E. Motion: Authorize the Purchase and Renewal of Property, General Liability, Excess Liability and Workers Compensation Insurance Coverages

What has the Village's claims experience been like for the re-insurance?

Since 2008, the Village has had two claims reach the point of re-insurance for Workers Compensation. No claims for General Liability or Property have reached the point of re-insurance.

G. Motion: Award a Contract for 2014 Stormwater Project Analysis to Wills Burke Kelsey Associates, Ltd., St. Charles, IL, in an Amount Not to Exceed \$165,000

Please provide information about the claim filed against WBK that is mentioned in their proposal.

In response to a question in the proposal about on-going litigation, WBK disclosed a dispute with a client regarding an EPA violation concerning a wetland delineation. WBK is disputing any wrongdoing and is actively working to resolve the client's issue with the EPA. The claim is not related to services proposed in the Village's contract.
