0929 Budget Meeting Called to order by B. Meister

Discussion on the proposed 2023 Foreign Fire Tax Budget.

Discussion ensued regarding what to increase the budget to \$300,000. The increase is due to the projected cost of the Station 103 Kitchen Project and the roof prop. FF/PM made a motion to add \$80,000 to the infrastructure line item, making it \$169,600. This would increase the total budget of \$300,000.

It was discussed that we would hold the budget meetings in May and June of 2023.

Motion to Adjourn by Brown, Second by Kairis. All in favor
