snow and Ice Removal Season is defined as that period of time from November 15th until March 21st of the following year. Though snow and ice removal activities may occur before and after these dates, historically the majority of storm events have occurred during this time period.

A maximum of two bargaining unit employees from each snow removal team, and one mechanic from fleet staff, may be granted time off on any given workday from December 1st through March 21st. A maximum of four bargaining unit employees from each snow removal team, and one mechanic from fleet staff, may be granted time off on any given workday from November 15th through December 1st. Employees granted time off according to these conditions will not have any obligation to the Village for snow and ice removal during that window of time granted off.

Any employee may be granted time off on a given day, in addition to employees granted time off according to the terms of Paragraph J, with the understanding that they shall be required to perform snow and ice removal functions should they be called upon by an on-duty Supervisor.

Individuals who request time off during the Christmas and New Year's holiday period, who were not granted time off during the holiday period the previous year, will be given preferential treatment whenever possible.

In order to insure all employees the opportunity to take time off from work during November 15th and March 21st, time off without obligation to snow and ice removal shall be limited to a maximum of seven consecutive calendar days during the snow and ice removal season. Additionally, no employee shall take more than one weekend off of snow removal during a single month. If the end of a month splits a weekend (Saturday in one month, Sunday beginning the next), the weekend will be counted in the month in which the Saturday falls.

Time off granted during the time period covered in this section will be posted once granted on the Public Works Calendar. Employees can request time off according to this section after September 15th of the given year. All requests shall be reviewed in the order with which they are received. Time off requests shall be requested by the employee in writing or electronically to Assistant Director of Public Works – Operations or his/her designee. Additionally, beginning in year 2016 up to two (2) public works employees may request advanced time off during November 15th through March 21st by submitting an electronic request to the Assistant Director of Public Works – Operations or designee after June 1st. Said requests will be considered on a first come first serve basis. The request will be granted or denied within fourteen (14) days.

Approved days will correspond to the shift schedule of the employee. If the shift begins at 7:00 p.m., the approved time slot will extend until the end of the shift at 7:00 a.m. the following day.

The Director of Public Works may allow exceptions to the number of employees granted time off or to the length of time allowed off at his/her discretion.

K. Discipline: Any violation of this Winter Operations Plan may result in discipline in accordance with Article 8 of this Agreement.

Section 5.9.2: Contract Plowing

If, in the Village's sole discretion, it is advantageous for the Village to use a snow removal contractor of a townhouse or condominium subdivision, the Village will consider contracting with the subdivision's service for snow removal in the right-of-way of that subdivision. In these subdivisions, contractual plowing occurs when snowfalls exceed 2 inches. Further, in its sole discretion, the Village shall have the right to contract out any snow removal operations it deems necessary, provided any such subcontracting will not result in a substantial loss of work for bargaining unit employees.

Section 5.10: Holdover Rate

Employees held over beyond their normal quitting time shall receive the appropriate overtime rate for actual hours worked.

Section 5.11: Call Back

A call back is defined as an official assignment of work, which does not continuously follow an employee's regularly scheduled working hours. Employees reporting back to the Village's premises, or their normally assigned work station, at a specified time, shall be compensated on the following basis:

- 1) Employees called back to work overtime and receiving such notice outside of their normal work schedule shall receive, in addition to the applicable overtime rate, one (1) additional hour's pay at the rate of one and one-half (1 ½) times their regular rate of pay as compensation for the inconvenience of unscheduled work outside the employee's normal working hours, and not as compensation for travel expense, with the exception of telecommuting response outlined below.
- 2) Telecommuting Call Back Response: Employees who are able to respond to notification of a problem and resolve the problem, without physically reporting to a work station, by electronic technologies

including, but not limited to, SCADA, computer, facsimile machines and telephones (excluding employee to employee conversations) shall be compensated on the following basis:

- a) If the problem is resolved through telecommunicating methods a non-exempt employee shall be compensated for a minimum of one (1) hour at one and a half (1 ½) times the regular rate of pay.
- b) If an employee is unable to resolve the problem through electronic methods and it is necessary to physically report to an onsite Village station, then the compensation shall be based on the minimum as defined in this section. Time spent in attempting to initially resolve the problem via electronic methods, shall be included in the calculation of total hours worked. Travel time is not counted as hours worked.

Section 5.12: Compensatory Time

An employee who has accumulated, with the permission of the supervisor, forty (40) hours of work time prior to the end of the work week may take the remaining hours as compensatory time at the rate of one and one-half (1 ½) hours for each hour worked. In the case of compensatory time, the scheduling of time-off shall be determined by the supervisor taking into account the budget and workload of the department. Employees shall not be allowed to carry over accumulated compensatory time from one year to the next, unless approval in writing is granted by the Manager no later than January 1, annually. In no event may an employee carry more than eighty (80) hours of compensatory time.

Annually, as part of the first pay period in January, all employees shall be paid out for all accumulated compensatory time.

Section 5.13: No Pyramiding

Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement.

