**BACKGROUND**

As part of the Belmont grade separation project, the Village entered into a grant agreement with Metra for eminent domain services in July of 2003. The agreement provides that Metra will reimburse the Village for the reasonable costs and expenses associated with eminent domain services related to the project.

The original agreement was for a twenty-four (24) month period, ending July 2005. Following is a timeline of amendments:

- 2005: First amendment to the original 2003 agreement. This first amendment extended the funding expenditures through June 30, 2007.
- 2008: Second amendment extended the funding expenditures through December 31, 2008 and additional grant funding of \$200,000 was secured, raising the total amount available for eminent domain services from \$600,000 to \$800,000.
- 2009: Third amendment extending agreement until December 31, 2009
- 2010: Fourth amendment extended funding expenditures until December 31, 2010.
- 2010: Fifth amendment extended funding expenditures until December 31, 2013.
- 2013: At this time, in the form of a sixth amendment, the funding expenditures would be extended until December 31, 2014.
