**PART III
SCOPE OF WORK**

Village of Downers Grove

Grant # 02-120628

Section 1. Public Benefit

The Grantee is a governmental entity that provides essential public services, to residents of Downers Grove. Grant funds will be used to purchase a Live-Scan electronic fingerprint imaging system known as Identix, including digital camera subsystem, for the Grantee's Police Department. The Grantee's Police Department currently relies on the traditional form of fingerprint processing which uses ink to slowly roll each individual fingerprint onto cards. The new Live-Scan system will decrease the number of hours needed for the overall fingerprinting process by eliminating timely duplicative activities, and will produce much higher quality fingerprints to use for processing and identification. With the Live-Scan system, fingers will be placed directly onto a scanner without having to use ink. The software will include computer-based fingerprinting systems, photographic systems, multimedia data storage, communication servers, and systems integration, all of which will be required to implement the identification management system. The images will be stored electronically, and copies of the card can be printed at any time. This technology will allow the Grantee's Police Department to identify criminals faster and more accurately. The Live-Scan system will ultimately be linked to the external Automated Fingerprint Identification System, which is a computer system that holds the fingerprint images and criminal history records from many locations and is linked with State Police agencies as well as the FBI. The software provides a list of the most probable matches in the system, and major case investigations will be improved by this rapid search capability on latent prints from a crime scene.

The purchase of a digital camera subsystem to be associated with the Live-Scan system, will be used as a booking system. This subsystem will include the camera itself, as well as a computer database that will allow the Grantee's Police Department to capture and save all photographs digitally. It will be able to interface with the main Identix system. An officer will only have to enter an arrestee's information into the digital photo system, and the information will be uploaded into Identix. Film will no longer be required and the Grantee anticipates that, eventually, officers should be able to retrieve the digital photographs from laptops in their squad cars.

Specifically, Grant funds will cover the cost of the Live-Scan fingerprint imaging system, the digital camera subsystem, and all other costs necessary in order to make the entire systems fully operational. This shall include the costs of maintenance agreements for the systems and all costs associated with the Grantee's Police personnel receiving training to use these new items.

Approximately 48,724 people are expected to benefit from this project.

Section 2. Grant Tasks

The Grantee will use grant funds in accordance with Part I, Budget.

**PART V
GENERAL PROVISIONS**

5.1 GRANTEE AUTHORITY; INDEPENDENCE OF GRANTEE PERSONNEL; GRANTOR AUTHORITY; GOVERNING LAW.

A. Grantee Authority. The Grantee warrants that it is the real party in interest to this Agreement, that it is not acting for or on behalf of an undisclosed party, and that it possesses legal authority to apply for this grant and to execute the proposed program or project described in Part III hereof. Grantee's execution of this Agreement shall serve as its attestation that Grantee has read, understands and agrees to all provisions of this Agreement and to be bound thereby. Grantee further acknowledges that the individual executing this agreement is authorized to do so on Grantee's behalf.

B. Independence of Grantee Personnel. All technical, clerical, and other personnel necessary for the performance required by this Agreement shall be employed, or contracted with, by Grantee, and shall in all respects be subject to the rules and regulations of Grantee governing its employees. Neither Grantee nor its personnel shall be considered to be the agents or employees of the Department.

C. Grantor Authority. The Department and its payroll employees, when acting pursuant to this Agreement, are acting as State officials in their official capacity and not personally or as the agents of others.

D. Governing Law. This Grant is awarded in the State of Illinois for execution within the State of Illinois. This Agreement shall be governed by and construed according to Illinois law as that law would be interpreted by an Illinois Court. Where there is no Illinois law on a particular subject or issue, then the applicable law will be applied as it would be if interpreted and applied by an Illinois court.

5.2 SCOPE OF WORK. In consideration for the grant funds to be provided by the Department, the Grantee agrees to perform the project described in Part III hereof and to prepare and submit to the Department the reports and other deliverables described in this Agreement.

5.3 FISCAL RESPONSIBILITIES.

A. Non Appropriation Clause. Payments pursuant to this Agreement are subject to the availability of applicable Federal and State funding from the Department and their appropriation and authorized expenditure under state law. Obligations of the State will cease immediately without penalty or liability of further payment being required if in any fiscal year that this Agreement is in effect the Illinois General Assembly or Federal funding source fails to appropriate or otherwise make available sufficient funds for this grant.

The Grantee hereby is given actual knowledge of the fact that pursuant to the State Finance Act, 30 ILCS 105/30, payments under this grant are contingent upon there existing a valid appropriation therefor and that no officer shall contract any indebtedness on behalf of the State, or assume to bind the State in an amount in excess of the money appropriated, unless

expressly authorized by law. If this is a multi-year grant, it is void by operation of law if the Department fails to obtain the requisite appropriation to pay the grant in any year in which this Agreement is in effect.

B. Total Amount of Grant Limited. The Grantee expressly understands and agrees that the total financial obligation of the Department under this Agreement shall not exceed the total grant amount set forth on the Notice of Grant Award and the Grantee agrees expressly to fully complete the Scope of Work specified in this Agreement and all other obligations under this Agreement within the stated total consideration.

C. Delivery of Grantee Payments. Payment to the Grantee under this Agreement shall be made payable in the name of the Grantee and sent to the person and place specified in the Notice of Grant Award. The Grantee may change the person to whom payments are sent, or the place to which payments are sent by written notice to the Department signed by the Grantee. No such change or payment notice shall be binding upon the Department until ten (10) business days after actual receipt.

