**Report for the Village Council Meeting**

<b>SUBJECT:</b>	<b>SUBMITTED BY:</b>
Award of Contract - Brookbank Pump Station Modifications	Andy Sikich Public Works Director

**SYNOPSIS**

A motion is requested to award a contract for modifications to the Brookbank Pump Station, to Marc Kresmery Construction of Elgin, Illinois in an amount not-to-exceed \$61,560, which includes a 20% contingency.

**STRATEGIC PLAN ALIGNMENT**

The goals for 2019-2021 include *Top Quality Infrastructure*.

**FISCAL IMPACT**

The FY21 budget includes \$100,000 for construction of this project (SW-089).

**RECOMMENDATION**

Approval on the September 7, 2021, Consent Agenda.

**BACKGROUND**

In the 1960's, a 60-inch diameter pipe was installed from Brookbank Avenue and 55<sup>th</sup> Street to the right-of-way in front of 5327 Brookbank Avenue. The bottom of the pipe (and the bottom of the manhole) at this location is approximately 20 feet deep. Over time, additional storm sewers have connected into and extended from the original 60-inch diameter pipe. In the early 2000's, a pump was installed to slowly drain the pipe system into the creek. However, the bottom of the pipe accumulates a significant amount of debris, which the pump is not designed to accommodate.

The modifications include raising the pump off the bottom of the pump station and installing an auxiliary pipe to allow safer, more frequent debris removal from the bottom of the pump station.

A Call for Bids was issued and published in accordance with the Village's Purchasing Policy. Two bids were received by the due date of August 27, 2021. A synopsis of the bids is as follows:

<b>Contractor</b>	<b>Base Bid</b>
Marc Kresmery Construction, LLC	\$51,300.00
Martam Construction, Inc.	\$137,580.00

Staff recommends award of the Brookbank Pump Station Modifications contract to Marc Kresmery Construction, LLC, who originally installed the pump in 2008.

Such changes in quantities, alterations, and extra work shall not invalidate the contract nor release the surety, and the Contractor agrees to perform the work as altered.

If the alterations or changes in quantities significantly change the character of the work under the contract, whether or not changed by any such different quantities or alterations, an adjustment, excluding loss of anticipated profits, will be made to the contract. The basis for the adjustment shall be agreed upon prior to the performance of the work. If a basis cannot be agreed upon, then an adjustment will be made either for or against the Contractor in such amount as the Engineer may determine to be fair and equitable.

If alterations or changes in quantities do not significantly change the character of the work to be performed under contract, the altered work will be paid for as provided elsewhere in the contract. The term “significant change” shall be construed to apply only when the character of the work as altered differs materially in kind or nature from that involved or included in the original proposed construction ~~or when a major item, defined as an item whose total original contract cost plus any additions exceeds ten percent of the total original contract amount, is increased in excess of 125 percent or decreased below 75 percent of the original contract quantity.~~

All alterations, cancellations, extensions, and deductions shall be authorized in writing by the Engineer before work is started. The Contractor shall accept payment for alterations which result in an increase or decrease in the quantities of work to be performed according to the following.

(a) All increases in work of the type which appear in the contract as pay items accompanied by unit prices will, except as provided under paragraph (d) herein, be paid for at the contract unit prices. Decreases in quantities included in the contract will be deducted from the contract at the unit bid prices. No allowance will be made for delays or anticipated profits.

(b) Major items of work for which the quantities are increased ~~by not more than 125 percent or reduced to not less than 75 percent of the original contract quantities~~ OR DECREASED will be paid for as specified in paragraph (a) above. ~~Any adjustments for increased quantities for major items of work increased more than 125 percent shall only apply to that portion in excess of 125 percent of original contract quantities. Any adjustments made for major items of work which are decreased to less than 75 percent of the original contract quantities shall apply to the actual amount of work performed.~~

(c) Extra work which is not included in the contract as pay items at unit prices and is not included in other items of the contract will be paid for according to Article 109.04.

