Future Calendar Reminders...

Village Council Meeting - The following Village Council meeting will be held on **Tuesday, June 8th at 7:00 p.m. in the Council Chambers** at Village Hall.

Prairie & Forest Traffic Safety Improvements - On Friday, May 28, temporary traffic safety improvements were installed at the intersection of Prairie Ave. and Forest Ave. This intersection has experienced a high number of accidents, and staff has been working with the neighborhood to address the number and severity of crashes at this location. The temporary improvements include a median along the centerline of Prairie Avenue, which will serve two purposes:

- Prevent vehicles from crossing Prairie on Forest, and from making left turns, limiting the potential for collisions; and,
- Provide traffic calming on Prairie Avenue, slowing traffic and providing a safer intersection for pedestrians and motorists

These trial improvements will be in place for approximately two months, and will be discussed at the Transportation and Parking Commission in September.
