Update for Village of Downers Grove 2022 Downtown Business District Projects

Next week, grinding and placement of the first layer of asphalt is expected to take place for the resurfacing of Burlington Avenue and Mochel Drive. On-street parking on Burlington Avenue from Main Street to Washington Street and on Mochel Drive from Burlington Avenue to and around the Parking Deck will be impacted during construction hours while road grinding and paving take place. Access to the parking deck will be maintained.

Also expected to take place next week is concrete pavement patching on the east side of Main Street at the mid-block pedestrian crossing south of Burlington Avenue and at Grove Street. Main Street will be kept open using flaggers, but some traffic delays may occur.

Project information and construction updates can be found on the Village's website ([Construction Updates | Village of Downers Grove](#)).
