

Recommendation September 23, 2003									
Vehicle	Department/Division	Replacing Vehicle #	Cost	Budget	(Over) Under	Trade-in Value	Net		
Ford F-150	Public Works/Stormwater	NEW	\$17,614	\$27,000	\$9,386	\$0	\$17,614		
Ford F-150	Public Works/Permits	NEW	\$17,614	\$27,000	\$9,386	\$0	\$17,614		
			<b>\$35,228</b>	<b>\$54,000</b>	<b>\$18,772</b>	<b>\$0</b>	<b>\$35,228</b>		
<b>Notes:</b>		1	Ford F-150 pickups are designated for the new JULIE technician in the Permit Division and the new Engineering Technician in Stormwater.						
		2	Delivery time to the dealer is 60 days from the date of order.						
		3	Recommended:	Willowbrook Ford	<b>\$35,228</b>				
			Other quotes:	Freeway Ford	\$36,612				
				Northwest Ford	\$37,080				
		4	Being powered by compressed natural gas (CNG), both vehicles are eligible for the State of Illinois Alternative Fuel Rebate Program which rebates 80% of the CNG option cost up to \$4,000 per vehicle. In this case, staff expects to receive \$4,000 per vehicle for a total rebate of \$8,000 not reflected in the net price above.
