DISCUSSION:

The Village of Downers Grove Public Works is requesting an extension for the current Precast Manholes & Inlets contract holder, Kieft Bros. Inc. In negotiations with staff, Kieft Bros. Inc. has agreed to extend the contract for the second year with price increases less than 2% per Village of Downers Grove policy.

The Drainage Division has budgeted \$12,875.00 in account number 001.343.0000.5255 for fiscal year 2003/2004. We realize the 2003/2004 budget numbers are not firm at this time and will make adjustments in purchasing if necessary contingent upon the approved budget amount.