ARTICLE 6

SENIORITY

Section 6.1: Definition of Seniority

“Seniority” shall, for the purposes of this Agreement, be defined as an employee’s length of continuous regular full-time or continuous regular part-time employment calculated from the employee’s last date of hire. Employees hired on the same day shall be placed on the seniority list in alphabetical order in accordance with their last name.

Section 6.2: Seniority List

The employer shall prepare a list by January 1st of each year setting forth the present seniority dates for employees covered by this Agreement. Such list shall be provided to the Union Steward(s) or his/her designee and posted on the Union bulletin board. The Village shall not be responsible for any errors in the seniority list unless such errors are brought to the attention of the Village in writing within fourteen (14) calendar days after the Union’s receipt of the list.

Section 6.3: Termination of Seniority

An Employee shall be terminated by the Employer and his/her seniority broken when he/she:

- 1) Resigns;
- 2) Is discharged for just cause (no cause needed for employees who are discharged during their qualification period upon initial hiring);

- 3) Retires;
- 4) Is laid off and fails to report to work on the mutually agreed upon date after being recalled;
- 5) Is laid off pursuant to the provisions of the applicable agreement for a period in excess of one (1) year; or
- 6) Is absent for three (3) consecutive scheduled work days without proper notification or authorization except for exigent circumstances.

Section 6.4: Accrual of Seniority

Employees will not continue to accrue seniority while on an authorized unpaid leave of absence, but will not lose seniority accrued at the time the leave commences.

Section 6.5: Qualification Periods

Section 6.5.1: Qualification Period Upon Initial Hiring

An appointee to a full-time or part-time employment position, prior to being accepted into full employment status, shall successfully complete an initial qualification period of six (6) months. At the Village Manager's sole discretion, the qualification period upon initial hiring may be extended for an additional six (6) months, provided the employee is advised of the reason for such extension. During the qualification period upon initial hiring, no grievance may be filed by or on behalf of such employee regarding discharge or discipline, and said employee may be discharged with or without cause. An employee that has not successfully completed the qualification period upon initial hiring shall have no seniority until he/she has successfully completed the required qualification period upon initial hiring. Upon such completion, he/she shall acquire seniority retroactively from the date of employment.

Section 6.5.2: Qualification Period Upon Promotion or Transfer

Employees who change departments, or are promoted within the bargaining unit, shall be required to serve an additional three (3) month qualification period upon promotion or transfer. During the qualification period upon promotion or transfer, the Village retains the right, provided there is a position available, to demote or transfer such employee to a position with a rate of pay not less than the rate the employee earned immediately prior to the promotion or transfer, provided that the employee is fully qualified for the position or the Village may demote or transfer the employee to his/her former position. The Village will provide an employee who is demoted or transferred pursuant to this Section with a written statement as to the basis of the demotion or transfer. The demotion or transfer shall not be subject to the grievance procedure. It is specifically understood that such action by the Village may result in a layoff of a new employee if the Village has hired a new employee to fill the newly created vacancy.

ARTICLE 7

LAYOFF AND RECALL

Section 7.1: Layoff

A layoff is defined as a reduction in the work force resulting in an employee being placed on a recall list as defined in Section 7.2. The Village, in its discretion, shall determine when and whether layoffs are necessary. If it is determined that layoffs are necessary, employees covered by this Agreement will be laid off within a job classification, according to seniority within said classification. A laid off, full-time employee, if he/she is on full employment status with the Village, will be given an opportunity to bump the least senior bargaining unit employee of the lowest full-time job classification (Maintenance Worker I for Public Works Department Employees; and, Building Maintenance Worker I for Building Services Department Employees) and assume that classification and reduced pay grade. The bumped employee will then be considered laid off with no additional bumping rights. Notwithstanding the above, any full-time employee in the affected job classification who is still in their qualification period upon initial hiring shall be laid off first.

Except in an emergency, no layoff will occur without at least fifteen (15) calendar days' notification to the Union. The Village agrees to consult the Union and afford the Union an opportunity to propose alternatives to the layoff though such consultation shall not be used to delay the layoff. The Village will not hire any person or assign other personnel to perform bargaining unit work while any bargaining unit employee is laid off.

Section 7.2: Recall

Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, employees who are still on the recall list shall be recalled in inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled.

Employees who are eligible for recall shall be given fourteen (14) calendar days' notice of recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union, provided that the employee must notify in writing the Director of Public Works or his/her designee of his/her intention to return to work within seven (7) days after receiving notice of recall. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by mail, return receipt requested, to the mailing address last provided by the Employee, it being the obligation and responsibility of the Employee to provide the Director of Public Works or his/her designee with the latest mailing address. If an Employee fails to timely respond to a recall notice as provided hereunder, his/her name shall be removed from the recall list.

ARTICLE 8
DISCIPLINARY PROCEDURES

Section 8.1: Discipline and Discharge

Where appropriate, discipline in the Department shall be progressive and corrective, designed to improve behavior, not merely to punish. The Village may discipline only for just cause. Copies of the Village Personnel Manual shall be provided to the Union.

