

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION AUTHORIZING EXECUTION OF AN  
AGREEMENT BETWEEN THE VILLAGE OF DOWNERS GROVE  
AND VERIZON WIRELESS**

BE IT RESOLVED by the Village Council of the Village of Downers Grove, DuPage County, Illinois,  
as follows:

1. That the form and substance of a certain Agreement (the “Agreement”), between the Village of Downers Grove (the “Village”) and Verizon Wireless (“Verizon”), for Municipal Government Subscribers Public Safety Unlimited National Access/Broadband Access Calling Plan, as set forth in the form of the Agreement submitted to this meeting with the recommendation of the Village Manager, is hereby approved.

2. That the Village Manager and Village Clerk are hereby respectively authorized and directed for and on behalf of the Village to execute, attest, seal and deliver the Agreement, substantially in the form approved in the foregoing paragraph of this Resolution, together with such changes as the Manager shall deem necessary.

3. That the proper officials, agents and employees of the Village are hereby authorized and directed to take such further action as they may deem necessary or appropriate to perform all obligations and commitments of the Village in accordance with the provisions of the Agreement.

4. That all resolutions or parts of resolutions in conflict with the provisions of this Resolution are hereby repealed.

5. That this Resolution shall be in full force and effect from and after its passage as provided by law.

Attest: \_\_\_\_\_  
Village Clerk

**Public Safety Unlimited NationalAccess/BroadbandAccess Calling Plan: Municipal Government Subscribers**

The Public Safety Unlimited NationalAccess/BroadbandAccess Calling Plan is not eligible for any monthly access fee discounts.

Standard Monthly Fee	\$55.00
NationalAccess/BroadbandAccess* Allowance	Unlimited
Home Airtime Per Minute Rate [for data usage off the NationalAccess and (e.g., Quick 2 Net <sup>SM</sup> ) and voice usage]	\$0.25
Optional NationalAccess Roaming <sup>††</sup>	\$0.002 per Kilobyte
Roaming Airtime Per Minute Rate <sup>†</sup> [for data usage off the NationalAccess (e.g., Quick 2 Net <sup>SM</sup> ) and voice usage]	\$0.69
Verizon Wireless Domestic Long Distance Rate	Included

**Note:** NationalAccess is available anywhere on the Verizon Wireless network; BroadbandAccess is available only in specific markets; please see [www.verizonwireless.com](http://www.verizonwireless.com) for current availability. Verizon Wireless reserves the right to change Subscribers device software over the air without notice. <sup>†</sup> For Voice or IS-95A data usage, roaming, toll and long distance charges may apply when making and receiving calls while off the Verizon Wireless Network. Please see Calling Plan Features for included and additional features; Verizon Wireless Calling Plan Terms and Conditions apply.

**Important Information:** NationalAccess and BroadbandAccess data sessions automatically terminate after 24 hours of activity. Data session is inactive when no data is being transferred. Data session may seem inactive while data is actively being transferred to device, or may seem active when it is actually cached and not transferring data. Customer MUST press or click "END" or "DISCONNECT" button to ensure that session disconnects and charges cease. NationalAccess and BroadbandAccess data sessions may automatically reinitiate without Customer pressing or clicking "SEND" or "CONNECT" button if Customer has not terminated its session by pressing or clicking "END" or "DISCONNECT" button. Billing, shipping and end-user address must be within Verizon Wireless licensed and service area where wireless device number is issued. Customer must use a device (e.g. PDA or Laptop) that is free of defects and is compatible with the NationalAccess or BroadbandAccess Equipment. Customer is responsible for maintaining virus protection when accessing service. Verizon Wireless will not be liable for problems receiving Service that result from Customer's device. <sup>††</sup>**NationalAccess Roaming:** Requires NationalAccess Roaming feature to be added to account. Not for use with Mobile Office Kits. Dynamic IP addresses will be assigned when roaming. Rate applies to 1xRTT data usage when roaming where service is available in Canada. Usage is rounded up to next full kilobyte. You are responsible for all charges, including all data sent and received and "overhead" whether or not you or your recipients actually receive the data. Overhead is all data that is in addition to user-transmitted data, such as control, operational and routing instructions, error checking characters as well as retransmissions of user-data messages that are received in error. For information on where NationalAccess Roaming service is available, see [www.verizonwireless.com/narooming](http://www.verizonwireless.com/narooming). **NationalAccess Calling Plans:** Unused allowance minutes are lost. NationalAccess data sessions automatically terminate after 5 minutes of inactivity, unless used with a Mobile IP-capable device. You may be able to send or receive a voice call when your NationalAccess and BroadbandAccess data session is inactive. When this occurs, charges apply simultaneously for voice call in accordance with Calling Plan. You will see 777-000-0001 in dialed-digits column of bill for NationalAccess data sessions. During data session, if you travel outside the NationalAccess Rate and Coverage Area, or connection is otherwise unavailable, but you continue with session after returning within 5 minutes, you will be billed for the entire length of the data session. For current NationalAccess service area, please visit the web at [www.verizonwireless.com/b2c/mobileoptions/nationalaccess](http://www.verizonwireless.com/b2c/mobileoptions/nationalaccess). **The Public Safety NationalAccess** plan may only be used with wireless devices for public safety applications. Examples of such public safety applications are NLETS, TBIS, CAD, NCIC, short messaging and RMS as well as other transmission services such as in-house GPS, bar code reading, sending of still digital pictures, and wireless dispatch. The Public Safety NationalAccess plan may not be used for Internet access, including web searches and heavy downloads. The Public Safety NationalAccess plan cannot be used as the backhaul for server devices or host computer applications. Examples of such prohibited uses include, without limitation, web camera posts or broadcasts, streaming video, continuous jpeg file transfers, automatic data feeds, telemetry applications, automated functions, any other machine-to-machine applications. Data sessions on the Unlimited NationalAccess calling plan cannot be used as substitute for private lines or frame relay connections. MIP capable device, restricted Static IP address(es) and direct connection to the 1xRTT network are required. We reserve right to deny or terminate service, without notice, to anyone who uses the Public Safety NationalAccess plan in any manner prohibited or whose usage adversely impacts our network or service levels. You are responsible for maintaining virus protection when accessing the service. We also reserve right to terminate service upon expiration of the Customer Agreement. Your monthly bill will only reflect total kilobytes transmitted within the NationalAccess rate and coverage area. Customer shall be responsible for all CRS usage charges, including unanticipated and/or excess usage charges, resulting from any Equipment modification or new, additional or modified software not provided or approved by Verizon Wireless being used on or with the Equipment. Any applications or modifications to Equipment designed to dedicate a cellular channel to such Equipment are prohibited.
