ITEM: Purchase exceeding \$10,000.00
DATE: 1/24/01
PREPARED BY: Susan Brassfield
PURPOSE: Place on active agenda for resolution authorizing approval of the purchase of eight (8) computers and one (1) printer

DISCUSSION:

The Police Department and Financial Services, on behalf of the Village of Downers Grove, recommends the purchase of eight (8) Gateway Professional V866 computers and one (1) Hewlett Packard Laser Jet 4550 N printer for the Police Investigators. This purchase is a direct result of the awarding of a Local Law Enforcement Grant in the amount of \$14,084.00. A stipulation of the Local Law Enforcement grant requires that the local government recipient contribute a minimum of 10 percent of the total program cost. The total cost for eight (8) computers (8 @ \$1,766 = \$14,128.00) and one (1) printer (\$2,399.50 + \$89.00 memory) is \$16,616.50. The remaining balance of \$2,532.50 can be found in account 001.625.0000.5735. These computers will allow the Police Investigators to perform more expeditiously the filing of Police Investigative Reports. Instead of obtaining three bids for computer purchases, the Village approved on 6/6/00 that Gateway would be the sole vendor for FY2000/01 computer purchases.
