**FISCAL IMPACT**

N/A.

**RECOMMENDATION**

Discussion only.

**BACKGROUND**

In May 2006, the Village Council authorized a contract with PSA-Dewberry to conduct a Facility Needs Assessment Study for the Village of Downers Grove. This process is nearing completion, and staff is planning to present the final report to the Village Council at the August 28, 2007 Council Workshop.

During the August 14 Workshop, staff will provide the Village Council with a brief presentation of the findings and recommendations prepared by PSA-Dewberry. As part of the Village's FY08 budget preparations, staff is developing funding recommendations for implementation of the study recommendations to be included in the 2008-2012 Community Investment Program.
