The Program Contact person is the individual officially designated by the CEO to serve as the day-to-day contact on all program related matters, including completing this application, and can answer all program related questions from BJA. As the officially designated Program Contact, this individual has the ability to bind the jurisdiction to all terms and conditions related to this grant.

Only public officials have the ability to bind the jurisdiction legally to the terms of the LLEBG Program. A CEO may not delegate this responsibility to a non-public official or a public official outside his/her jurisdiction. A jurisdiction may use whatever assistance it deems appropriate to gather needed information for the completion of the LLEBG on-line application and payment acceptance processes; however, it may delegate only to a public official within the applicant jurisdiction the responsibility for actually completing the on-line processes. Any applying jurisdiction violating these requirements will be subject to formal action, including nullification of the FY 2002 LLEBG application as well as eligibility for the future LLEBG funding cycles.

Downers Grove Village, IL has at least one accepted award for a different fiscal year. Changing the Program Contact information will automatically update this information for all of your active LLEBG grants. No GAN will be issued to document this change.

[Overview](#)

The LLEBG Trust Fund Requirement

[CEO Information](#)

All direct LLEBG recipients and State subrecipients must establish a **trust fund** in which to deposit LLEBG Program funding. The trust fund may or may not be an interest bearing account. Regardless of the type of account selected, the trust fund must protect the principal. The trust fund must be established by the the recipient jurisdiction, not by the implementing agency/ies. For example, in the case of a city award, the city manager or mayor's office must establish the trust fund, not the police department. In some jurisdictions, the term "Special Revenue Fund" may denote the same attributes as the definition for trust fund under the LLEBG Program.

[Disparate Information](#)

An LLEBG recipient's trust fund must include the following four features:

[Award and Match](#)

1. The fund may earn interest, but any earned interest must be used for program purposes. The trust fund does not have to be an interest bearing fund.
2. The recipient must be able to account for the Federal award amount.
3. The recipient must be able to account for the local match amount.
4. The recipient must be able to account for any interest earned.

PUBLIC SAFETY OFFICERS' HEALTH BENEFITS (PSOHB) PROVISION

The provision states that a unit of local government (NOT the implementing agency) must provide the same or better level of health insurance benefits to a public safety officer who retires or is separated from service, as a direct or proximate result of a personal injury sustained in the line of duty while responding to a hot pursuit or emergency situation, as the officer was receiving while on active duty.

A public safety officer is an individual serving a public agency in an official capacity (with or without compensation) as a:

- ☒ Law Enforcement officer⁽¹⁾
- ☒ Firefighter
- ☒ Rescue squad or ambulance crew member

If a unit of local government is not in compliance with this provision, it is still eligible for funding from BJA, but will forfeit 10 percent of the eligible amount.

Criteria for Compliance

To be in compliance, a unit of local government must:

1. Use the definitions provided for public safety officer, law enforcement officer, firefighter and public agency as defined by section 1204 of title I of the Omnibus Crime Control and Safe Streets Act of 1968, as amended.
2. Use State statutory law, or, in the absence of State law, use State case law, local law, or have established written policy for defining "injury suffered as a direct result of a personal injury sustained in the line of duty while responding to an emergency situation or hot pursuit." State law definitions of the terms "emergency situation" and "hot pursuit" must be used.
3. Have an established written procedure or process for reviewing cases of injuries suffered in the line of duty.
4. Be able, upon request, to document that the same or better level of health insurance benefits as received while on duty is paid at the time of retirement or separation due to an injury suffered as the direct and proximate result of a personal injury sustained in the line of duty while responding to an emergency situation or hot pursuit.

⁽¹⁾ Section 1204(5) of the Omnibus Crime Control and Safe Streets Act of 1968, as amended, defines a **law enforcement officer** as "an individual involved in crime and juvenile delinquency control or reduction, or enforcement of the laws, but not limited, to police, corrections, probation, parole and judicial officers.

If you do not understand this provision, call the GMS Hotline at 1-888-549-9901, option 4. If you do understand, please click "Yes" below.