The employee may file a written reply to any oral reprimand discipline. If the Employer has a reason to reprimand an Employee, it should be done in a manner that will not embarrass the employee before other employees or the public.

Any employee found to be unjustly suspended or discharged should be reinstated with full compensation for all lost time; and, with full restoration of all other rights, benefits and conditions of employment without prejudice unless a remedy is agreed upon or otherwise deemed appropriate.

ARTICLE 9
GRIEVANCE PROCEDURE

Section 9.1: Grievance Defined

A grievance is defined as any meritorious difference, complaint or dispute, including disciplinary action of an employee, between the Employer and the Union or any employee regarding the application, meaning or interpretation of the express provisions of this Agreement. Business days shall be defined as Monday through Friday, excluding holidays as set forth in this Agreement.

Section 9.2: Processing of Grievance

Employees are encouraged to promptly discuss with their supervisor any work-related problem. It is the policy of the Village to endeavor to conduct personnel actions that are fair; and, to provide an open line of communication with all employees. Once identified, most problems can be resolved in a direct and open manner. However, it is recognized that certain issues may not be resolved in this manner; and, therefore, a formal grievance procedure has been established.

Grievances, except at Step 1, shall be processed only by the Union on behalf of an employee; on behalf of a group of employees; or, itself, setting forth name(s) or group(s) of the employee(s). Either party may have the grievant, or one grievant representing a group of grievants, present at any step of the Grievance Procedure; and, the employee is entitled to Union representation at each and every step of the Grievance Procedure. The resolution of a grievance filed on behalf of a group of employees shall be made applicable to the appropriate employees within that group. Consent of the employee or group of employees shall be obtained by the Union prior to the filing of any grievance under this Article which involves the particular employee or group of employees. The Union and Employer may mutually agree to extend time limitations set forth in this Article regarding processing of grievances. Such extensions must be in writing signed by both parties.

Section 9.3: Grievance Steps

Step 1: Immediate Supervisor

The employee, with or without a Union representative, or the Union, shall first attempt to orally resolve the dispute with the direct supervisor, and only after such attempt is made, upon its failure, may file a formal written grievance with his/her direct supervisor within ten (10) business days from the occurrence of the event giving rise to the grievance.

The supervisor shall be responsible for making inquiry into the facts and circumstances of the grievance and providing the employee with a written response within ten (10) business days after receipt of the grievance. A copy of this response is to be given to the Director of Human Resources and the grievant as identified within the grievance form.

Step 2: Director of Human Resources

If the grievance remains unsettled after the response in Step 1, the Union may advance the grievance in writing to the Director of Human Resources within ten (10) business days from the date of the written response to the Step 1 grievance.

The Director of Human Resources or his/her designee shall be responsible for making inquiry into the facts and circumstances of the appeal; and, providing the grievant, as identified in the grievance form, with a written response within ten (10) business days after receipt of the grievance.

Step 3: Village Manager

If the grievance is not settled at Step 2, and the Union desires to appeal, it shall be referred in writing to the Village Manager within ten (10) business days after receipt of the response to the Step 2 grievance. The Manager, or the Manager's designee, shall consider the information provided and may, at the Manager's sole discretion, conduct an informal meeting with the employee, the Director, a Union Steward and a representative of the Union; and, other involved individuals, as determined by the Manager. The Manager will render in writing his/her findings and decision within fifteen (15) business days after receiving the request for review and provide the grievant, as identified in the grievance form, with a copy. If the grievance is not settled in Step 3, and the Union or Village desires to appeal the grievance from Step 3, the Union and/or Village may refer the grievance to arbitration, as described below, within fifteen (15) business days of receipt of the response to the Step 3 grievance as provided to the Union in Step 3. If no such request for arbitration is made within the fifteen (15) business day period, such request shall be considered waived.

Section 9.4: Arbitration Procedure

If the grievance remains unsettled after the response in Step 3, the Union may refer the grievance to arbitration within fifteen (15) business days of the Step 3 response. The parties shall request the Federal Mediation and Conciliation Service (or other mutually agreeable arbitration service) to submit a panel of seven (7) Arbitrators. The parties shall alternately strike the names of Arbitrators, taking turns as to the first strike. The person whose name remains shall be the Arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of Arbitrators. The Arbitrator shall be notified of his/her selection by a joint letter from the Village and the Union, requesting that he/she set a time and place for the hearing, subject to the availability of both parties.

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the Arbitrator. Both parties shall have the right to request the Arbitrator to require the presence of witnesses and/or documents. Each party shall bear the costs of its own witnesses.

Questions of arbitrability shall be decided by the Arbitrator. The Arbitrator shall make a preliminary determination on the question of arbitrability. If it is determined that the matter is arbitrable, or if such preliminary determination cannot reasonably be made, the Arbitrator shall then proceed to determine the merits of the dispute.

In the conduct of any arbitration under this Article, the rules and procedure governing the conduct of arbitration proceedings of the American Arbitration Association shall control, except where specifically limited by this Article. The Arbitrator shall neither amend, modify, nullify, ignore, add nor subtract from the provisions of this Agreement.

