

COUNCIL WORKSHOP ITEM

ITEM: Firefighters Personal Protective Equipment

DATE: July 23, 2002

PREPARED BY: James Jackson, Deputy Fire Chief
Theresa Tarka, Purchasing Assistant

PURPOSE: Contract Extension Recommendation for Fire Department Protective Gear FY 2002/03

BID AMOUNT: \$33,992.93 – (\$19,673.28 **ESG** / \$14,319.65 **Global**) **ACCOUNT:** 001.722.0000.5205
TOTAL BUDGET AMOUNT: \$93,825 / Turnout Gear Budget - \$42,825

DISCUSSION:

The Downers Grove Fire Department awarded contracts to Global Fire and Environmental Safety Group for the purchase of turnout gear/equipment on February 13th 2002. The contracts only last until August 8th 2002, not giving us a complete year for purchases.

The Downers Grove Fire Department would like to continue to purchase the Securitex brand firefighting turnout gear, coats and pants, from Environmental Safety Group, Inc. and continue purchasing with Global Fire Equipment for boots, gloves, hoods, etc. that we use regularly.

We are currently purchasing 18 sets of turnout gear in which completes our FY 2002-2003 budget purchase except for any turnout gear needing to be replaced from damage. We need to keep our contracts enforced with the current vendors for the remainder of this fiscal year. The two vendors have submitted a second year bid for the turnout gear/Equipment.

The total expenditure for the remainder of the 2002 – 2003 fiscal year would not exceed \$5,000.00.

RECOMMENDATION: The department is recommending that we continue the contract with Environmental Safety Group, Inc. for the turnout gear (coats and pants), and Global Fire Equipment Inc. for supplying the miscellaneous turnout equipment for one additional year.

ATTACHMENTS:

Vendor spread sheet current contract and second year.

Environmental Safety Group fax of second year proposal at 2% from previous year.
