Future Calendar Reminders...

Village Council Meeting - The following Village Council meeting will be held on **Tuesday, February 9 at 7:00 p.m. in the Council Chambers** at Village Hall.

2021 Tree Pruning

The Village's parkway trees are pruned on a five-year cycle to improve tree structure, enhance tree vigor, increase a tree's aesthetic appeal, and maintain safe conditions for all motorists and pedestrians as they move through the street corridor or visit Village properties. This work also reduces storm damage and costs when storms occur.

A map of the areas where parkway tree pruning is planned for 2021 is attached. This work began the week of January 18, 2021 and signs will be posted in advance of the areas where work will occur. Information about the pruning program is mailed in advance to addresses where work is planned to occur. Information is also on the [forestry](#) section of the Village's website, including the pruning video.