The expenses and fees of the Arbitrator, and the cost of the hearing room, shall be shared equally by both parties. Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent Arbitrator(s) during the term of this Agreement.

If either party desires a verbatim record of the proceedings, it may cause such to be made, providing it pays for the record and makes a copy available, without charge, to the Arbitrator. If the other party desires a copy, it shall equally pay for the expense of such.

The Arbitrator shall render his/her decision in writing to the parties within thirty (30) calendar days following the close of the arbitration hearing or the submittal date of briefs, whichever is later, unless more time is requested by the Arbitrator. The Arbitrator shall support his/her findings with a written opinion. The decision and opinion shall be based solely on, and directed to, the issue presented. The award shall clearly direct the parties as to what action(s) must be taken in order to comply with the award.

The decision and award of the arbitration shall be final and binding to the Union, employee(s) and Village. Such decision shall be within the scope and terms of this Agreement, but shall not change any of its terms or conditions.

Section 9.5: Grievance Forms And Content

The written grievance required under this Article shall be on a form which shall be provided by the Union, which form shall be approved by the Village. A copy of the grievance form is attached hereto as Appendix B. At every Step of the grievance process, the written grievance shall contain a statement of the facts involved in Grievant's complaint, the Section(s) of this Agreement that have been allegedly violated, the date of the alleged violations and the relief being sought. The form shall be signed and dated by the Grievant and/or his/her representative. Typographical errors will not be grounds for denying a grievance.

Section 9.6: Settlements

Any grievance not appealed to the next succeeding Step in writing and within the appropriate number of work days of the Village's last answer will be considered settled on the basis of the Village's last answer and shall not be eligible for further appeal.

Sick leave is a privilege, not a right, extended to full employment status employees. Employees engaged in completing the qualification period for a full employment status position may, upon approval of their Director or his/her designee, be granted sick leave privileges. A promotional or transfer appointee as defined in the Village Personnel Manual shall be eligible for sick leave privileges regardless of the

qualification period. Sick leave may not be used to obtain additional vacation time. Abuse of sick leave privileges is sufficient cause for discipline, up to and including, termination.

Section 10.9: Sick Leave – Accumulation

Sick leave is accumulated on the basis of eight (8) hours for each month of service.

Section 10.10: Sick Leave – Use

Sick leave is to be used for periods of personal illness or injury. In addition to personal illness or injury, sick leave may be granted, at the discretion of the Director, for the following reasons:

- a. Medical or dental appointments for the employee or an immediate family member which cannot be scheduled outside of normal working hours;
- b. Illness or injury of a member of the employee's immediate family, which necessitates the employee's absence from work. For purposes of this section, the term "immediate family" shall mean husband, wife, children, father or mother, stepparents, brother, sister or step-child.

Said certification is at the employee's expense and may be requested when an employee has been absent due to illness or injury for a period of three (3) or more days; has repeated illnesses of shorter periods; is absent due to illness or injury on the day of, before, or after a holiday; or in other circumstances as deemed appropriate by the Director.

 - (iii) Upon such person's death, provided such death did not arise out of any event which would be cause for a disciplinary termination.

In the event of the death of the employee's spouse, son, daughter, step-child, parent or a person for whom the employee is the legal guardian of and possesses a durable power of attorney, the employee will be granted two additional working days off paid as funeral leave. An employee shall have the option of supplementing any funeral leave with any available vacation, compensatory or floating holiday time with approval from the employee's Supervisor.

Paid leave for this purpose will not be applicable in cases where the funeral occurs on a paid holiday, or any other case which would result in paying twice for the same time off. No additional payment will be made if the employee is on leave of absence or is absent due to illness or injury.

Section 10.15: Jury or Witness Duty

Employees in full employment status as defined in the Village Personnel Manual shall receive full pay for time not worked while serving on jury duty or testifying as a witness at the request of the Village, or testifying under subpoena to matters related to their employment with the Village. Employees participating in jury duty shall keep the payment received for jury duty service and shall provide a copy of the check to his/her supervisor to verify their absence from work. In addition, no employee shall receive pay for time not worked while testifying as a witness in a case filed by the employee against the Village, its officers or employees or for matters of a personal interest.

Section 10.18: Administrative Leave

An employee may be placed on administrative leave at the sole discretion of the Village Manager whenever the Manager determines that the employee's continued presence on the job is inappropriate or unduly disruptive. In such case, the employee shall be relieved from normal job duties but shall continue to be considered an employee of the Village and shall continue to receive all normal pay and benefits. Provided, Administrative Leave shall not be considered discipline, but is rather a temporary removal from duty. Administrative Leave shall be for such time as the Manager may direct. By way of example, but in no way as a limitation, Administrative Leave may be used such as during an internal investigation of personnel actions.