(d) Extra work for which there is a pay item at unit price in the contract which for any one or more of the following reasons materially increases or decreases the cost of the pay item as bid and which is not included in the prices bid for other items in the contract will be paid for according to Article 109.04. This includes:

- (1) Work involving a substantial change of location.
- (2) Work which differs in design.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

Subject: Marc Kresmery Construction LLC. Letter of Capability

To Whom It May Concern,

Marc Kresmery Construction is a valued client of Liberty Mutual Surety. Given the company's financial strength and credit worthiness, we are willing to consider single bonds up to \$2,500,000 and an aggregate program of up to \$7,000,000. In addition, we are also willing to consider further flexibility above the presently established range. We are confirming that we will provide the final bonds on the specified forms, in relation to the Contract for Replacement of Water Treatment Plant Sludge Collector Equipment and Filter Media.

Our willingness to extend surety credit is subject to the ongoing application of Liberty Mutual Surety's normal underwriting standards including, but not limited to, review of the job specifications and details, acceptable contract terms, acceptable bond language, satisfactory evidence of adequate financing and the principal's financial condition and amount of work-on-hand at the time bonds are requested. This letter is not a bid bond and does not create an obligation on the part of Liberty Mutual Surety to provide a surety bond for any project unless and until Marc Kresmery Construction enters into a contract on the terms that mutually satisfy both Marc Kresmery Construction and Liberty Mutual Surety at the time of bid or award as described above.

Policy Number: TRA008247T

Named Insured: Marc Kresmery Construction, Inc.

**a. Primary Insurance**

This insurance is primary and non-contributory except when **b.** below applies.

**b. Excess Insurance**

This insurance is excess over any of the other insurance, whether primary, excess, contingent, or on any other basis:

- (1) That is Fire, Extended Coverage, Builders Risk, Installation Risk, or similar coverage for your work;
- (2) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner; or

- (2) The total of all deductibles and self-insured amounts under all that other insurance.

It is further agreed that work commenced under letter of intent or work order, subject to subsequent reduction to writing, with customers whose customary written contracts would require a waiver of recovery rights against them also falls within this blanket waiver of recovery rights.

**O. LIBERALIZATION**

COMMERCIAL LIABILITY UMBRELLA

## COMMERCIAL LIABILITY UMBRELLA COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II - Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V - Definitions.

### SECTION I - COVERAGES

#### COVERAGE A - BODILY INJURY AND PROPERTY DAMAGE LIABILITY

##### 1. Insuring Agreement

- a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking damages for such "bodily injury" or "property damage" when the "underlying insurance" does not provide coverage or the limits of "underlying insurance" have been exhausted. When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other "suit" seeking damages to which this insurance may apply. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. At our discretion, we may investigate any "occurrence" that may involve this insurance and settle any resultant claim or "suit" for which we have the duty to defend. But:

- (1) The amount we will pay for the "ultimate net loss" is limited as described in Section III - Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments - Coverages A and B.

- b. This insurance applies to "bodily injury" or "property damage" that is subject to an applicable "retained limit". If any other limit, such as a sublimit, is specified in the "underlying insurance", this insurance does not apply to "bodily injury" or "property damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "underlying insurance".
- c. This insurance applies to "bodily injury" and "property damage" only if:
  - (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and
  - (3) Prior to the policy period, no insured listed under Paragraph 1.a. of Section II - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- d. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1.a. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

Policy Number: TRA008247T

Named Insured: Marc Kresmery Construction, Inc.

- These payments will not reduce the limits of insurance.
2. When we have the right but not the duty to defend the insured and elect to participate in the defense, we will pay our own expenses but will not contribute to the expenses of the insured or the "underlying insurer".
  3. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
    - a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
    - b. This insurance applies to such liability assumed by the insured;
    - c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
    - d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
    - e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and
    - f. The indemnitee:
      - (1) Agrees in writing to:
        - (a) Cooperate with us in the investigation, settlement or defense of the "suit";
        - (b) Immediately send us copies if any demands, notices, summonses or legal papers received in connection with the "suit";
        - (c) Notify any other insurer whose coverage is available to the indemnitee; and
        - (d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and
      - (2) Provides us with written authorization to:

- (a) Obtain records and other information related to the "suit"; and
- (b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.(2) of Section I - Coverage A - Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

## SECTION II - WHO IS AN INSURED

1. Except for liability arising out of the ownership, maintenance or use of "covered autos":
  - a. If you are designated in the Declarations as:
    - (1) An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
    - (2) A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
    - (3) A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
    - (4) An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

Policy Number: TRA008247T

Named Insured: Marc Kresmery Construction, Inc.

