GENERAL FUND REVENUES-for the Ten Months Ending 10/31/2017

HIGHLIGHTS

October 2017 YTD revenues are \$354K higher than October 2016 YTD. Revenues that decreased from last year include sales taxes (\$165K of which \$83K is due to a one time adjustment), Telecommunications Tax (\$225K), Income Taxes (\$266K) and Grants/Donations/Other (\$251) due to the discontinuation of services to Westmont and a property vacation in 2016 offset by a one time reimbursement of VOC expense by the ETSB. These decreases were partially offset by increases in Building Related Permits (\$573K) and State shared revenue (\$141K). The increase in property taxes is offset by an increase in public safety pension expense.

Property taxes are received in two distributions - in June and September. Natural Gas Tax is seasonal with a greater portion received in the winter months. Building related permits are also seasonal, with a greater portion of revenue received in the summer. The Village's share of Income Tax is not received evenly throughout the year. The distribution is higher in May from payments made with tax return filings due in April.

Note: Revenues are recorded on a cash basis. Sales taxes are received from the state three months after the sale is made. For example, January sales taxes are from sales made in October.