ARTICLE 11
UNPAID LEAVE

Section 11.2: Military Leave

 6. If the employee is requesting partial or intermittent leave, the employer may request verification of the schedule of treatment.
- b. If the FMLA medical leave is for the employee's own medical condition, the Village may, at the Village's expense, require the employee to obtain the opinion of a second health care provider chosen by the Village. If the employee chosen and the Village's health care providers disagree about any of the information in the certification, the parties will mutually select a third medical provider at the Village's expense. The decision of the third provider shall be final and binding.
- c. In the case of qualified exigency leave provided for in 11.10(a) due to a call to duty or active duty, such leave shall be supported by a certification in such manner and at such time as the Secretary of the Department of Labor shall prescribe by regulation.

An employee must provide the Village with at least thirty (30) days notice of the need for FMLA leave for birth, adoption, foster care or planned medical treatment when the need for the leave is foreseeable. In any case in which the need for FMLA leave is foreseeable based on planned treatment or supervision, the employee must make a

reasonable effort to schedule the treatment so as not to unduly disrupt the employer's operational needs. In any case in which the necessity for qualified exigency leave due to active duty of a family member is foreseeable, whether because the spouse, child or parent of the employee is on active duty, or because of notification of an impending call or order to active duty in support of a contingency operation, the employee shall provide such notice to the employer as is reasonable and practical.

Employee wages and benefits will remain the same as though no transfer had occurred during the transfer period.

NO STRIKE / NO LOCKOUT

Section 22.1: No Strike / Slowdown

During the term of this Agreement, neither the Union nor any officers, agents, designees or employees of Employer shall instigate, promote, sponsor, engage in or condone any strike, including sympathy strikes, slow down, sit down, concerted stoppage of work, mass absenteeism, concerted refusal to work overtime, picketing, refusal to cross picket lines or any other intentional interruption or disruption of the operation of the Village regardless of the reasons of doing so.

Each employee who holds the position of officer or steward of the Union occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article, the Union agrees to inform its members of their obligations under this Agreement and to direct them to return to work. Any or all of the employees who violate any of the provisions of this Article shall be subject to discipline, including but not limited to immediate discharge.

Section 22.2: No Lockout

During the term of this Agreement, the Village shall not lockout any bargaining unit employees.

ARTICLE 23

WAGES

Section 23.1: Wages

The Wage Rates for the term of this Contract are set forth in Appendix C attached hereto and herein incorporated.

Employees with a starting salary which is less than the starting salary established in the step plan for the first year of the contract will receive an adjustment to the minimum of the salary range for their position or rank.

All eligible employees shall receive step increases the first full pay period in May of each year of this Agreement.

Section 23.2: Assignment Pay

Except as provided herein, employees shall not be entitled to any additional compensation beyond that specified for their employment position as set forth in Appendix C. The Director may assign an Employee to perform duties substantially different than those normally included within the employment position currently held by the Employee. In the event the Director determines that such additional duties merit additional compensation beyond that specified for their employment position within the compensation plan, the Director, with the approval of the Village Manager, may authorize assignment pay. In such event, the Director shall complete a Personnel Action Request Form (PAR) and submit it along with any other supporting documentation to the Director of Human Resources. No employee shall be entitled to assignment pay except as expressly approved by the Director and Village Manager with a PAR. Assignment pay for any employee may be terminated at any time at the sole discretion of the Village Manager.

ARTICLE 24

DRUG AND ALCOHOL POLICY

The Village of Downers Grove is committed to maintaining a drug-free workplace in compliance with applicable laws. In order to protect the public and to ensure a safe, healthful and drug-free work place, the Village requires compliance with the following procedures and guidelines:

- a. The Village prohibits the unlawful use, consumption, manufacturing, dispensing, distribution, or possession of a controlled substance or alcohol while on Village premises, in Village vehicles or while performing work for the Village.
- b. For purposes of this policy, a controlled substance:
 1. Includes cannabis;
 2. Is a substance that is not legally obtainable;
 3. Is a substance that is being used in a manner different than prescribed;
 4. Is a substance that is legally obtainable, but has not been legally obtained, or
 5. Is a substance that is defined as such by federal or State law.
- c. Any employee found using, possessing, manufacturing, dispensing or consuming a controlled substance or alcoholic beverage on Village premises, Village vehicles or while performing work for the Village shall be subject to disciplinary action up to and including discharge. Any disciplinary sanction imposed may also include the completion of an appropriate rehabilitation program as a condition of reinstatement or continued employment.
- d. The Village may require employees to submit to a urinalysis and/or other appropriate drug and alcohol testing prior to hiring or subsequent to any on-the-job injury or accident.
- e. Employees will not be permitted to work while under the influence of drugs or alcohol. Employees who appear to be unfit for duty will be relieved from duty and may be required to submit to a urinalysis and/or other appropriate drug and alcohol testing. The Village may also test an employee whenever there is a

reasonable suspicion of drug or alcohol abuse. Refusal to submit to such testing or the failure to pass the test shall be cause for discipline, up to and including discharge.

f. The results of any drug or alcohol testing shall be sent to the Village Human Resources Department but shall remain confidential to the extent possible under applicable law. If the results of the test are positive, the employee may be advised confidentially to seek the assistance of drug counseling or the employee assistance programs, and may be provided a reasonable period of time for rehabilitation. Provided, nothing herein shall be interpreted to prohibit the imposition of discipline up to and including discharge. In addition to any discipline which may be imposed, if an employee tests positive, the employee will be subject to random testing for the following year. If an employee subject to such random test again tests positive, the employee will be subject to further disciplinary action up to and including discharge.

