Second contract extension for residential permit review – Safebuilt Illinois, LLC	Stan Popovich, AICP Director of Community Development

**SYNOPSIS**

Resolutions have been prepared to authorize the execution of a second one-year contract extension for residential permit review services with Safebuilt Illinois, LLC (Safebuilt) and TPI Building Code Consultants, Inc. (TPI), each not-to-exceed an amount of \$80,000.00.

**STRATEGIC PLAN ALIGNMENT**

The goals of 2021-2023 include *Exceptional Municipal Services* and *Continual Innovation*.

**FISCAL IMPACT**

The budget provides \$160,000 (\$80,000 each) in the General Fund for these contracts. The actual cost will be based on the number and type of building permit applications submitted. Costs of these contracts are covered by building permit fee revenue.

**RECOMMENDATION**

Approval on the June 13, 2023 Consent Agenda.

**BACKGROUND**

The Village currently has a one-year contract with both Safebuilt and TPI to provide residential development review services for various permit types, including new homes, additions, kitchen remodels, decks and pools. The contracts include two one-year extensions based on mutual agreement. The Village is exercising the second one-year extension on both contracts.

Safebuilt and TPI have been providing permit review services since July 2018. Both firms are knowledgeable with residential building codes and have completed their permit reviews on schedule. Both firms' proposed review rates remain unchanged from the original contract.
