June 16, 2003,

OPERATION PLAN FOR:  
FOUNDERS HILL OUTDOOR CAFÉ  
ON  
"MAIN STREET"

The outdoor seating area that we are proposing will maintain the following guidelines for operation on Main Street side of our building only.

Hours of Operation

Café will be open for seating (11:00 am Mon – Fri; 12 Noon Sat.; 3:00 pm Sun) until 10:00 pm (7 days a week). The café will close at 10 pm, with a "last call" being issued at 9:30 pm. At this time no further food or drink will be sold which allows adequate time for guests to either exit by 10 pm or re-locate inside. Other factors that will affect the opening of the café are weather, special holidays and special events that are hosted on Main Street during the summer season. It is our intention not to open during "Heritage Festival", the "Criterium Bike Race" and any other special event that either management or V.O.D.G. Community Events Commission advises. We hope to open the café by May 1 thru October 31, 2003, weather and licensing permitted.

Seating (see plan)

The floor plan calls for a seating capacity of 20 guests. The host staff will seat the guests based on availability on a first come / first serve basis. Guests must enter the building and check-in at the information desk and will be escorted thru the front (East) doors to the open table. Due to the nature of the business it is difficult to assume guest party sizes such as a family of 3 or up to 8 that may desire to be seated together. We will not rent out entire area for private parties. We will not allow any "Self" seating for guests to walk in from the street.

Daily Setup/Breakdown/Cleanup

All furniture (chairs and tables) will be stored against building, beneath awning each night. They will be chained and covered by tarp. The café area will be swept and kept clean periodically during the day. Any hose down and mopping of sidewalk will take place in the morning prior to re-opening the next day. This will be required to remove any soil/stains that may occur from spills and general foot traffic. This procedure must take place on the following morning so any slick surface area may dry quicker in the morning sunlight. We are still open for business in the evenings after café closes, so in order to prevent any hazard for our guests we must keep sidewalk dry. All table set – ups, plates, silverware, condiments, etc. will be taken in and stored at close of the day.

Ingress/Egress (staff)

Wait staff will use the front doors for access to the café. Immediately south of main entrance will be the entrance to café (see plan), which will be the only way into café seating area for both staff and guests.

Menu

The outdoor Café will be provided with the full restaurant menu (copy enclosed). This includes all amenities offered in the main restaurant. Our full bar menu of craft beer, wines and cocktails, along with soft drinks etc. will also be available.

Staffing

Wait staff will be scheduled and assigned service areas based on business volume and weather conditions. Special events or promotions may require more or less staffing and traffic patterns fluctuate throughout a normal day (lunch / dinner times, etc.). All staffing will be reviewed on a daily basis.

Lighting

Existing street lighting along with the fully lit interior brew house, which has an entire glass storefront, should satisfy safety concerns. Any additional ambient lighting such as votive candles will be extinguished and removed inside at close each night.

Estimate Revenue

Based on our existing prices for lunch and dinner menu items along with the assumption that we fill up to capacity twice during the course of one day, we may experience 30 - 40 guests at an average of \$15 - \$18 per. This would yield \$450 - \$750 in sales. Weather conditions along with many other variables do affect daily business traffic patterns. These estimates are based on perfect conditions. We do not expect such good fortune and hope only that the Café set an image which is consistent with our overall marketing of Founders Hill.