g. As a condition of employment, each employee will notify his or her supervisor if he or she is convicted of a criminal drug offense involving the workplace within five (5) calendar days of the conviction. In the event any such conviction involves an employee working on a Federal or State contract or Federal or State grant, the Village will notify the granting or contracting agency within ten (10) days of receiving notice of a conviction.

h. Employees are encouraged to request assistance through the Village's employee assistance program or other reputable sources in the community in dealing with a personal alcohol or drug-related problem.

i. Employees who wish to report drug and alcohol use in violation of this policy should contact their supervisor or the Human Resources Department. The Village will make every effort to protect anonymity, and such information will be treated in confidence.

The parties agree that during the term of this Agreement, the Village may adopt and amend policies to implement drug and alcohol testing for bargaining unit members required to have a commercial driver's license as required by Federal and State law. For random drug testing done pursuant to the Village's policy, the Union is entitled to have a Steward present during the random selection process. However, the Union Steward is not entitled to the names of the persons selected. The Village's policy, as may be amended from time to time pursuant to this Agreement, is attached hereto as Appendix D.

ARTICLE 25

SAVINGS CLAUSE

If any provision of this Agreement or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, or by existing or subsequently enacted Federal or State legislation, or by Executive Order or other competent authority, including boards or agencies, the remaining provisions of this Agreement shall remain in full force and effect. In such event, upon the request of either party, the parties shall meet promptly and negotiate with respect to substitute provisions for those provisions rendered or declared unlawful, invalid or unenforceable.

ARTICLE 26

ENTIRE AGREEMENT

The parties acknowledge that during the negotiations which preceded this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, which conflict with the express terms of this Agreement. If a past practice is not addressed in the Agreement, it may be changed by the Employer as provided in the Management Rights Clause. The understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Except as may be stated in this Agreement, each party voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the

knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement. The Union specifically waives any right it might have to impact or effect bargaining for the life of this Agreement.

ARTICLE 27
TERMINATION

This Agreement shall be effective upon ratification by both parties and shall remain in full force and effect until April 30, 2018. It shall continue in effect from year to year thereafter unless notice of termination is given in writing by certified mail by either party no earlier than one hundred twenty (120) days preceding expiration. The notices referred to shall be considered to have been given as of the date shown on the postmark. Written notice may be tendered in person, in which case the date of notice shall be the written date of receipt.

Notwithstanding any provision of this Article or Agreement to the contrary, this Agreement shall remain in full force and effect after any expiration date while negotiations or resolution of impasse procedure for a new Agreement or part thereof are continuing between the parties, provided that either party may terminate this Agreement by written notice to the other at least ten (10) days prior to the desired date of termination but not before the anniversary date of this contract.

IN WITNESS WHEREOF, the parties have executed this Agreement this 25 day of August, 2015, in the Village of Downers Grove.

	Description of Previous Regulation (if different from above):	
	Drugs & Alcohol Abuse Policy (Public Works Employees)	

DRUG AND ALCOHOL ABUSE POLICY

PURPOSE:

The purpose of this policy is to perform the necessary drug and alcohol testing pursuant to the Federally mandated requirements under 49 CFR Part 40, Part 382, and Part 655 for Transit Employees. The drug and alcohol related requirements became effective on January 1, 1995.

DEFINITIONS:

“Commercial Motor Vehicle” means a motor vehicle or combination of motor vehicles used to transport passengers or property if the vehicle:

1. has a gross combination weight of 26,001 pounds inclusive of a towed unit with a gross vehicle weight of 10,000 pounds; or
2. has a gross vehicle weight of 26,001 pounds; or
3. is designed to transport 16 or more passengers, including the driver; or
4. is used to transport hazardous material.

"Driver" is: (1) any employee of the Village, who as a requirement of employment, must possess a commercial driver's license ("CDL") and may in the course of their duties have to operate a CDL required vehicle regardless if it is not a normally assigned duty; (2) an individual subject to pre-employment testing because applying for positions which meet the requirement stated above, will be considered a driver.

“Covered Transit Employee” means a person, including an applicant or transferee, who performs or will perform a safety-sensitive function.

“Safety-sensitive function" includes:

1. All time waiting to be dispatched.
2. All time inspecting, servicing, maintaining, or conditioning any commercial motor vehicle at any time.
3. All time spent driving a commercial motor vehicle.
4. All time, other than driving time, spent on or in a commercial motor vehicle.
5. All time loading or unloading a commercial motor vehicle, supervising or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded.
6. All time spent performing the driver requirements associated with an accident.
7. All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle. (49 CFR382.107)
8. All time dispatch or controlling a revenue service vehicle (49 CFR 655.4)
9. All time carrying a firearm for security purposes (49 CFR 655.4)

“Performing” (a safety-sensitive function) means any time period in which the employee is actually performing/doing, ready to perform/do or immediately available to perform/do any safety-sensitive function.