(5) A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.

b. Each of the following is also an insured:

(1) Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:

(a) "Bodily injury" or "personal and advertising injury":

(i) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" in the course of his or her employment or performing duties related to the conduct of your business or to your other "volunteer workers" while performing duties related to the conduct of your business;

(ii) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (a)(i) above; or

(iii) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph (a)(i) or (ii) above.

(b) "Property damage" to property:

(i) Owned, occupied or used by;

(ii) Rented to, in the care, custody or control of, or over which physical control is

being exercised for any purpose by;

you, any of your "employees", "volunteer workers", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).

(2) Any person (other than your "employee" or "volunteer worker"), or any organization while acting as your real estate manager.

(3) Any person or organization having proper temporary custody of your property if you die, but only:

(a) With respect to liability arising out of the maintenance or use of that property; and

(b) Until your legal representative has been appointed.

(4) Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

c. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

(1) Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

(2) Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

(3) Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

2. Only with respect to liability arising out of the ownership, maintenance or use of "covered autos":

a. You are an insured.

b. Anyone else while using with your permission a "covered auto" you own, hire or borrow is also an insured except:

Policy Number: TRA008247T

Named Insured: Marc Kresmery Construction, Inc.

- (1) The owner or anyone else from whom you hire or borrow a "covered auto". This exception does not apply if the "covered auto" is a trailer or semitrailer connected to a "covered auto" you own.
  - (2) Your "employee" if the "covered auto" is owned by that "employee" or a member of his or her household.
  - (3) Someone using a "covered auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
  - (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees", while moving property to or from a "covered auto".
  - (5) A partner (if you are a partnership), or a member (if you are a limited liability company) for a "covered auto" owned by him or her or a member of his or her household.
  - (6) "Employees" with respect to "bodily injury" to:
    - (a) Any fellow "employee" of the insured arising out of and in the course of the fellow "employee's" employment or while performing duties related to the conduct of your business; or
    - (b) The spouse, child, parent, brother or sister of that fellow "employee" as a consequence of Paragraph (a) above.
- c. Anyone liable for the conduct of an insured described above is also an insured, but only to the extent of that liability.
3. Any additional insured under any policy of "underlying insurance" will automatically be an insured under this insurance.

Subject to Section III - Limits Of Insurance, if coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

- a. Required by the contract or agreement, less any amounts payable by any "underlying insurance"; or
- b. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "underlying insurance".

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

### SECTION III - LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
  - a. Insureds;
  - b. Claims made, "suits" brought, or number of vehicles involved; or
  - c. Persons or organizations making claims or bringing "suits".
2. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss" under:
  - a. Coverage A, except "ultimate net loss" because of "bodily injury" or "property damage" arising out of the ownership, maintenance or use of a "covered auto"; and
  - b. Coverage B.
3. Subject to Paragraph 2. above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" because of all "bodily injury" and "property damage" under Coverage A arising out of any one "occurrence".
4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage B for the sum of all "ultimate net loss" because of all "personal and advertising injury" sustained by any one person or organization.
5. If there is "underlying insurance" with a policy period that is nonconcurrent with the policy period of this Commercial Liability Umbrella Coverage Part, the "retained limit(s)" will only be reduced or exhausted by payments for:
  - a. "Bodily injury" or "property damage" which occurs during the policy period of this Coverage Part; or
  - b. "Personal and advertising injury" for offenses that are committed during the policy period of this Coverage Part.

However, if any "underlying insurance" is written on a claims-made basis, the "retained limit(s)" will only be reduced or exhausted by claims for that insurance that are made during the policy period, or any Extended Reporting Period, of this Coverage Part.