5.4 RECORDS RETENTION AND ACCESS TO RECORDS; PROJECT CLOSEOUT; ACCOUNTING; AND AUDIT REQUIREMENTS.

A. Records Retention. The Grantee is accountable for all funds received under this Agreement and shall maintain, for a minimum of three (3) years following the later of the expiration or termination of this Agreement, adequate books, records, and supporting documents to verify the amount, recipients and uses of all disbursements of funds passing in conjunction with this Agreement. This Agreement and all books, records and supporting documents related hereto shall be available for inspection and audit by the Department, the Auditor General of the State of Illinois, or any of their duly authorized representatives, and the Grantee agrees to cooperate fully with any audit conducted by the Auditor General or the Department. Grantee agrees to provide full access to all relevant materials and to provide copies of same upon request. Failure to maintain books, records and supporting documents required by this Section 5.4 shall establish a presumption in favor of the Department for the recovery of any funds paid by the Department under this Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement.

If any of the services to be performed under this Agreement are subcontracted, the Grantee shall include in all subcontracts covering such services, a provision that the Department and the Auditor General of the State of Illinois, or any of their duly authorized representatives, will have full access to and the right to examine any pertinent books, documents, papers and records of any such subcontractor involving transactions related to this Agreement for a period of three (3) years from the later of the expiration or termination of this Agreement.

B. Grant Closeout. In addition to any other reporting requirements specified in this Agreement, the Grantee shall complete and submit a final Grant Closeout Package on forms provided by the Department, within time limits established by the Department, after the expiration or termination of this Agreement. The Grantee must report on the expenditure of grant funds provided by the State, and if applicable, the Grantee's required matching funds. The Grantee is responsible for taking the necessary steps to correct any deficiencies disclosed

by such Grant Closeout Package, including such action as the Department, based on its review of the Grant Closeout Package, may direct.

In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 et seq., the Grantee must, within 45 days of the expiration or termination of this Agreement, refund to the Department, any balance of funds which is unobligated at the end of the Grant term specified in the Notice of Grant Award. For purposes of preparation of grant closeout forms, the determination of allowable expenditures and excess grant funds shall be based on the premise that the total Grantee compensation under this Agreement shall not exceed the amount specified in the Notice of Grant Award.

C. Audit Requirements. If required by Part II of this Grant Agreement, the Grantee shall be required to have an audit conducted in accordance with the following terms:

a. State Audit Requirements:

(i) The audit shall be conducted by a certified public accountant who is licensed by the State of Illinois to conduct an audit in accordance with **Generally Accepted Auditing Standards.**

(ii) Grant funds shall be included in the Grantee's annual audit, unless the Department authorizes the Grantee to have a grant-specific audit conducted.

(iii) Upon completion of an audit, an audit report shall be issued and the Grantee shall provide the Department with a copy of such audit report.

(iv) The Grantee shall provide the Department with a copy of an audit report within 30 days of the Grantee's receipt of such audit report, but in no event later than nine months following the end of the period for which the audit was performed. The Grantee shall send the audit report to the Department at the following address:

Illinois Department of Commerce and Community Affairs
Division of Audits
620 East Adams
Springfield, IL 62701

D. Worker's Compensation Insurance, Social Security, Retirement and Health Insurance Benefits, and Taxes. The Grantee shall provide Worker's Compensation insurance where the same is required and shall accept full responsibility for the payment of unemployment insurance, premiums for Workers' Compensation, Social Security and retirement and health insurance benefits, as well as all income tax deduction and any other taxes or payroll deductions required by law for its employees who are performing services specified by this Agreement.

5.5 TERMINATION; SUSPENSION.

A. This Agreement may be terminated as follows:

1. Due to Loss of Funding. Obligations of the State will cease immediately without penalty of further payment being required if in any fiscal year the Illinois General Assembly or Federal funding source fails to appropriate or otherwise make available sufficient funds for this Agreement. In the event the Department suffers such a loss of funding in full or in part, the Department shall give the Grantee written notice which shall set forth the effective date of full or partial termination, or if a change in funding is required, setting forth the change in funding and the changes in the approved budget.

2. For Cause. If the Department determines that the Grantee has failed to comply with any of the terms, conditions or provisions of this Agreement, or any other Agreement executed by the Department and the Grantee, including any applicable rules or regulations, the Department may terminate this Agreement in whole or in part at any time before the expiration date of this Agreement. The Department shall notify the Grantee in writing of the reasons for the termination and the effective date of the termination. Grantee shall not incur any costs after the effective date of the termination. Payments made to the Grantee or recovery by the Department shall be in accord with the legal rights and liabilities of the parties.

In the event of termination for cause, Grantee shall also be subject to any other applicable provisions specified elsewhere in this Agreement.

Termination for cause may render the Grantee ineligible for consideration for future grants from the Department.

3. For Convenience. The Department or the Grantee may terminate this Agreement in whole or in part when the Department and the Grantee agree that continuation of the program objectives would not produce beneficial results commensurate with the further expenditure of funds. The Department and the Grantee shall agree upon termination conditions including the effective date and, in the case of partial termination, the portion to be terminated. The Grantee shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. The Department shall allow full credit to the Grantee for the Department's share of the non-cancelled obligations, if properly incurred by the Grantee prior to termination.

B. Suspension. If the Grantee fails to comply with the specific conditions and/or general terms and conditions of this Agreement, the Department may, after written notice to the Grantee, suspend this Agreement, withhold further payments and prohibit the Grantee from incurring additional obligations of grant funds, pending corrective action by the Grantee or a decision to terminate this Agreement. Department may determine to allow such necessary and proper costs which the Grantee could not reasonably avoid during the period of suspension provided that the Department agrees that such costs were necessary and reasonable and incurred in accordance with the provisions of this Agreement.