USE PROHIBITED

The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or use of alcohol is prohibited on all Village of Downers Grove premises, in any Village owned or leased motor vehicle, or other location at which the driver is to perform work. Nor will the Village hire or retain any individual who uses or possesses any illegal drug, in any amount and regardless of frequency, or any individual who engages in prohibited alcohol-related conduct.

1. The Village will maintain a pre-employment screening program designed to prevent hiring anyone who uses any illegal drugs, or engages in prohibited alcohol-related conduct.
2. No driver shall possess or consume any drug listed in Schedules I, II, III or IV of the Illinois Controlled Substances Act (720 ILCS 570/100, et seq.) or any amphetamines, narcotics, opiates, hallucinogenic substances, depressants, stimulants, or any other habit forming drug while on or off duty, unless consuming them while under a doctors care and prescription (See #4 below.).
3. No driver shall report for work or drive while impaired by any drug, controlled substance, or with an alcohol breath concentration of .02 or greater.
4. A driver may use a substance administered by or under the direction of a physician who has advised the driver that the substance will not affect the drivers ability to safely operate a motor vehicle.
5. No driver may operate any motor vehicle whose motor senses, sight, hearing, balance, reaction, reflexes or judgment are or may be presumed affected or has consumed any alcohol within 4 hours.
6. Any driver who sells or otherwise dispenses illegal drugs or alcohol to others on Village premises, in or from a Village owned or leased motor vehicle is subject to immediate termination.

7. Employees shall not be on duty or operate a commercial motor vehicle while the driver possesses alcohol (this includes medicines containing alcohol unless the packaging seal is unbroken).
8. Employees are prohibited from using alcohol while performing safety-sensitive functions.
9. When the employee is required to take a post-accident alcohol test, the employee shall not use alcohol within 8 hours after the accident or prior to undergoing a post-accident alcohol test, whichever comes first.
10. An employee shall not refuse to submit to a required alcohol or controlled substance test.
11. An employee shall not report for duty, remain on duty or perform safety-sensitive functions if the employee tests positive for a controlled substance.

DRUG TESTING

The Village will utilize testing facilities for the collection and testing procedures which are in accordance with regulations; 49 CFR Parts 40, 382 and 655 for Transit Employees. The Village's Medical Review Officer (MRO) will be the certified physician who is designated by the testing facilities. The MRO will review test results and provide a written report to the Village. Also, he will discuss any positive test results with employees.

The Village will require drug testing in accordance with the Federal Motor Carrier Safety Requirements as set forth in 49 CFR Parts 40, 382 and 655 for Transit Employees. All urine samples will be split samples. The "primary sample" shall be at least 30 ml. of urine; the split sample shall be at least 15 ml. Failure of the driver to provide that quantity even after a 3 hour second opportunity immediately following drinking up to 40 oz. of water, will cause the driver to be referred for a medical examination to develop pertinent information whether the driver's inability to provide a specimen is genuine or constitutes a refusal to test. The physician shall submit a written evaluation to the MRO who will make a conclusion in writing to the Village. While this process is being accomplished the driver shall be placed out of service.

ALCOHOL TESTING

The Village will require alcohol testing in accordance with the Federal Motor Carrier Safety requirements as set forth in 49 CFR Parts 40, 382 and 655 for Transit Employees. Two breath tests are required to determine if a person has a prohibited alcohol concentration. A "screen test" shall be conducted first. Any result of less than .04 alcohol concentration is considered a "negative test". If the alcohol concentration is .04 or greater, a second or "confirmation test" must be conducted.

Alcohol breath testing shall be by an "Evidential Breath Testing Device", (E.B.T.) that prints out the results, date, time, a sequential test number, name and serial number of the E.B.T. The alcohol test must be conducted by a "Breath Alcohol Technician" (B.A.T.) who is trained to operate the E.B.T. and is proficient in all breath alcohol testing procedures.

The Village will utilize testing facilities whose testing procedures are in accordance with regulations; 49 CFR Parts 40, 382 and 655 for Transit Employees. The Village's Medical Review Officer (MRO) will be the certified physician who is designated by the testing facilities

For random and reasonable suspicion testing, drivers will only be tested for alcohol while performing a safety-sensitive function, just before performing a safety-sensitive function or just after performing a safety-sensitive function. Any test of .04 or greater shall cause the driver to immediately be removed as a driver or from any other safety-sensitive function and will subject the driver to disciplinary action in accordance with this policy.

For reasonable suspicion testing, the driver shall be immediately removed as a driver or from any other safety-sensitive function once a reasonable suspicion determination has been made and cannot return to work until an alcohol test has been administered with a result of 0.02 or less alcohol concentration or 24 hours has passed since the reasonable suspicion determination was made.

Failure of the driver to provide an adequate amount of breath will cause the driver to be immediately referred for a medical evaluation to develop pertinent information whether the driver's inability to provide the adequate amount of breath is genuine or constitutes a refusal to test. The physician shall submit a written evaluation to the MRO who will make a conclusion in writing to the Village. While this process is being accomplished the driver shall be placed out of service.

TYPES OF TESTING

1. For the purpose of compliance with the Federal Motor Carrier Safety and Federal Transit Administration regulations, all drivers will be required to take and successfully pass urine drug testing and breath alcohol testing. Refusal to submit to such screening is considered a positive test.
2. **Pre-employment:** Applicants for the positions as drivers will also be required to take and successfully pass a urine drug test and alcohol breath test before they can be used as drivers. A drug test is not required for the driver participating in a qualified program in the last 30 days and was tested in the last 6 months or participated in a random testing program in the last 12 months with no positive results. An alcohol test is not required if the driver has undergone a required alcohol test within the last 6 months with a result indicating a blood alcohol level below 0.04. For those individuals not required to be tested, the following information must be obtained on any new drivers from previous employers for the past two years: any positive drug test or alcohol test of .04 or greater, including any refusal to be tested. Every new employee shall provide to the Village a written release that authorizes the Village to obtain the driver's past drug and alcohol test results. Any driver found to have a positive test result in these two years shall cause the Village to further obtain information on the subsequent Substance Abuse Professional's evaluation and/or determination under section 382.605 and determine if there was compliance with sections 382.309 (return to duty testing) and 382.311 (follow-up testing). Transit Employees cannot begin performing safety-sensitive functions unless the results of the alcohol breath test are below 0.02.
3. **Reasonable Suspicion:** If a supervisor or other qualified personnel has reasonable suspicion to believe that a driver has violated the alcohol or controlled substance regulations (see "Use Prohibited" section) then the driver shall submit to a urine drug or breath alcohol test. "Reasonable Suspicion" must be based upon specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. Upon being notified that they are to be tested, the employee shall proceed immediately to the testing site. Refusal to submit to such screening will be considered a positive test. A reasonable cause observation form must be completed and signed by at least one qualified supervisor within 24 hours of observation that led to the reasonable cause test. ADD TRAINING REQUIREMENTS
4. **Random Testing:**
 - (A) The Village will randomly select 50% of all employees covered by this policy for drug testing and 10% for breath alcohol testing per the requirements 44 CFR 382.305.
 - (B) On a monthly basis the Risk Manager or his designee will from the total group select randomly on his computer a number to be tested that on an annual basis will equal 50% of the total group for random drug testing and 10 % for random breath alcohol testing. This same process will be repeated each month.

(C) The selected employees will not be informed of the need to be tested until just prior to the test. Upon notice that they are to be tested, the employee shall proceed immediately to the testing site.

(D) All test results will be placed into the driver's personnel file in the Risk Manager's Office.

5. **Post Accident Testing:**

(A) The Village will require post-accident urine drug and breath alcohol testing of all employees covered by this policy as required by 49 CFR Part 40, 49 CFR 382.303 and 49 CFR Part 655 for Transit Employees.

(B) Post-accident urine drug and breath alcohol testing will be required of those drivers who are involved in an accident if there is a fatality, if the accident results in bodily harm to a person who is immediately taken from the scene of the accident to the hospital to receive medical treatment, or when one or more vehicles incurs disabling damage causing the vehicle to be towed from the scene.

(C) The post-accident urine drug test shall be conducted as soon as possible but no later than 32 hours after the reportable or fatal accident. The breath alcohol test shall be administered within 2 hours after the accident, but in no event later than 8 hours or until a breath alcohol test has been administered.

(D) A driver who is seriously injured and can not provide a urine specimen, or breath alcohol test at the time of the accident shall provide the necessary authorization for obtaining medical records and reports that will indicate if a controlled substance or alcohol was in the driver's system and the level present.

(E) Failure of the driver to be readily available or refusal to give a urine sample or a breath alcohol test when the driver has been involved in a fatal accident, or receives a citation for a moving violation, except for a driver who meets the conditions of section 6 (D) above, shall be considered a refusal to take a test and a positive result. This includes return to duty and follow-up testing as required.

(F) The Risk Manager shall be notified immediately regarding an accident involving a driver. The Risk Manager will be responsible for overseeing the testing requirement.

7. **Return to Duty Testing:**

If an employee is found in violation of the drug and alcohol regulations, the employee can not return to work requiring the performance of safety-sensitive functions unless the employee has taken a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02 or a return-to-duty controlled substance test with a verified negative result.

8. **Follow-up Testing:**

An employee who violates the drug and alcohol regulations must be evaluated by a substance abuse professional who will determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substance use.

Upon return to work, the employee is subject to unannounced follow-up tests. The number and the frequency of the tests are determined by the substance abuse professional but must consist of at least six tests in the first 12 months of the employee's return to work.

Such follow-up testing cannot exceed 60 months from the date of the employee's return to work. The substance abuse professional may terminate the follow-up testing at any time after the first 6 tests if he or she determines that testing is no longer necessary.

Follow-up tests for alcohol will only be conducted when the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after a driver has ceased performing safety-sensitive functions.

TEST RESULTS
